

AFL Makes First Draft Selections

By ED SAINSBURY
United Press International
Minneapolis, Minn. — (UPI) — The American Football league headed into its first draft meeting today in a state of confusion.

League spokesmen spent much of their time Sunday denying reports that backers of the newly-formed AFL's Minneapolis-St. Paul franchise were pulling out.

Charles Johnson, executive sports editor of the Minneapolis Star and Tribune, said a local AFL franchise was withdrawing to accept a franchise for 1960 in the National Football league.

The report was denied by Lamar Hunt, holder of the American league's Dallas franchise and principal organizer of the AFL.

The league picked eight players as initial draft choices at a meeting Sunday night attended by representatives of the eight cities holding franchises — Boston, Buffalo, Dallas, Denver, Houston, Los Angeles, New York and Minneapolis.

Minneapolis selected Dale Hackbart, Wisconsin quarterback, as a draft choice.

The league Sunday decided to abandon its projected "territorial" draft for the time being. Hunt said the league hopes to begin the territorial draft in time for the 1961 campaign.

Other selections made Sunday night were:

Boston — Gerald Schwedes, Syracuse halfback.
Buffalo — Richie Lucas, Penn State quarterback.
Dallas — Don Meredith, Southern Methodist quarterback.
Denver — Rodger Le Clerc, Trinity College center.
Houston — Billy Cannon, Louisiana State university halfback.

Los Angeles — Monte Stickles, Notre Dame end.
New York — George Izo, Notre Dame halfback.

Boston — (UPI) — Funeral services will be held Wednesday for Dr. Sarah M. Jordan, 75, co-founder of the Lahey Clinic, who died Saturday night.

Chicago Bears	5	4	0
Green Bay	4	5	1
Detroit	2	6	1
Los Angeles	2	7	0

By MILTON RICHMAN
United Press International
Johnny Unitas and Charley Conner are pitching bullseyes again and their target appears to be a replay of the "dream game" between the Baltimore Colts and New York Giants for the National Football league title.

Both teams took a big step in that general direction Sunday and Unitas and Conner were the ones who led the way.

Unitas threw two touchdown passes and scored one himself in a 45-14 victory over San Francisco that boosted Baltimore into a first place tie with the Forty-Niners in the Western division. Faced with the prospect of losing all chance to retain the league title they won from the Giants last December, the Colts ran up their highest score of the season, causing San Francisco Coach Red Hickey to comment he felt "like a freight train just ran over me."

Conner had much the same effect on the Chicago Cardinals. Limping on a sprained ankle, the veteran 38-year-old Conner fired two touchdown passes and had a hand in a third as the Giants licked the Cards, 30-20, at Minneapolis and climbed one game in front of the Eastern Division race with a 7-2 record.

Pittsburgh upset Cleveland, 21-20, thereby knocking the Browns out of a first place tie in the Eastern Division. The Browns now have a 6-3 record, the same as the Philadelphia Eagles, who defeated the Los Angeles Rams, 23-20. The Chicago Bears kept their faint Western Division hopes alive with a 24-14 triumph over the Detroit Lions, and Green Bay snapped a five-game losing streak by wallowing Washington, 21-0.

Colt Coach Weeb Ewbank, happily declaring "we are now back in the fight," said his world champions "played their best game of the season" against the Forty-Niners.

Unitas was largely responsible. He provided Baltimore with a 7-0 lead in the second quarter when he capped an 80-yard drive by plunging over from the one yard line, then threw scoring passes to Ray Berry and Lennie Moore.

The two TD's increased his season total to 24 and ran his all-time league record of consecutive games in which he has thrown touchdown passes to 34. The Colts and Forty-Niners both sport 6-3 records and meet again in San Francisco, Dec. 5.

Conner, whose injured ankle kept him sidelined the past two weeks, tossed touchdown passes of 33 and 45 yards in the second period, he lateraled to Frank Gifford, who hit Alex Webster with a 37-yard scoring pass. The TD's were the first for the Giants in 10 periods.

Bobby Layne led Pittsburgh to its victory over favored Cleveland when he passed 17 yards to Vern Nagler with 41 seconds remaining and then calmly kicked his third extra point of the game. Layne's last-minute dramatics — he beat the Giants with only 89 seconds to go last week — took the play away from Cleveland's Milt Plum, who had tossed three TD passes to Ray Renfro. A missed conversion attempt by Lou Groza turned out to be the margin of Pittsburgh's victory.

