Trojans, Bruins Score Victories on Maplecourt

United Press International Southern California and UCLA will have the welcome mat out again this week end for junketing teams with every intention of adroitly snapping it out from under them again.

Both mighty Kentucky and highly-regarded Santa Clara landed on the backs of their laps last Saturday while playing the Trojans and Bruins, respectively.

USC pulled a shocker by defeating the Wildcats, 87-83, and UCLA followed up with a 75-73 win in a twin bill at the Memorial Sports Arena. The victims had won their first two games of the season.

The Bruins came out of the week end scramble looking tougher than expected. They opened the season with a two-point win over USC, lost to Kentucky on Friday by the same margin then felled Santa Clara in overtime.

It will be Brigham Young against UCLA and Oklahoma State against Southern California this Friday, then the visitors will change partners the following night.

Huskies Split With BYU
In other leading Saturday action, Washington defeated Brigham Young, 60-52, Denver bounced San Jose State 64-47, Utah smothered Los

Angeles State 104-80, New Mexico State trimmed USF 72-63, St. Mary's clipped Stanford at the buzzer, 53-51, and Oregon State bowed to a Navy team in Hawaii, 69-55, while Oregon overcame Fresno State 69-60.

Johnny Werhas sank 19 points for USC and the Trojans also got a break when Kentucky's star tandem of Bill Lickert and Benny Coffman fouled out. While he was around, Lickert was held to three points. Kentucky knotted the score at 49-49 in the second half but then the Trojans moved away with a five point burst.

The UCLA-Santa Clara game was tied seven times, and they went into overtime with the board reading 63-63. Then the Bruins exploded for 11 points and had a 67-63 lead going when the Broncos melted UCLA's freezing tactics three times to come within two points as time ran out.

The Huskies' victory over Brigham Young earned them a split in the week end series. A push shot from close up by Clint Names cinched things for them.

Crater High Dumps Roseburg's Indians To Square Series

Central Point—Hustle, aggressiveness and strong defense paid off here Saturday night in Crater High school's first basketball victory of the new season.

The Comets whipped Roseburg 45 to 34 to earn a week end series split with the Indians. Roseburg won Friday 60 to 57.

Neither team hit well from the field Saturday but Crater had some edge in that department, took advantage of more opportunities at the gift throw line and kept the Indians off balance with its defense.

The Comets took the lead for good at 11 to 9 on a pair of free shots by Chuck Turner two minutes into the second quarter. They led at each period pause 9 to 7, 23 to 15 and 34 to 25. Their widest margin was 13 points at 45 to 32.

Roseburg threatened to stage a fourth quarter rally, such as had pulled the game out of the fire for the Indians on Friday. But, the Comets re-established command and widened their difference with free tosses.

Crater got only one field goal in the final panel. The push from the corner by Dave Sharp made at 36 to 25. Two jumpers by Jim Jarvis for the Indians cut it to 36 to 29. However, Chuck Turner and Sharp brought it to 40 to 29 with a pair of gifts. Mike Brundage put in a rebound for Roseburg but Sharp collected a pair of free points and Higginbotham one for 43 to 31.

Two free shots by Turner

for the Comets and three by Bill Mundt for the Indians finished out the scoring.

Turner with his all-around play, Sharp with his fine floor game and scoring, Cooper with his defensive work and rebounding, Denny Edwards with his backboard work and Higginbotham with his floor play and point production, combined for Coach Lloyd Hoffine's Comets.

Jarvis spurred the Indians with seven field buckets and six free shots for 20 points, individual high in the fracas, and Mundt topped his team's rebounding with seven "boards."

Sharp put in 15 points, nine on free shots, Turner 13, seven on gifts, and Higginbotham 11 for Crater. Turner picked off 14 rebounds and Cooper and Edwards each eight.

Jarvis was the only Roseburg player with more than one field goal. Crater had the edge from the field 13 to 11 with a .282 to .250 accuracy average. The Comets put through 19 free shots to 12 for Roseburg. In rebounding the Central Point team headed 39 to 27.

