

Patrick, Hanby Schools Plan Open House

Gold Hill—The Patrick and Hanby Elementary schools of District 6C will hold open house, Thursday, November 12, in observance of National Education Week. Teachers and pupils will be hosts and hostesses to parents that evening.

For the convenience of parents who have children in both schools, Patrick will host parents 6 until 7:15 p.m. when all parents and teachers will meet at the Hanby gymnasium for the Gold Hill Parent-Teachers association business meeting.

Mrs. Ogden Kellogg, president of the unit, reports that room count will be taken to determine the class having the largest percentage of parents at this meeting. The winning room gets to keep the gold fish until the next PTA session.

Various classrooms will make announcements of interest to parents near the close of the business meeting. Those who have not joined the association this year and wish to do so may contact Mrs. Donald Meister, membership chairman.

Hanby School

At the close of the business session, the Hanby pupils and teachers will host parents and visitors in their classrooms. Rooms at the Hanby building will remain open until 9:30 p.m.

The operation of a ham radio station on the top floor of the building will be a feature of the program planned at Hanby that evening. Boys taking the radio class and the instructors, Allen Hill and Marvin Throne, will be in charge of this part of the visitation.

Room mothers will begin serving refreshments in the Hanby school's cafeteria at 8 p.m. Youngsters must be accompanied by their parents.

Room mothers who will be in charge of refreshments include, seventh grade, Mrs. Arthur Schatz, M.s. Jim Wilson, Mrs. Delos Walker, and Mrs. Arthur Boye; second grade, Mrs. Luther Gann, and Mrs. R. P. Corona; and third grade, Mrs. Glenn Leach and Mrs. Glenn Wade.

Coffee Planned
All parents and friends of pupils of the two schools are invited to attend a get-acquainted coffee, honoring first grade parents, and new parents in the community, Tuesday, November 17, between 9 a.m. and 4:30 p.m. at the home of Mrs. Paul Molloy, Second avenue. Proceeds will be used to meet the budget expenses of the PTA.

Mrs. Kenneth Fluck, room representative, reports that Mrs. Jerry Jeroloman and Mrs. George Tilley, first grade room mothers, will be responsible for inviting first grade parents.

Mothersingers To Hold Practice

Central Point—The District 6C Mothersingers will practice Tuesday, November 10, at 9:30 a.m. at the home of Mrs. Harvey D. Field, Seven Oaks road, Central Point.

The group was recently organized and has had one practice session to learn three part choral numbers. Mrs. Field is director of the group and has invited all interested women to join.

Child care will be available Tuesday at the home of Mrs. Lillian Wright, Fourth and Laurel streets, Central Point.

All about today's women who work... Here are a few statistics I read the other day about working women...

One out of every three women in America works.

One out of every three workers in America is a woman (in 1890, it was one to six).

The more education a woman has the more likely she is to work. Working women are growing older — Average now is 39 (in 1890, it was 25).

Three out of every five women who work are married.

One out of every four who work have a family.

Speaking of working women—the blouse has been the special property of the worker since the first lady typist wore her starched, white "waist"...

Now the blouse is a must in the working women's wardrobe and there are hundreds of variations to brighten up Monday to Friday workers.
