

New York — (UPI) — Mistletoe, which means "all heal," was believed by the Druids to have magic powers to protect those who owned it. It was supposed to heal disease, prevent witchcraft, neutralize poisons, and bestow fertility. Sealing a betrothal with a kiss beneath the mistletoe assured a lifetime of happiness.

Hollywood—Diamonds aren't a girl's best friend, but Marvin Hime, a Beverly Hills jeweler who loans them to the girls, could well be. Mr. Hime loans all sorts of expensive jewelry to Hollywood stars for special occasions, such as the half million dollars worth worn here by Rhonda Fleming. Miss Fleming is one of many famous Hollywood stars who borrow from him. Mr. Hime claims it pays off in the long run because the girls usually fall in love with the pieces they borrow and end up buying jewelry from him.

Raisins, Pineapple Good in Coleslaw

Next time you're making coleslaw, add some raisins and pineapple chunks to the shredded cabbage. Make the dressing from commercial sour cream mixed with a little sugar and salt to taste. For another salad that's sure to please, combine diced red apples, raisins, chopped nuts and drained canned mandarin orange segments. Mix lightly with a little mayonnaise and serve in lettuce cups. When you're adding raisins to salads, make them extra moist and flavorful by placing them in a colander over boiling water and steaming 10 minutes. Or, plump them by covering them with boiling water and letting them stand a few minutes. Drain thoroughly before using.

Sew discarded shoulder pads on wire hangers and hang jersey or other sheer garments without stretching or drawing.

Fantastic Gifts Stagger Imagination, Wallet Too

By MARY PRIME

United Press International
New York — (UPI) — If you're a person who "has everything," a plain old stocking won't do for hanging by the chimney. This year, Christmas stockings are made of vicuna.

What goes inside? Well, one New York store offers a tuck-in gift of coral dice marked with 18-karat gold. Price: \$325 a piece.

Also good as stocking-stuffers are a 12-inch, 14-karat gold ruler-pencil for \$107, shell pill boxes in 18-karat gold priced at \$350, and a woven 18-karat gold checkbook holder with gold ball point pen for \$360. Without the checkbook, the pen sells for \$150.

If you're looking for clothes under the tree, drop Santa a hint for gold-mesh stockings from Christian Dior at \$25 a pair; an antique umbrella costing \$50; satin skirts made of antique quilts for \$175; custom-made pumps studded with crystal for \$150; or a black lingerie set appliqued with gold, priced at \$100.

A San Francisco store offers a Somali leopard and a black wool knit cardigan sweater at \$995, plus tax. If you're a woman who is "hard to choose for," you might like this gift from an exclusive women's shop in Washington, D.C. — a one-of-a-kind stole of giant red silk and velvet poppies. Price: \$200.

14-Karat Garters
Men who have everything needn't stump you. There are garters with 14-karat gold trim, initialed, for \$97 and matching suspenders with gold fixtures for \$85. Plus \$150 black broadtail vests and a sculptured 14-karat gold handled cane with ebony stick at \$495.

If he's a sportsman, get him a solid gold golf putter for \$200 and mink "hed mits" for the clubs. They cost \$100.

If it's the price that counts, how about gold cuff links with pearls and diamonds at \$1,450 a pair? Or links of antique Roman coins minted in the time of the Caesars? One pair, dated 180 B.C., costs \$875.

If Dad's a smoker, he might enjoy a 14-karat gold cigar clipper knife for only \$44. Or a humidor of green cowhide with a gold lock. It costs \$250.

For the traveling man, a St. Louis store offers a fold-up motor scooter which weighs 51 pounds and costs \$174. He can use it on a trip to inspect an \$11,000 oil lease in Alaska — a gift of course.

Meats for Gifts

Got a meat-eater in the family? There are canned buffalo steaks, \$85 prime beef cuts, and ham steaks and cornish hens for \$100. A Chicago firm offers a "Bachelor's Special" of nearly two-dozen meats for \$25 to \$150.

For men who like a little spirits with their holidays, there are 14-karat gold, diamond-studded champagne swizzle sticks for \$450; barrel-sized ice buckets; Italian carved corks topped with a couple that kisses; and a mixer which has nine settings for dialing martini proportions.

Children who have everything — mainly a father with a large bank account — can ask Santa for a variety of luxury toys. A Chicago store stocks a half-scale replica of a 1910 Model-T Ford with three-horsepower engine for \$395; and a \$199.50 horseless sleigh that runs 15 miles per hour.

Stuffed animals range from a \$35 giant frog which doubles as a television seat to a baby-life-sized elephant for \$400 and a life-sized bison for \$750.

Polar Bear Rug
If your house also is in the has-everything class, you might remember it with a polar bear rug for \$995, a small organ covered with jewels which sells for \$350, or a \$29 French telephone which has no dial.

