

NIXON GETS PRACTICE - Vice President Richard Nixon goes one up on his boss, President Eisenhower, as he engages in a bit of practice putting before leaving his hotel room at Los Angeles for a golf course. The vice president is spending five days in the Southern California area to relax and visit with family and friends. (UPI Telephoto)

Open House Slated At Domiciliary

An open house at the Veterans Administration Domiciliary at Camp White will be held Tuesday, Nov. 10, when similar events are planned throughout the country. Henry C. Herzog, manager, announced that guided tours will begin at the administration building at 10 a.m. and 2 and 3 p.m. The tours are to explain the "planned living program" at the domiciliary, which Herzog said "is designed to rehabilitate the veteran for return to his own community or some other community of his choice." The open house day was designated by Sumner G. Whittier, administrator of veterans affairs, for the 177 similar institutions throughout the country. All interested persons are invited to visit the Domiciliary that day.

Duncan to Moderate Panel Discussion

Robert Duncan, Medford attorney and last year's speaker of the Oregon house of representatives, will be moderator for a legislative panel discussion Saturday at the annual convention of Oregon Trucking Associations, Inc. State legislators, officials and administrators will share the rostrum with spokesmen for Oregon's recent centennial celebration. The convention will be at the Sheraton hotel, Portland, Nov. 5-7.

Former Local Boy Named to Council

Robert Gee, a graduate of Medford High school, has been elected to the executive council of the sophomore class at Washington State university, Pullman. Gee is a son of Mr. and Mrs. John T. Gee, Azusa, Calif., and is enrolled in a pre-veterinary course at WSU.