Field Goals Win
Three field goals by Paige Cothren, his last with 16 seconds left, gave the Eagles their win over the Rams. Cothren was cut loose by the Rams and picked up as a free agent by the Eagles five weeks ago. He tied Sunday's game with an 18-yard field goal in the second period, put the Eagles in front with a 40-yarder in the same period, and won the game with a 14-yard placement after Lou Michaels had booted a 38-yarder to tie the score for the Rams.

The Bears capitalized on three Detroit fumbles to beat the Lions.

Fumbles by Terry Barr and Earl Morrall helped the Bears to their first two touchdowns, scored by Willie Galimore

Tittle May Miss Game On Sunday

Baltimore, Md. — (UPI) — Troubles piled up a bit more for the San Francisco Forty Niners today when they were informed that Y.A. Tittle, their No. 1 quarterback, probably will be unavailable for next Sunday's game against the Cleveland Browns.

It was a bad day all around for the Forty Niners Sunday. They were crushed, 45-14, by the Baltimore Colts who thus moved into a first place tie with them in the Western Division of the National Football league, and Tittle suffered torn muscle fibers in his right knee late in the final period.

"Tittle probably won't play next week," said Dr. Erwin Mayer, the Colts' team physician who examined him at Union Memorial hospital. "But it doesn't look like he will be out for the season. I know Tittle. He's an old friend."

No Bone Fracture
Dr. Mayer said that x-ray pictures showed negative and that there was no fracture. "There may be some ligament injury in addition to the muscle fibers, however," he added.

San Francisco coach Red Hickey was understandably dejected following Sunday's loss to the Colts, who ran up their highest score of the season.

"I feel like a freight train just ran over me," Hickey said. "The Colts were ready for us. They were up higher than a kite. When we came to Baltimore we were ready for a fight, but we did not expect to be treated like this."

There was one ray of sunshine for the Forty Niners and Hickey pointed it out. "We're still in the first place," he said.

Tied With The Colts
Johnny Unitas threw two touchdowns passes for Baltimore and extended his record of consecutive games in which he tossed at least one TD pass to 34.

Hugh McElhenny took a Tittle screen pass on his own 17 and set up San Francisco's first TD with a 72-yard run, while halfback Jerry Martinez scored the losers' final touchdown when he raced 27 yards with an intercepted pass in the third quarter.

COSTLY NOISE
Tokyo — (UPI) — The government has appropriated \$6,000 for 18 northern Japanese farmers who charged that noise from a nearby U.S. Air Force jet practice range "psychologically damaged" their cows.

and Rick Casares in the second period. Later in the same period, John Aveni kicked a 39-yard field goal to give Chicago a 17-0 lead after John Damore recovered another Lions fumble by Yale Lary.

Second-string quarter back Starr who started in place of injured Lamar McHan, guided the packers to all three of their touchdowns against the Redskins. Starr passed for two TD's in the second period and handed off for a third in the third quarter. The shutout marked the first scored by Green Bay since 1949.

6-Man Grid Toga Won By Sisters

United Press International
A pair of playoff veterans will be right in the middle of things against this year when the championship games start in the A-1 and A-2 prep football ranks.

Jefferson of Portland will be shooting for its third successive A-1 football championship Friday or Saturday in Portland Multnomah stadium. Supplying the opposition will be the same club that supplied it in last year's championship game — Medford's Black Tornado.

It'll be eastern against western Oregon in the A-2 title game. Vale, which seems to have a monopoly on the championship, will go gunning for its fifth state championship in the last six years against Seaside.

524 in 11 Games
In class B powerful Yoncalla will be after the title that eluded it last year. The Eagles this year in 11 games have scored 524 points.

St. Mary's of Medford (9-1) will supply the opposition this year in the B playoff game.

One state championship was captured over the week end as Sisters routed St. Paul, 32-22, to win the six-man title.

Jeff powered its way into the finals with a 33-0 win over Douglas. Friday night while at Salem Medford was romping over South Salem, 42-6, to advance to the finals.

STEAL CAMERA TRAP
St. Louis, Mo. — (UPI) — Burglars who broke into Mahon Motors Inc., took only one item — a camera hidden there by police to trap burglars.

Eagles Nip LA 23-20 In Pro Tiff

Philadelphia — (UPI) — The cellar-dwelling Los Angeles Rams round out their disastrous three-game road trip Sunday at Baltimore against the Colts who with the San Francisco Forty Niners are tied for first place in the National Football league's Western division.

The Rams, highly touted before the season, collected their fifth straight loss Sunday at the hands of the Philadelphia Eagles and two former Rams, Norm Van Brocklin and Paige Cothren.

Coach Sid Gilmore's chances of hanging onto his job appeared slimmer than ever after the thrilling 23-20 defeat before a crowd of 47,425 fans. It was the second largest crowd to turn out for the Eagles in the team's history.

