

Sweet welcome... cookies on the door! Wrap Christmas goodies in cellophane and hang them from your evergreen wreath. Tie scissors to the wreath for snipping off a cookie.

The Twelve Days of Christmas were set aside by Alfred the Great of Britain.

Did you know that the Druids believed that evergreen trees meant eternal life, and this is where the custom of using evergreen swags, wall mantel and doorway decoration comes from!

At least 1,200 pupils and 40 teachers are needed to support the services a modern school should provide, says the National Education Association.

Something New Noted In Lingerie Presents

Mention lovely, lacy lingerie to any girl (no matter what her age) and watch her eyes light up! That's why when it comes to special gift times, lingerie is the perfect gift for her!

Everywhere on the lingerie scene, there's something new, something bright, something lovely!

Just for example - take a long look at the delightful, "long" panties with their tiers of "can-can" ruffles at the knee... so delightful in their old-fashioned "pantaloon" inspired charm. For the modern miss, they come in nylon tricot and gay colors; many have camisole tops.

Waltz-length Gowns
New too, are jumper topped waltz-length gowns or pedalpusher length p.j.'s... she'll hop out of bed in the "sleep unit" toss the jumper on, and lo - she's ready for callers! (Best of all, they double for daytime wear with blouse beneath).

The woman at ease will love the sportswear-inspired lounging pajamas with their mid-calf or longer, lean pants and easy tops! Just name the color, fabric and style-there's

such a wide, wide variety of these!

For the "snug as a bug in a rug" feeling, easy going, balbriggan, cuddly challis and gay flannelettes are ideal chill chasers in sleepwear.

There's a glamour note to the Orient-inspired collection of robes, pajamas and ensembles. The elegance of kimono detailing and mandarin collars are interpreted smartly in fine nylons, silks and smooth rich cottons. They are often printed in vibrant colors, trimmed with embroidery or braid.

Stylish Raincoats Suggested for Men

Show you do care about whether or not he stays warm and dry this winter... give your favorite man one of the season's handsome new raincoats.

Many of the styles feature pile linings and collars... more on the line of storm coats. There are both the fingertip and full-length models. There is even a rather large choice of colors... green, black, blue, tan, brown.

Best of all, these raincoats make good-looking overcoats as well.

FOR SOPHISTICATED TEENS-a car coat with a "Polar Bear Look" in sumptuous Eastman Verel pile fabric. Marvelously soft yet durable enough to breeze through a downpour. Loads of colors. By White Stag.

WASHABLE ROBE-Your favorite man deserves to relax in a good-looking robe such as the one shown here. It's in Chromspun acetate that takes countless washings perfectly. -By Dunbar

SHEER CHRISTMAS BEAUTY-A boxful of exquisite seamless stockings in a seductive barely black shade! Packaged in a gay Christmas tree decorated box, ready to present. -By Hanes

SILK SCARF-A work of art, taking its cue from "avant garde" creations, is this sophisticated subtle print square silk scarf. It's a gift any smart woman will cherish and show off! -By Gentex

For Christmas gifting, gown selections are most diversified - they range from dainty, baby-doll shorties to more conservative waltz-lengths and to the floor-length styles.

Make your gift more lavish, ensemble the gown with a matching peignoir... cape-like collars, lace by the yard,

Gelatin Salad Recipe Suggested

Delicious, festive and easy-to-make is a gelatin salad in the form of a wreath.

Pour 3 packages of lime-flavored gelatin powder into a large bowl. Add 3 cups boiling water, stirring until gelatin is dissolved. Add 2 1/2 cups cold water and 1/2 cup sherry wine. Arrange 12 maraschino cherries and 24 blanched almonds in wreath design in the bottom of a 2 quart ring mold. Very carefully spoon about 3 tablespoons gelatin into the mold. Chill until set. Pour in the remaining gelatin. Chill until firm.

Unmold onto a dish. Place a bowl of sour cream mayonnaise in the center of the ring. Makes 8-10 servings.

