Townsend Named To Legion Group

Keegan Townsend, 2912 Bucksford rd., Medford, recently was appointed a general member of the American Legion's national distinguished guests committee.

Townsend will hold the honorary position until the close of the 1960 fall meeting of the Legion's national executive committee.

Townsend's appointment was contained in a letter from the Legion's national commander, Martin B. McKneally.

Bids Called for Seed-Spotting

Portland — Portland area office of the bureau of land management has called for bids on seed-spotting forest tree seed on 436 acres of government-owned forest land in the Medford, Eugene and Roseburg districts, the department of the interior has announced.

The seeding project is part of the fiscal 1960 O and C reforestation program. Various types of seed will be used including Douglas fir and Ponderosa pine. The contractor will be required to furnish all labor, equipment, tools and supplies (except seed), specifications (except seed).

Detailed specifications may be obtained from the bureau of land management, Portland area office, 1001 N.E. Lloyd Blvd., P.O. box 3861, Portland 8, Ore., where the bids will be opened at 2 p.m. Dec. 10. Specifications may also be obtained by writing the district manager, BLM at Medford, Roseburg and Eugene.

Rogue River Bus Schedule Changes

Rogue River — The Rogue River school district has announced minor changes in its school bus schedule.

Students on Savage creek will now be picked up at 7:05 a.m., those on Highway 99, north, at 7 a.m. and those on Highway 99 south, at 7:30 a.m. The changes were necessary because only the sixth, seventh and eighth grades will be attending afternoon classes during construction of new rooms at the school and the existing bus schedule could not handle the student load.

Two-Car Accident Reported to Police

A two-car accident just north of Phoenix on Highway 99 was reported to the Oregon state police Friday night.

Robert Martin Konecny, 23, of San Francisco, driver of one of the cars, was told by state police he would be charged in district court with violation of basic rule.

The driver of the other car was Kenneth Joseph Callentine, 53, of 3628 South Pacific highway. No one was injured, according to police.

Rogue River Grades In New Building

Rogue River — Five classes of Rogue River Elementary school students moved into their new classrooms last Wednesday morning.

Members of the fourth, fifth and sixth grades had attended classes in the school gymnasium for the past few months.

Until other new rooms are completed, only sixth, seventh and eighth grade students will attend classes in the afternoon.

Burglary Reported In Central Point

Central Point — Burglars entered Faber's Super Market here sometime early Friday morning and took a few packages of cigarettes and candy, police reported yesterday.

The burglars, apparently juveniles, were believed to have entered the store Thursday afternoon and left through a store room, leaving the locks unlocked. They re-entered the building between midnight Thursday and 8 a.m. Friday, when the store opened, police said.