After the Comets gained an advantage of 17 to 11 with three minutes left in the first half, Coach Curt Jarvis' Roseburg team could not get closer than four points. The Indians reduced their deficit to this amount four times, the last at 28 to 24 with 2 minutes to go in the third stanza.

In the junior varsity scrape, Roseburg was on top 39 to 38 after a second and sudden death overtime. That was the score on the electric board and that was the one officially signed. However, a subsequent check of Crater's official book showed a tie score of 39 to 39. The Indian's scorebook totaled 40 points for Crater.

Jim Allen had a field bucket for Crater and Rutter and Gordon Joelson had free tosses for Roseburg in the first overtime which ended 37 to 37, since the scorebook had listed 33-all after regular time.

Allen got a gift for Crater in the second overtime and Joelson a pair. That concluded it since Roseburg was the first team to make two points in sudden death play.

The Comet jayvees trailed by about five points in the third quarter but came up to lead by 29 to 25 in the fourth. Roseburg came up to go ahead by one on the board and the front spot switched hands a couple of times.

Free tallies by Al Minnick with 14 seconds left in regular time brought a 35 each listing.

Finsterwald, who was tied for the lead with Arnold Palmer after Saturday's third round on the 6,173-yard Billmore Golf Club course, shot a final 34-35-69 to finish second with a 276 total.

Palmer soared to a fourth-round 34-38-72 that put him in a three-man tie for third place at 279 with Johnny Pott of Shreveport, La., and Julius Boros Mid Pines, N.C.

Sanders Victor At Coral Gables

Coral Gables, Fla.—UPI—The year 1959 began with aches and pains for young Doug Sanders, but he'll start the 1960 pro golf fresh from an impressive tournament victory and with the assurance that he's in the best of shape.

The 26-year-old Sanders, a runnerup in this year's PGA championship, won the second major tournament of his pro career Sunday when he shot a six-under-par 65 to grab the \$2,800 first prize in the Coral Gables Open.

He sank a 20-foot putt for an eagle on the first hole, added four birdies and did not stray over par once in a 30-35 final round that earned him the victory by three strokes over Dow Finsterwald of Tequesta, Fla. Sanders' 72-hole total was 272 strokes.

Finsterwald, who was tied for the lead with Arnold Palmer after Saturday's third round on the 6,173-yard Billmore Golf Club course, shot a final 34-35-69 to finish second with a 276 total.

United Press International Try as they can, the Boston Celtics just can't shake off those pesky Philadelphia Warriors.

The Celtics ripped off their fifth straight victory Sunday in the National Basketball association, beating the Minneapolis Lakers, 121-104.

The Warriors, meanwhile, kept on Boston's tail by beating the Detroit Pistons, 118-116, for their third victory in the last four games.

As a result, the Celtics, who started the season as though they didn't plan to lose a game, hold only a 2½ game lead over the Warriors in the circuit's Eastern division race.

This time, though, the Warriors were hard pressed to beat the Pistons because Wilt Chamberlain, their hottest scorer, had to sit out the game with a bruised bone in his left foot. Chamberlain suffered the injury against the St. Louis Hawks Saturday night.

Paul Arizin wound up leading the Warriors in Chamberlain's absence with a fine 33-point effort.

Glenn Moore Spurs Ducks Second Night

Eugene—UPI—It looks as if Oregon has found the long awaited "big man" it has needed.

The Ducks swept a pair of games from Fresno State over the weekend. Instrumental in both wins was 6-7 Glenn Moore, a sophomore from Klamath Falls.

Moore totaled 50 points in both games, hitting 28 in Friday night's 62-48 win and had 22 in Saturday's 68-60 victory.

Oregon had a little rougher time in the Saturday win, coming from behind in both halves.

Rask Holds Williams

Moore picked up his fourth personal foul early in the second half and was taken out by Coach Steve Belko. With Moore out, Fresno went to work and took a 45-42 lead. At this point Belko sent his big man back in and two minutes later Moore broke a 48-48 tie with a hook and Fresno never again went ahead.

Chuck Rask, senior guard from Portland's Jefferson high school, hit 18 points and did a good defensive job on Fresno's all-American candidate, Babe Williams. Rask limited Williams to nine point-seven of them in the second half.
