One of the boys in Mrs. Ida McArthur's fourth grade class received a football letter. The class is studying about the hot, wet lands in geography. We pretended we took an airplane trip from Medford to Belem, Brazil. We are also studying about friction in science.

Mrs. Pearl Farnsworth's fourth grade class is making paper mache globes. We will mark and color the globes as we study the different countries around the world.

Three of the boys in the class performed an experiment in science which proved that water being pushed backwards causes a boat to go forward.

In physical education the last six weeks we have done tumbling. Some students became real good in tumbling.
