Penn State Tops Alabama by 7-0 In Liberty Bowl

Philadelphia — (UP) — Galen Hall, sophomore understudy for All-America quarterback Richie Lucas, cooked up a dramatic 18-yard scoring play in the final seconds of the first half Saturday and the touchdown gave Penn State a 7-0 victory over Alabama in the inaugural Liberty bowl game.

Hall, a 19-year-old from Williamsburg, Pa., tossed a screen pass from a field goal place-kick formation to sophomore speedster Roger Kochman as the clock reached the runout point. The sprint star raced over with the only touchdown before a crowd of 36,211.

"It was our secret weapon," Penn State coach Rip Engle explained in the dressing room. "We put it in our attack only last Thursday. We used it last year but never before this season."

It was a beautifully conceived play, coming after Alabama's spirited defense had held Penn State on the one-yard line and again on the nine as the first half rolled to its close. Lucas was on the bench with a left hip injury suffered minutes earlier.

Penn State had tried a field goal from the 12 and Alabama dug in on the five after the Pennsylvanians gained another first down on the nine. But Billy Richardson had blasted through to block Sam Stellatella's field goal effort and the Tide had fought off another threat.

On Attack Again
Then, a punt went only four yards and Penn State was on the attack again on the 22 with scarcely less than a minute left in the half. Hall tossed a four-yard pass to Pat Botula and the race against time continued.

The Nittany Lions lined up ostensibly for another Stellatella field goal try, which seemed the likely play. But this time, Hall had other plans. He took the ball, wheeled and tossed a short pass to Kochman, who had six blockers in front of him to clear the way.

The blockers set up the opening. Kochman, who scored two touchdowns against Syracuse, found it and whizzed into the end zone. Stellatella converted and Penn State had the game's only touchdown. It was only the second aerial touchdown scored against Alabama in 1959.

Hall, who led Penn State to victory over West Virginia when Lucas was injured, thus did it again today in the East's first major, N.C.A.A.-blessed bowl game, played in a crisp, 42-degree temperature in Philadelphia stadium.

Before departing, Lucas gained 54 yards in nine carries and completed one pass for 23 yards in four attempts. He was the game's leading ground gainer.

The touchdown pass was the payoff of a fumble-marked game in which each side lost the ball four times on bobbles.

Penn. State dominated the offense, rolling up 278 yards by rushing to 104 for Alabama. But each time—with the exception of Hall's aerial gamble—Alabama was stout-hearted enough to fight off the Pennsylvanians when they threatened.

Have Test Early
The Southerners had their goal line test early. They recovered a Penn State fumble early in the first period, lost it back on a fumble and then set the Nittany Lions back to their three on a booming, 60-yard quick-kick by Gary O'Steen. Penn State then marched 89 yards before they lost the ball on a fumble by Kochman on the Tide eight.

Another O'Steen quick-kick, this one for 64 yards, rocked the Lions back to the 17. The attack was stalled by a penalty. Then a punt to the Alabama 30 and a clipping penalty to the 15 set up the sequence, which eventually led to the touchdown.

A Pat Trammell fumble was recovered by Penn State center Jay Huffman—voted the game's outstanding player—on the Tide 28. Penn State rolled to the one where a fourth-down pass failed, and Alabama took over.

Then adversity in punting against a 20-mile an hour wind hit Alabama. Tommy White got off a 15-yarder to the Crimson Tide 19. Penn State got a first down on the nine, was stopped on the five and Stellatella's field goal try from the 12 was blocked by Billy Richardson.

White's next punt traveled only four yards to the Alabama 22. Then Hall passed to Botula for four and followed with his scoring play.

Wilf Greaves Defeats Moyer

New York — (UP) — Middleweight Wilf Greaves, a Canadian fighting out of Detroit, spoiled young Phil Moyer's Madison Square Garden debut Friday night by hammering out a unanimous 10-round decision over the boxer from Portland in their semi-final bout.

