

HAPCO IS YOUR SHOPPING HEADQUARTERS FOR A WIDE SELECTION OF FINE APPLIANCES!

Wednesday at Hapco...

Sale

Veterans Day is sometimes a business holiday.

This year most of the downtown Medford merchants have decided to remain open.

We at HAPCO did not plan on Veterans' Day in our plans, so it is like an extra day for us.

Since it is an extra day, we are not charging our regular expenses against it.

We have decided to also make it a Bonus Day for our customers.

MAKE YOUR HOME HAPPIER WITH A NEW APPLIANCE

This special HAPCO ONE-DAY SALE is part of the special MYHAWANA appliance promotion, assuring you of the very best pre-Christmas bargains.

HIGH SPEED DRYING at low temp. temperature dries clothes safely. Fast moving currents of properly warmed air flow through the tumbling clothes, drying them quickly and naturally. Clothes are never baked or exposed to direct heat.

SYNTHETIC DE-WRINKLER dries Wash 'N' Wear clothing wrinkle-free. Just set automatic control in "De-Wrinkle." Unwanted wrinkles go but creases and pleats remain crisp and neat. Cuts way down on ironing and pressing.

NO SPECIAL WIRING NEEDED. Operate your General Electric Dryer on either regular 115-volt household circuit, or standard 230-volt circuit. You just plug it in! Removable lint trap eliminates need for outside venting.

IMPORTANT: These low sale prices do not include the big HAPCO trade-in allowance. Your trade will make the price even lower!
