

Mrs. Winston Talks At Calif. Meeting

Ashland — Mrs. Mabel W. Winston, Southern Oregon college registrar and dean of women, presented two addresses during the recent Siskiyou County Conference of California Education clubs in Dunsuir.

After her address, "About Ourselves—Past, Present, and Future," at the luncheon meeting of the Delta Kappa Gamma, an educator's society active in the sponsoring of Future Teachers of America clubs, Mrs. Winston gave the concluding address of the conference, "The Way is Open and Goals are High."

She reported that a number of SOC students had taken an active part in student panels for college and high school students, listing: Dan Thompson, Klamath Falls; Marie Walters, Shady Cove; Robert Alley, Ashland; and Dave Dickerson, Ashland.

Camp Fire Girls

Take Hike
Idaka Camp Fire group of Jackson school recently went on a five mile hike in the Sams Valley area. The all-day hike was part of the requirement for the rank the girls are working on. Each girl planned and cooked her own meals and carried all her own equipment. It was dark before they returned, so they had an opportunity to use the flashlights that they always carry.

Girls making the trip were Joyce Funk, Pamela Hertager, Madeline Meadors, Karen Murray, Evelyn Potter, Peggy Singler and Cheryl Smith. They were accompanied by the guardian, Ann Younger, and Mrs. Rufus Younger. The sponsors, Mrs. Robert Funk, Mr. and Mrs. Earl Smith, and Rufus Younger provided transportation.

Hike Held
Wa-Ke-Ku-Way group of fifth and sixth grade Camp Fire Girls of Central Point school hiked to Tou Velle park on November 14th taking a trail lunch.

The girls that went on the hike were Rosie Conlon, Vicki Hull, Cherry Cavin, Judy Pershall, Terry Fletcher, Rosalene Smith, Kevin Rainy, Linda Dalbeck, Shannyn Falley, Lynn Davis, Terry Davis, Linda Dykes, Sharon Fletcher.

Assisting the girls were Mrs. Pershall and their guardian, Mrs. Charles Fletcher.