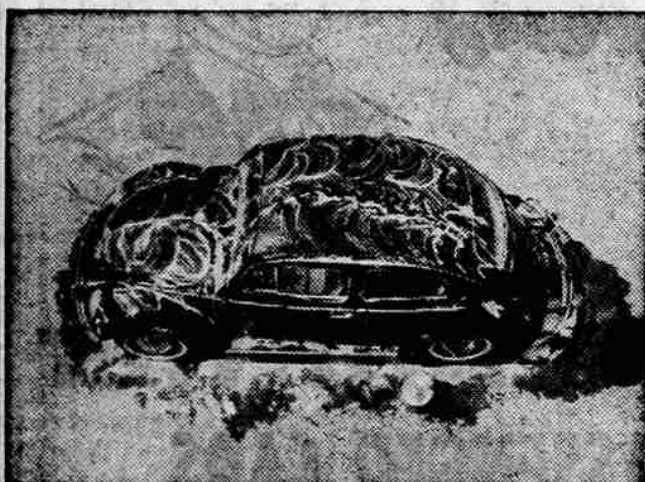

Greaves weighed 160½. Moyer 156¼.

Greaves forced the action in every round, but Moyer, dancing backward and from side to side was the more accurate puncher with his countering left jabs and straight rights.

There was no knockdowns, but Moyer sank to one knee in the 10th when struck with a left-right to the body. Referee Al Lind ruled it a slip and there was no count.

MARTIN SIGNS

Cincinnati — (UP) — Second baseman Billy Martin, recently dealt off by the Cleveland Indians, flew here Friday and signed a contract with the Cincinnati Reds. Neither the baseball club nor Martin revealed the terms.

The only water a Volkswagen needs is the water you wash it with.

Conventional cars are cooled by water. The Volkswagen engine is cooled by air. Since air neither boils nor freezes, your Volkswagen cannot boil over in summer or freeze in winter. You need no anti-freeze. You have no radiator problems. In fact, you have no radiator. In midsummer traffic jams, your VW can idle indefinitely, while other cars and tempers boil.

Volkswagen's engine-in-the-rear means better traction in mud, sand, ice and snow. It weighs only 198 pounds and is extremely efficient: your VW delivers an honest 32 miles to the gallon, regular driving, regular gas. You will probably never need oil between changes.

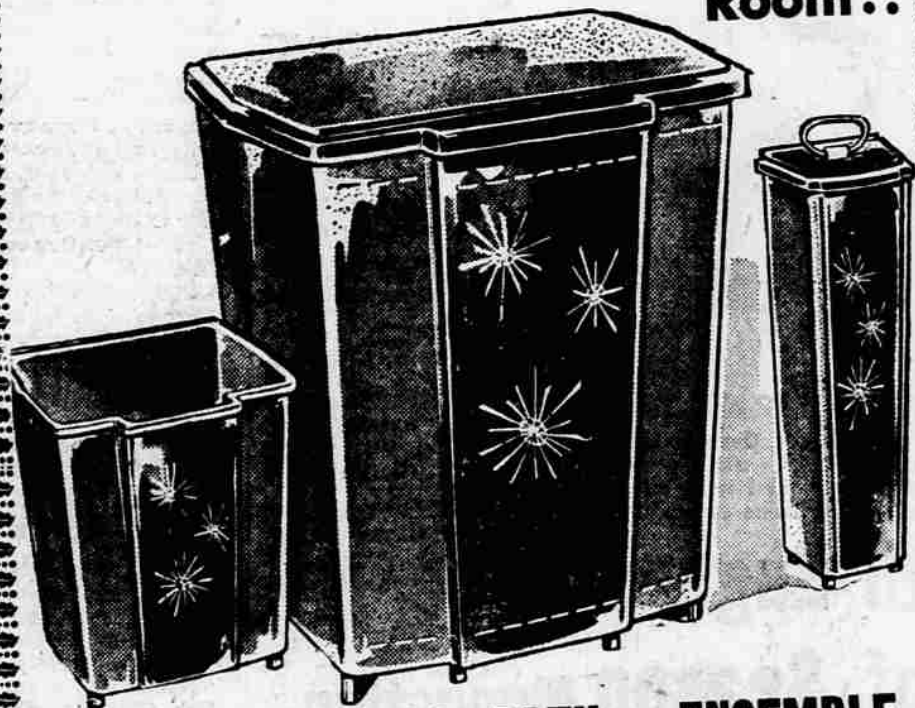

Come in and drive a new Volkswagen... before you wash your old car again.
