

SOMEBODY CARED - At an orphanage in Korea, children utter prayers of thanks for food sent by Americans through CARE. Goal of the holiday-season CARE Food Crusade is to send 4 million packages of U.S. farm foods and other staples, at \$1 per package, to orphans, refugees and other needy people in 15 countries. Contributions may be sent to CARE Food Crusade, Seattle 11, Wash.

Walking Tips Are Given by Police

Because of the increased number of pedestrians in the downtown area this season, Chief of Police Charles P. Champlin advised walkers to adopt good walking habits and thereby avoid possible accidents. Shoppers who try to cross streets buried under a load of packages or step from curbs without checking for traffic,

may be walking themselves into a hospital for Christmas, Champlin warned. He has given the following tips for good-walking: Obey traffic signals and signs, cross at intersections only, look left and right for traffic while crossing, and watch for turning cars before crossing. Never walk into the street from between parked cars, and on busy streets, enter and leave cars only on the curb-side. If it is necessary to walk on the road, walk on the left side facing traffic, he advised. Stand on the sidewalk, not the street, while waiting for the opportunity to cross a street, he said.

Altitude Major Concern During Speed Flight

Washington (UP) - A boyish looking Air Force pilot told Wednesday how it feels to fly a plane faster than any other living human. Your big worry is altitude, not speed, when you flash across a California desert at 1,520.9 miles an hour to set a new world record.

Jupiter, Snark Missiles Fired

Cape Canaveral, Fla. (UP) - An Army Jupiter and an Air Force Snark were successfully fired Wednesday night at the Missile Test Center here. It gave scientists a two out of three batting average for a 24-hour period ending last night. The 60-foot Jupiter soared 1,500 miles southeast over the Atlantic ocean in what was described as another "demonstration of its dependability."

The Snark, a sleek, winged missile, traveled several hundred miles across the ocean and then returned to the cape to land with little damage. A Polaris missile, which will be loaded aboard nuclear submarines when it becomes operational sometime late in 1960, suffered trouble in its second stage, after a perfect launch Tuesday night. Apparently the second stage cut off too quickly, authorities said.

Others honored at the special ceremony were: Capt. Joe B. Jordan, Huntsville, Tex., for an altitude record of 103,395 feet set Monday; Brig. Gen. Joseph H. Moore, Spartanburg, S.C., for a closed circular course record of 1,216.48 miles per hour set Dec. 11; and Capt. Walter J. Hodgson, Kalispell, Mont. and Maj. William J. Davis, Houston, Tex., for a two-man helicopter altitude record of 30,100 feet, set Dec. 9.

Horse races were held at Epsom Downs in England as early as 1730, or 50 years before the first Derby was run. Cancer kills about 4,000 children under 15 years of age in the United States each year.

Drink-Crazed Indian on Spree

Kaibito, Ariz. (UP) - A Navajo Indian taking part in an all-night songfest rode his horse into a group of revelers and shot and killed three Indian women and critically wounded a fourth, authorities said today. Sam Johnson, 42, was intoxicated on wine and bleaching fluid when he began indiscriminately firing his .22-caliber rifle while riding his horse near this village on the Navajo Indian reservation, according to Navajo police and FBI agents. Johnson surrendered shortly after the Tuesday night shooting and was taken from the reservation in northeastern Arizona to Prescott in central Arizona where he was arraigned on three counts of suspicion of murder. The woman wounded was Lucy Sage who was flown to Albuquerque, N.M., for treatment. Those killed were identified as Helen Young, 60, Rose Henry, 22, and Grace Long, 22.

Sisters Together After 50 Years

Portland (UP) - Three sisters met here Wednesday to spend their first Christmas together in 50 years. The youngest, Mrs. Lorene Stevens, 80, arrived at Portland International Airport from Kansas City, Mo., to visit her sister, Mrs. Cora Hall, 82. The other sister, Mrs. Kate Rais, 88, Billings, Mont., arrived earlier. Their last Christmas together was in 1909 in Moberly, Mo. Their grandfather, the Rev. J. B. Lichtenhauer, was an Oregon pioneer who settled here in 1851.
