

**District 6C to Study Building Needs for Future**

Central Point—Board of directors of School District 6C focused attention at a meeting last week on the constant population growth in the district.

They are at present studying the building needs of the district and are trying to determine which areas need additional rooms the most. Superintendent C. A. Meyer reported that the board also is trying to figure how the district can realize the most out of its dollar.

He said that James Payne, Salem architect, has been retained to help in the study and development of plans and that Payne's Medford associate, Wayne Struble, is working with the board.

**Elementary Need**

Meyer said that the need seems to be most at the elementary level but that a complete study of all aspects will be made.

W. C. Higinbotham, Central Point, and Donald Morrow, Gold Hill, have been named to three year terms on the district budget committee. Dr. Bruce Turner, Central Point, has been chosen to fill out the term of A. M. Setness, who has moved to Anderson, Calif. Lester James, Sams Valley,

**CAMP WHITE'S BARBER SHOP QUARTET** - Jack Shipman, (left) tenor, Steve O'Donnell, (seated) baritone, Pat Powers, lead, and Earl Girvin, humming base, who get together in the halls frequently to sing their numbers, injected a little holiday atmosphere in the canteen barber shop, serenading the new barber team - "Benny" Flores and Harold Maxwell (center). and Halbert Deuel, Gold Hill, are other members of the committee which will start meeting with the board late in January or early in February to work out a budget for the 1960-1961 fiscal year.

**Businesses Are Presented Awards**

Seventeen business firms have received special recognition from the Jackson County Chamber of Commerce through the presentation of official Progress Awards certificates, according to Don McNeil, chamber manager.

The certificate was designed by the chamber to recognize new business firms as well as business and industrial expansion which is representative of faith in the future growth for Jackson county. A special committee has been set up by the chamber board of directors to recommend awards presentations. The committee consists of Clarence Young, chairman; Ron Gandee and Ken Cook.

The 17 firms that have received the awards during the past month include Big Pines Lumber company, Cedar Lodge, DeNa Beauty Salon, Gallenkamp Shoe company, Hubbard-Wray, La Pointe's, Local Loan company, Lumbermans Realty, North's Chuck Wagon, Pay Less Drug Store, Roxy Ann Bowling Lanes, the new Safeway store, Sears Roebuck and company, Shopping Center Barber Shop, Snow White Diaper Service, Thrift Auto Supply, and Travis and Harry's Coffee Shop.

Additional awards have received board approval and will be presented either by officers of the chamber of commerce or the awards committee.

**Local Children Win In Magazine Contest**

Two local children were among the 50 winners in last month's "What Animal Is It?" coloring contest, sponsored by Family Weekly magazine. Nancy Miller, 11, of 2445 Highland ave., Ashland, and Bruce Farthing, 8, of 1505 Terrace dr., Medford, were honorable mention winners in the October gopher coloring

contest in the magazine. The two were the only winners from Oregon it was announced by the nation-wide magazine which features a different contest every month.

**County Vets Pay \$198 Property Tax**

A Jackson county ex-GI with an Oregon veterans farm and home loan paid an average property tax of \$198 this year, compared to a statewide average of \$194. There were 693 GI properties in Jackson county paying a total tax of \$137,185. Total payments on 14,915 properties in Oregon was \$3,026,343. The figures were released by Roy V. Bell, auditor for the state department of veterans' affairs. The average paid per property is up this year compared to former years, he said. In 1958 veterans paid \$168, and in 1957, \$145. The borrower pays his taxes monthly to the state veterans department along with his loan repayments. The department in turn pays the tax collector, before Nov. 15, which earns the veteran a 5 per cent discount, he explained.