A Minneapolis hi-fi and electronics firm offers a gift for the family which has everything — a \$1,500 electronic "baby sitter." It's a closed-circuit TV system that allows a mother to watch children anywhere in the house or the outside play area.

A Dallas store offers a fine English roast beef cart of mahogany and silver. The store will ship it anywhere in the United States with a Texas steer on the hoof, or with 300 pounds of beef in three shipments for \$2,230.

Then there's a "complete beach party" from the same store. It includes a jeep survey with fringe on top; chinchilla coat; emerald and diamond drops; pear-shaped diamond necklace; 18-karat gold-woven purse with diamond clasp; Scandi evening gown; fur rug; grill and coffee pot; champagne bucket and glasses; transistor radio, and portable TV set; and a picnic case with food for a gourmet. Price: \$151,580.70.

Modern Cosmetic Science Has At Last Discovered A NATURAL WAY TO REGAIN YOUNGER SKIN BEAUTY

Amazing New **MOISTURE CONTROL** Lotion* is Guaranteed

to Make YOU LOOK YOUNGER...
FEEL YOUNGER...almost overnight!

Cosmetic scientists have recently developed an utterly new skin moisturizer called "TIME OUT" with Natural Moisture Factor 100%*(N.M.F. 100) which may prove to be the most wonderful discovery ever found to keep exposed areas of skin young-looking, soft, smooth, pliant and radiantly beautiful. It acts in the skin, not on it. Imagine this! One little dab of "TIME OUT" Moisture Control Lotion containing scientifically developed N.M.F. 100*, applied at night, seeps in—sets up a natural moisture factor, which helps you to regain a more youthful-like complexion, while you sleep. Within seconds after first application you'll notice an amazing cool, silk-like softness, which promises the return of "teen-age texture." That's but the first step in your exciting new skin care discovery. Then, in the morning, pamper your complexion with a touch of "TIME OUT" Moisturizer—it disappears immediately—moisturizes—creates a dew-like, satin FEEL under your make-up. Never greasy, never messy—it's delicately fragrant and kind to your skin. Truly this is the "young skin" emulsion you've been waiting for.

Your Mirror Will Reveal Marvellous Results
and Prove You've Found a New, Easy Way
to Bring Back Youthful-Like Texture.

If you are over 25 and your skin is becoming dry, flaky, blemished, rough, red, chapped, weather-beaten or old-looking, chances are nature is failing to supply natural fluids which tend to keep your skin soft. Sensational laboratory discovery proves that lack of moisture—not lack of oils—causes dry, crepey, wrinkled skin. That's why "TIME OUT" is so different—acts different. If you want long-lasting, exciting results you must condition your skin by using a "moisturizing agent". "TIME OUT" helps establish a normal equalizer of moisture in your skin.

Wrinkles, Crows' Feet Dim and Fade—Signs
of Age Quickly Disappear. Skin on Face, Neck, Hands
and Arms Becomes Youthful-looking and Glamorous.

New "TIME OUT" with N.M.F. 100 coaxes skin to drink in and retain its rich lubricating and moisturizing properties, causing skin to become firm and smooth. Tense, worry and frown lines (wrinkles and crows' feet) soften and disappear. Botherome age spots react noticeably because a healthy youthful skin retards formation of age-revealing pigment close under the surface. "TIME OUT" may truthfully be called the modern way to young skin beauty.

New "TIME OUT" is a skin-youth cream for anyone over 25, brings wonderful, noticeable results "almost overnight". Try "TIME OUT" for one week. If you're not completely satisfied—your money will be refunded on request. Only \$3.50 plus tax—approximately 2 months' supply.

Now—a wonderful skin moisturizing emulsion for those past 'teen age'. In "TIME OUT", you'll find an exclusive ingredient called "N.M.F. 100" which performs miracles on dry, old-looking skin.

Creates Natural Moisture Balance
...Helps Smooth Dry, Scaly Skin

Only "TIME OUT" with N.M.F. 100* lets skin breathe and drink in moisture to help restore a dew-like complexion. You'll feel its smoothing results on the first application. Not only does it moisturize, but it also lubricates.

Tiny Age Signs Dim and Fade

Tiny wrinkles and crows' feet around the eyes, nose and mouth, first tell-tale signs of approaching age, quickly begin to fade and become unnoticeable because "TIME OUT" helps restore the natural moisture control.

*N.M.F. 100—(Natural Moisture Factor 100%) is a Natural Water Control Factor, which helps skin restore lost essential moisture by means of absorption. It enables liquids to wet the skin and be absorbed into the sub-surface cells. N.M.F. 100 automatically regulates the water metabolism of the cornium of the skin. You can also apply it in the morning under your make-up. Your powder will go on smoother, cling longer and your skin will receive the day and night benefits of this scientific moisturizing treatment.