Gillman had engineered Van Brocklin's trade and also had argued this season that he could not take a chance on Cothren who had a gimpy leg.

Cothren was picked up as a free agent five weeks ago by the Eagles and Sunday he booted three field goals, the last one just 16 seconds before the game's end to give the Eagles the winning margin.

Van Brocklin put the crimps on a determined Los Angeles drive in the fourth period when the visitors vaulted from a 10-20 trailing position to a 20-20 tie on a 26-yard scoring pass from quarterback Bill Wade to Jim Phillips and a 38-yard tying field goal by Lou Michaels with just five minutes left.

Van Brocklin completed three hefty passes good for 80 yards to move the ball from the Eagles' 11 during the last 90 seconds to the Rams' seven. Cothren was then called in and booted the winning field goal.

Van Brocklin threw 38 passes and completed 19 of them, good for 278 yards compared with 9 completed out of 23 tries by his former understudy Wade. The Los Angeles quarterback managed to gain only 90 of the total 133 yards gained in the air by the visitors. Frank Ryan threw seven and completed three for the rest of the Ram aerial yardage.

Jon Arnett gave a thrilling 80-yard runback after being handed the ball by Wade in the first period. His touchdown seemed like points enough to give the win-hungry Rams their first victory in five weeks.

But Philadelphia marched 84 yards in 11 plays with Clarence Peake going wide from the three for the tying touchdown. The Eagles moved ahead before the half ended on a 40-yard field goal by Cothren.

Van Brocklin hit Tommy McDonald with a 25-yard pass in the third period, but McDonald fumbled at the goal line and the ball bounced free in the end zone. Eagle Gerry Hueth recovered for the final Eagle TD.

Careless Eating May Be Cause of Ulcers, Team Says

York, England — (Science Service) — Careless eating habits or taking too much sugar are more likely to be the main causes of ulcers than strain, stress or excessive responsibility. This was reported by a "private enterprise" research team, the York Peptic Ulcer Research Trust.

Led by Dr. Charles Pulvertaft, radiologist to New York City and county hospitals, the research team made a survey of more than 2,600 ulcer sufferers. Of this number, 1,400 had already been operated on for ulcers, and the remainder were known to suffer from them.

All the people investigated live in and around York, the small city of Roman origin in the north of England. This gave the team the opportunity to investigate patients who live in urban and rural areas.

Fewer Ulcers
The researchers found, in general, that there were fewer ulcers among top-ranking business men than among lower paid people doing routine and often unimportant jobs.

"The idea of the 'executive ulcer' as the exclusive property of the big business man keeping his nose too hard to the grindstone is out," Dr. Pulvertaft said.

His researchers found that shift-workers are particularly ulcer-prone. Worst of all, it seems, are people who, due to their work, go without food for more than five hours in the afternoon. Or just eat sandwiches. And they found too that ulcers are "not uncommon among children."

Summing up, Dr. Pulvertaft said that he was not convinced "on the evidence available that stress is the dominant factor in producing ulcers."

May Find Key
The researchers think they may have found the key to the secret of ulcers in the diets of city dwellers as distinct from country people. There are more ulcers in towns.

Previous researchers have thought this was due to the greater stress of city life. But Dr. Pulvertaft's team has found that city people eat more sugar than country folk. Investigations are now being made into the effect of the "sugar factor" on the body.

The York team thinks that their research reverses the usual cigarette smoking-ulcer theory. Smoking is usually indicated as the cause of ulcers. Dr. Pulvertaft's researchers think it much more likely that it is having ulcers that makes people smoke heavily.

The research has been conducted as a private investigation by a trust sponsored by a group of Yorkshire family doctors and local health authorities without financial support from the Medical Research Council or Britain's Welfare State National Health Service.

Boy, 13, Confesses Killing Youngster

Olathe, Kan. — (UPI) — George Martens, 13, told police Sunday night how he lured an 8-year-old school boy into the woods and then stabbed him repeatedly because the boy had struck his bicycle.

The body of Steven Moscoe was found in a hedgerow Sunday about three quarters of a mile from his home. He had been beaten, stomped and stabbed about 50 times with a pocketknife.

Martens confessed after lengthy questioning by authorities. "I was mad at him for striking my bicycle," Martens told detectives.

Schrunk Convinced On Trade Relations

Portland — (UPI) — Mayor Terry Schrunk returned from a visit to Japan Saturday and said the fact that the next American-Japanese Conference of Mayors and Chamber of Commerce Presidents will be held here should prove "we are big league."

Schrunk said he was convinced that trade and cultural relations are essential to both countries.

This year's conference was held in Osaka. The next one will be here in 1961.
