

If you just want to heat spaghetti—don't read this. But if you feel it's not just how quick—but how good you can make it that counts—welcome. You see, you make the sauce for this spaghetti. (It takes 15 minutes—but no out-of-a-can spaghetti sauce compares for flavor!) You add tomato paste.  You add the good, fresh meat.  Kraft gives you  its own special Herb-Spice Mix, grated Parmesan cheese, and thin spaghetti. You end up with 4 delicious servings (with more than enough sauce!) and a family that's happy you cook for taste instead of time!
