

Jacobson to Have Crusader End Post In Sherman Tussle

Dan Jacobson, 6-2, 170-pound junior, will take over starting end duties for the St. Mary's high Crusaders on Saturday night when the Medford team entertains Sherman of Moro in state Class B football quarter-finals.

Jacobson, who has "good hands," will take over the spot of Ron Daley, who suffered a broken collarbone in the district finale with Merrill. He is out for first year of football and lacks experience but is coming along and carries out his assignments, according to mentor Bill McKibbin.

Fox Most Valuable In American League

Boston —(UPI)—Nelson Fox, the combative, second baseman who typified the "go go spirit" of the Chicago White Sox, today became the first player in the team's history to be named the American league's most valuable player.

The 31-year old Fox garnered 295 points in the balloting by baseball writers to beat out Luis Aparicio, his 25-year old double play teammate from Maracaibo, Venezuela who was second with 155 points.

Four of the 24 voting writers, three in each American league city, considered the tandem so inseparable that they split their first-place ballots between the two.

Fox drew 14 first place votes, five second-place votes and one third-place vote. Aparicio won six votes for top honors, 13 for second place and one for third.

Right-handed Early Wynn of the White Sox made it a Chicago triumvirate by finishing third with 123 points. Wynn compiled a 22-10 record last season.

Slugging Rocky Colavito of the second-place Cleveland Indians was fourth with 117 points. Indians centerfielder Tito Francona, who won himself a starting position after the campaign got underway, finished fifth with 102 points.

Jackie Jensen of the Boston Red Sox, last year's winner, finished 10th in the voting.

Chamberlain, travelling along at a 38-point-a-game pace, repeatedly batted away Dukes' efforts to score and held the Detroit center to 22 points.

Wilt also improved his shooting eye at the foul line, having one of his best nights as he connected on nine of 12 attempts.

The Philadelphia victory left the Warriors a game back of the Eastern division leading Boston Celtics, who walked Cincinnati, 151-118, in the only other league action.

WARMATH WILL BE PAID TO QUIT—Minneapolis, Minn. —(UPI)—Murray Warmath will be paid \$37,500 to quit as Minnesota football coach, a local businessman said today.

Warmath has been under fire because of the Gophers' poor showing this season. The team has won two of seven games this season and faces the prospect of ending in the Big Ten cellar.

Harold Johnson Halts Sonny Ray

Chicago —(UPI)—A razor-sharp fighter with no foes, Harold Johnson, apologized today for a poor performance, even though he belted out Sonny Ray in the 10th round of their nationally televised fight Wednesday night.

Johnson, the No. 1 challenger for the light heavyweight crown, said he might have finished his opponent earlier, but he was afraid to try because he had little confidence in his ability.

"I didn't think I had the timing to do it," he said, "and I didn't want to risk missing."

Johnson, 31, floored Ray for a six count in the fourth round, but he said "I covered up well and I couldn't chance moving in on him."

Defending himself against three misconduct charges, he had to "show cause" why his suspended license as matchmaker shall not be revoked permanently.

The charges stemmed from Rosensohn's promotion of the June 26 fight at Yankee Stadium, where Sweden's Ingemar Johanson won the world heavyweight title from Floyd Patterson.

He is charged with conspiring with persons of ill repute—mobsters and gamblers, with transferring two-thirds of his stock in the Rosensohn Enterprises without notifying the commission, and with putting 200 working press tickets on sale in violation of commission rules.
