

UO Webfoots Rated 10-Point Favorites

Eugene — UO — Oregon was rated a 10-point favorite over Oregon State today for their 63rd annual "Civil War" football battle here Saturday.

However, Oregon which still has a Rose Bowl chance, was anything but overconfident. Oregon State has shown the ability to rise to the occasion this fall, in nearly beating Washington and coming from behind to down California.

Coach Len Casanova said injured center Bob Peterson was still on the doubtful list with a leg injury suffered against California. But Joe Ciescieri, who filled in for Peterson against Washington State, played well enough to be picked as Oregon's college football player of the week.

Huskies Meet WSU
If Oregon wins over the Beavers and Washington State upsets Washington in Seattle, Oregon would be 9-1 for the season to 8-2 for the Huskies. Both of the teams have lost to former members of the PCC-Oregon by a 13-12 count to Washington and Washington to Southern California, 22-15.

But Oregon and Oregon State have a habit of paying little attention to Rose Bowl aspirations of the other. Two seasons ago when Oregon already had the Pasadena bid sewed up OSC knocked off the Webfoots here 10-7. Three seasons ago Oregon tied Rose Bowl-bound OSC 14-14.

Australia Nabs Lead In Tourney

Melbourne, Australia — UO — Four-time British open champion Peter Thomson's blazing three-under-par 67 rocketed favored Australia off to a galloping lead today in the International Golf and Canada Cup championship at the Royal Melbourne Golf Club.

Splitting the pins with phenomenal iron shots, handsome, curly-haired Thomson took a three shot advantage in the individual international event and pushed the Australian team seven shots ahead of Canada, South Africa, and Wales in the two-man Canada Cup Championships.

The United States team of Sam Snead and Cary Middlecoff, meanwhile, had driving woes over the 6,853-yard par 34-36-70 course swept by high winds and finished eight shots off the Australia pace. Snead finished with a three-over-par 36-37-73 and Middlecoff with a two-over-par 33-39-72.

Dazzling Comeback
Snead made a dazzling comeback as he finished with three threes, par, eagle and birdie, after two bogeys on the front side and two bogeys and a double bogey starting home.

His drives cost him those bogeys and the double bogey where he had to play one left handed shot out of the woods, but on the 575-yard 17th knocked a four wood second shot within 13 feet and holed out for an eagle and ran down an eight footer on the 418-yard 18th for a birdie.

Middlecoff went out in one under by virtue of a 15-foot birdie putt fifth but he bogeyed the 12th, 14th and 15th to go two over. On the 12th his drive caught the woods.

San Francisco Trims Spring Ball Schedule

San Francisco — UO — The San Francisco Giants trimmed their spring exhibition schedule from 40 to 26 games today as they announced plans for the 1960 season.

The regular spring practice sessions will open on Feb. 28 and the first exhibition game will be on Saturday, March 12, against the Cleveland Indians.

The National league pennant chase will get under way on April 12 this year — compared with the April 19 opening for the American league. "I liked the shortened schedule," Manager Bill Rigney of the Giants announced. "It will eliminate all those over-nights that took us into the midlands last year."

All the exhibition games this season will be played in California and Arizona.

The Giants scheduled four exhibition games with the world champion Los Angeles Dodgers and also added the St. Louis Cardinals to the slate for one tilt this season. The rest of the games, as usual, will be against the Indians, Boston Red Sox and Chicago Cubs.

Black Tornado Will Aim To Keep Speed of Saxon Football Crew In Check

Can the Medford Black Tornado once more keep the South Salem speed in check?

That was one of the big questions asked this week as the Medford high football team geared for its second clash this season with the Saxons of Oregon's capital city.

The two contingents vie at 8 p.m. Friday in McCulloch stadium in Salem. Medford won an early season kings-x battle 39 to 6. This time more will be at stake. The Tornado and Saxons match strength in Oregon Class A-1 grid playoff semi-finals. Winner will advance into the championship game next week against Jefferson or David Douglas.

Harp Speedster
Speed has been in recent years a South Salem football forte and it's been true again this season. Only Medford and Milwaukie have effectively contained the Saxons. The Salemites have scored at least three touchdowns in every other game and are undefeated since their Medford trip.

Heading the winged footed Salem runners is Ron Harp. The 175-pound fullback was 1958 state 100-yard dash champ and is capable of a .09.8. He's a power runner, too. Harp did not have a big night in the early Medford game, netting just 24 yards. And, he lost his No. 1 assignment for a time to Dale Meyers, a hard plunging back who did better against the Black Tornado. But, Harp reportedly has made a comeback and is running strong.

Harp's fellow speedsters are Kenny Sawyer, Kim Clark and Don Royce. Sawyer leads the club in touchdowns with nine, Harp has seven, Meyer six and Clark five.

Allen Barnes Leads SOC In Grid Rushing, Scoring

Ashland-Allen "the Horse" Barnes closed out the 1959 football season as the Southern Oregon college rushing leader with a total of 506 yards and a 56.2 yards per game average.

Barnes and star wingman Gordy Carrigan will be the top two nominees for offensive all-star honors in the Oregon Collegiate conference.

Carrigan caught 38 passes during the nine game season that carried for 589 yards to top all receivers in the OCC. Four times the aeriels Carrigan gathered in were long enough for touchdowns.

Idaho To Make Careful Study Of Loop Tieup

Moscow, Idaho — UO — The University of Idaho will make a careful study of the economics involved before committing itself to any new football conference, President D. R. Theophilus said.

Theophilus said "no definitive action" has been taken toward forming a new conference composed of schools from Idaho, Montana and the Dakotas.

Before Idaho decides, he said, the school will carefully appraise travel costs, gate receipts and climate. He said, "Idaho could hardly operate in a league involving schools where blizzards such as the one which hit the Pullman-Moscow area Sunday would necessitate cancelling football games."

27 Exhibitions To Be Played By LA Dodgers

Los Angeles — UO — The world's champion Los Angeles Dodgers intend to get plenty of practice in prior to opening the defense of their National league pennant, their spring training schedule indicated today.

Vice President and General Manager E. J. (Buzze) Bevens released a 27-game exhibition schedule which calls for the Dodgers to meet every major league club except the Boston Red Sox.

And for the first time since they moved west, the Dodgers will play a series of exhibitions in California prior to the opening of the season.

Folley Risks Second Ranking

Phoenix, Ariz. — UO — Zora Folley risks his rating as the second-ranking contender for the heavyweight title tonight against promising Alonzo Johnson of Pittsburgh.

The odds were 12-5 that Folley, of nearby Chandler, Ariz., would win. He weighed in at 197½, and Johnson at 189½ at Tuesday's official weigh-in, held a day early. It was the heaviest Johnson has ever weighed for a fight and Folley also was heavier than usual.

The fight, for the benefit of the cystic fibrosis charity, will be telecast nationally by ABC.

FOOTBALL DOUBLEHEADER

New York — UO — A New Year's Day football double-header featuring the Orange and Cotton bowls will be presented consecutively on the Columbia Broadcasting system television and radio networks. The Orange Bowl game from Miami, Fla., will be aired starting at 12:45 p.m. (est) followed immediately by the Cotton Bowl coverage from Dallas, Tex.

It is estimated that more than 35 per cent of all Americans either work on farms, in industries which process farm products, or furnishing goods and services to farmers.