Small Outboard Motor Suggested

The smallest outboard motor in or near its power class is the new 7.5-horsepower Scott engine made by the Marine Products Division of McCulloch Corp. It is only 30 inches high and weighs just 34 pounds; is 27 pounds lighter than previous motors of this size.

Other features of this motor that will appeal to fishermen are a lower powerhead to keep it out of the way of fishing lines, and a new and different lower unit and propeller that enable it to push through grassy obstacles without becoming snarled.

This new motor was designed from scratch to specifications set up by a survey of 2,000 of the nation's top outdoor and angling experts.

appliques and embroidery help make the new season crop of ensembles quite exciting.

No matter what style you favor, there's a riot of color, trim, fine silks and nylons awaiting your final choice.

In Intimate Apparel
The return of the natural waistline heralds a revival of elegant underpinnings - fine nylon tricot, nylon crepes, silks, etc., are used to underscore elegantly detailed slips and half slips.

Applique trims, fine laces, medallion inserts, the daintiest of pleated detail, trapunto trims and scalloping - are but a few of the many accents that make lingerie so lovely, so much wanted at Christmas time.

Shirtwaist dresses, full skirt handlings and a return to more flared skirts make the bouffant petticoat a welcome addition to any wardrobe.

Ruffles, tiers of skirts, lots

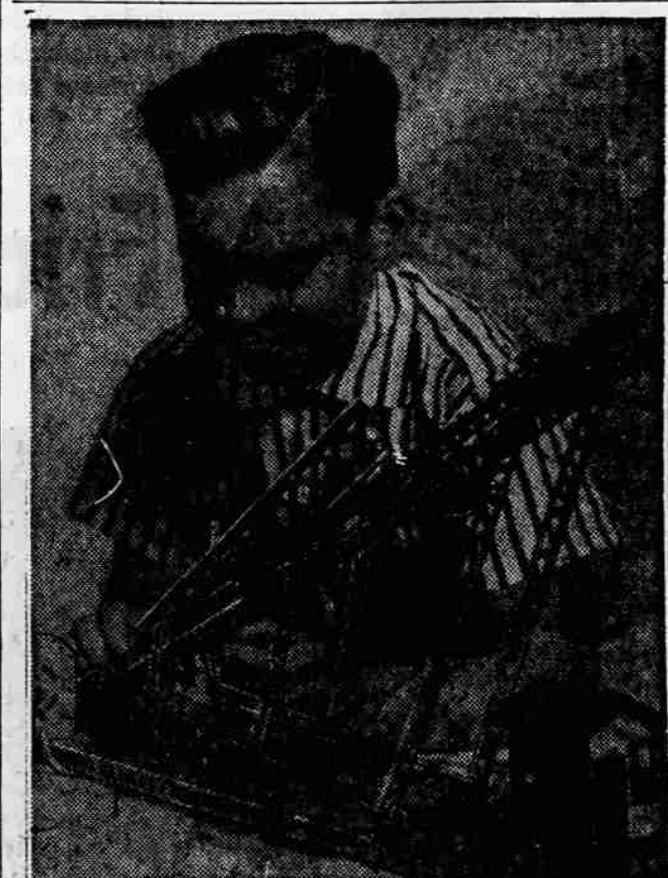

Make your centerpiece the center of attention by creating it from small, wrapped packages that are actually gifts for your dinner guests. Run streamer ribbons from the packages to the plates so each person finds his gift easily.

BRILLIANT COMBINATION
-The dazzling bracelet and earrings combine to set off fashions as luxurious as fur. Set against the gold of the bracelet are oversized blossoms, rhinestone-frosted, set with cut rubies. Matching blossom earring. -By Vendome

Eighty-seven new hotels were built in the United States in 1958. They contained 30,015 guest rooms and cost more than \$701 million.

of pleats, ribbons, lace - all distinguish the underskirts of the season.

FUTURE ENGINEER-With his "Erector" set he's built a rocket launcher that actually fires. It comes with an electric motor that will power his other construction projects.
