Woman, 42, Gets Wish for Jail In Bank Holdup

Kansas City, Kan. — (UPI) — Mrs. Irene Collier Quinn, 42, robbed a bank so she could go to jail. That's where she is today.

"I want to go to prison," Mrs. Quinn told officers when they arrested her. "I'm the one who robbed the bank."

Mrs. Quinn set out Wednesday apparently with robbery in mind and seeking detection. Left in Alarm

Police said she went into the Commercial National Bank and was seen wander-

ing around. She left in alarm when a teller asked if he could help her, police said.

Mrs. Quinn then went across the street to the Home State Bank and approached Miss Mary Moody, a teller.

"I want some bills," Miss Moody quoted her as saying. "She said she had a gun, but I didn't see it as her arm was below the counter."

Miss Moody pressed an alarm button with her foot while doling out more than \$400 in currency.

Mrs. Quinn left the bank and disappeared in the early afternoon crowd.

Area Surrounded

Police surrounded several blocks in the area. They had little difficulty finding Mrs. Quinn from the description of bank employees. She was about a block from the Home Bank and very noticeable in her green skirt.

Mrs. Quinn had \$439 in her pocketbook, almost the same amount believed given her at the bank.

She was arrested, arraigned and held in lieu of \$5,000 bond on charges of bank robbery.

Pendleton Bank Ruling Upheld

Salem — (UPI) — The Oregon State Banking Board today upheld a franchise ruling for Portland Trust Company involving a Pendleton branch.

The Inland Empire Bank of Umatilla had appealed the franchise award by Superintendent J. F. M. Slade. The Banking Board is comprised of the governor, secretary of state and state treasurer.

Slade had rejected Inland Empire's petition saying that the law stipulates granting a franchise to the first applicant who is qualified. Slade also felt that Pendleton couldn't support four banks. Pendleton branches already have been established by the U.S. National and First National Bank of Oregon.

Inland Empire officials had charged Slade with being unreasonable and arbitrary, but the Board found Slade in accordance with the law.

Suspects Arrested In Aloha Burglary

Hillsboro — (UPI) — Two suspects were in the Washington county jail today following an attempted burglary at Al's Garage in Aloha. One person was caught in the garage and another was picked up in Portland.

Deputy John D. Pyle arrived on the scene as new tires were being taken from the garage. Richard Lee Green, 23, Portland, surrendered but his companion fled.

Officers said the second suspect, Thomas Marlin, 21, Portland, was arrested after Portland police staked out his home. Green was arrested about 3:45 a.m. and Marlin about 5 a.m.

The sheriff's office said it would ask the district attorney to charge both men with first degree burglary and Marlin also with larceny of an auto.

Knoxville, Tenn. — (UPI) — The owner of the Powell Valley Drug Co. here reported Wednesday that the thieves who stole cigarettes, narcotics and cash from his store also got away with his home-made burglar alarm.

Tillamook Mill Damaged by Fire

Tillamook — (UPI) — A fire of undetermined origin razed the sawmill at the Beuhner Lumber Co., plant late Wednesday. Damage was estimated at \$150,000 by a plant official.

The amount included equipment and lumber in the plant building as well as the structure.

It was the second fire this year at the company plant some six blocks from downtown Tillamook. A blaze in May destroyed a planer mill and caused several thousand dollars damage.

Crash of Plane Takes Five Lives

Montreal — (UPI) — Five crew members aboard a four-engine airliner were killed Wednesday night when the plane caught fire and crashed shortly after takeoff.

The plane was en route to Foxe Basin on Baffin Island near the Arctic Circle with supplies to a Distant Early Warning Line base. No passengers were on board.

The Wheelers Airlines DC4 nose-dived into a field near the isolated village of St. Cleophas 14 minutes after it took off from Montreal's Dorval airport on the 1,500-mile non-stop flight.

The victims were identified as Capt. Jack T. Brown, 30, Hudson Heights, Que.; 1st Officer Frederic William Boone, 27, Drouval; 2nd Officer Jean-Marie Simard, 28; stewardess Anne-Marie Remillard, 27, both of Montreal, and navigator Asger Andreas Madsen, 30, of St. Laurent, Que.

Montgomery, Ala. — (UPI) — State Prisons Director J. M. McCullough Wednesday announced Alabama will begin using German shepherds and Doberman pinschers to guard three prisons at night. "As far as we know we will be the first state prison system in the United States to use guard dogs," McCullough said.
