Title Kept By Perez

Osaka, Japan —(UPI)—World flyweight champion Pascual Perez retained his title by knocking out Japanese challenger Sadao Yaoita in 55 seconds of the 13th round of their scheduled 15-round title bout before 20,000 spectators.

The 33-year-old Perez showed remarkable condition as he battered 24-year-old Yaoita with smashing lefts and rights to the body and head. The end came suddenly in the 13th when Perez shot a jolting right to Yaoita's stomach as Yaoita was stepping away.

Eight Medford Exhibitors In Autorama at Armory

Eight exhibitors from Medford are among entries in the Southern Oregon Autorama Saturday and Sunday at the Medford Armory.

Listed from Medford among the 42 entrants are Clarence Allen, Dean Byers, Dr. Russell Barnes, L. R. Reavis, Jack Milhoan, Delbert Clifford, Monty Wray and Lee Taylor. Allen will show a 1959 Chevrolet pick-up truck and Byers a 1939 Chevrolet coupe. Barnes will have a 1917 Studebaker at the show and Reavis a 1924 Buick. Milhoan's vehicle is a 1915 Model T Ford and Clifford's a 1930 Packard. Wray and Taylor will show Go-Karts.

The show of customized or personalized autos, hot rod cars and antique vehicles also will have an exhibitor from Talent, two from Ashland, three from Grants Pass, one with two cars from Bend, four from Eugene, two from Roseburg, one from Winchester, six from Portland and nine from California.

A Canadian entry will be Fred Welsh's 1940 Ford.

Chuck Atwood, Twin Falls, Idaho, will have a 1959 Ford Galaxy.

Mike Batinich, Grants Pass, who is putting on the show, has pointed to the thousands of hours of handwork that has gone into the vehicles, to the smart restyling and to the vivid array of colors that will be seen. There will be a fortune of chromed accessories, upholstery which would charm the most discriminating interior decorator and precision motors built and tested for competition.

Batinich said that he has been dazed at the response for entry into the show. He stated that he wished that there was more room so that additional cars could have been shown instead of turned away.

The autorama will include the sweepstakes winner and the people's choice winner of the Portland show. Batinich indicated that the California display will be "of the best."

Souvenir programs of the San Francisco Custom, Rod and Antique show, will be given away to the first 300 people to arrive at opening time Sunday. The program of the March 1959 event has a directory of information on the 225 top west coast cars shown.
