

A JEWELL OF A GIFT—Give her a watch or ring this Christmas... a neat automatic, a trim gold for every day use, a beautiful diamond studded watch band, a smart gold watch with gold circlets on either side, a charming rickshaw lapel pin with watch behind wheel or the favorite pearl ring with new setting of marquise cut peridots and a diamond. Several Gifts Ideal For Owner of a Car

Almost anyone who owns a car offers the gift-hunter a wide range for gifting.

From four new tires to a radio to a steering wheel cover... that is the budget-range of motoring gifts. Or, for the family, the keys to a brand new car!

There are gifts to make the car safer, more attractive, to help it ride better, and to make driving more fun.

You might consider new seat covers or a gift certificate for a wax job.

Parts, tools, cash for having a tune-up job, tires, even driving cushions help toward making the car run and ride better.

'Fun' Class

In the "fun" class you can find gift items a-plenty. A compass, radio, garment holder, sun-visor kit and knick knacks are just a few of the many you might choose.

One way to give cash without actually giving it, would be to pay for car insurance for a year. The recipient of this thoughtful gift then has that money free to use as he wants. It's a marvelous gift for parents to give children or vice versa.

Within the family, a gift of a new car or a good used car to the wife and children is a gift they will appreciate 365 days of the year.

Look to the auto field for your Christmas gifts... you'll be pleasantly surprised.

EXTRA FUN—Group sings take on new life and extra fun when someone strums the guitar. It's easy for beginners to master... makes a grand gift for young and old alike.

A pre-fabricated, dome-shaped building for use as a vacation cabin or a garage is made of 38 plywood triangles. It has no frame and can be erected by three men in six hours.

This Christmas give something for the home... from Lippert's.
