## Greetings from the Entire Staff of the ROGUE VALLEY LAND CO.

Since 1946 when Claude McIntyre and his son Robert arrived in Medford, the Rogue Valley Land Co. has promoted the beauties, the resources and the opportunities of the Rogue River Valley. With a profound faith in the people and the natural growth of the area, Rogue Valley Land Co. has devoted its facilities to an orderly, sound development of the community.

With foresight and confidence, Mr. McIntyre and Associates have developed such outstanding subdivisions as Country Club Manor, Verde Hills, Grandview, Rogue Valley Heights, Eastwood, Lakewood and the Mont Crest Development.

These subdivisions, including buildings, improvements, roads and streets amount to investments exceeding 8 million dollars. Mont Crest alone will have 11 miles of roads, costing in excess of \$1½ million.

A start on an apartment house development costing over 3 million dollars is projected for 1960. Rogue Valley Land Co. pledges its continuing efforts to the sound and orderly expansion of the economy in Medford and the Rogue Valley. Its motto — "Fine homes make a fine community."
