# Four Injured in One of Five Auto Accidents Here

Four persons were injured in one of five accidents reported to city police Friday and Saturday. Police blamed ice and fog for most of the accidents.

Katherine Lymore Baalman, 42, of Ashland, received chest injuries when the car she was driving struck a telephone pole while trying to turn from Lone Pine rd. onto Springbrook rd. Friday at 3:18 p.m., according to city police. Police said heavy fog which obstructed her vision, was the cause of the accident.

Others injured in the accident were Larry Jay Dalbec, 13, of 723 Table Rock rd., suffering head and leg injuries; Parry Ray Dalbec, 13, same address, injuries unknown; Dorothy Eva Holgate, 13, Central Point, injuries unknown. They were all passengers in the Baalman vehicle. All were taken to the Sacred Heart hospital by the Medford Ambulance Service.

A second accident occurred Friday at 8:35 p.m. when a truck owned by Austin L. King, 1200 Crater Lake ave., stalled at the intersection of highways 99 and 62, according to city police.

The truck's lights were not working so a flare was set out, but a car operated by Donald Leslie Harlow, Ferndale, Wash., failed to see it because of the fog and crashed into the truck. There were no injuries but considerable damage was done to the front end of the Harlow vehicle, police said.

**Hit From Behind**

Another accident occurred Saturday at 7:35 a.m. when Vanetta Heloise Culy, Route 3, Medford, stopped her car on Crater Lake ave. near Delta Waters rd. to clean ice off the windshield. The car was struck from behind by a vehicle operated by Merle Woodrow O'Connor, 3547 Delta Waters rd., in dense fog, according to police.

There were no injuries or citations issued, police said, and only slight damage was done to both vehicles.

Mary Margaret Johnson, 959 Oak st., Central Point, told city police her car was struck from behind by a panel truck which left the scene before police could arrive. The accident occurred at the intersection of North Riverside ave. and Edwards st. at 8:19 o'clock Friday morning. Damage was negligible, police said.

There was a hit-and-run accident Friday morning, according to police, on West Sixth st. between Grape and Fir sts. Myron Kenneth Yost, Roseburg, told police his car was hit while parked at that location. Police said there was considerable damage done to the front fender of the Yost car.

# Stockholders OK Merger of Firms

The merger of Oregon Veneer company, Medford with Russek's Fifth Ave., Inc., New York City, was approved by stockholders of the two firms Friday.

The merger will not become effective until merger papers are filed in Oregon and New York.

Russek's originally was a department store, but in recent years has liquidated most of its department store holdings. The firm operates a women's fur salon in New York City and manufactures in Chicago maternity clothes and styles for tall women which are retailed in 41 stores in 13 states, most of them in the midwest.

Russek's now has six directors, and that number may be increased to nine at a later date to include directors who are familiar with the nature of the Oregon operation. No change is anticipated in the operation of the Oregon Veneer company.

The present management of Oregon Veneer will continue as it is, with the possibility that officials of the local company may become officers in the new corporation.

Officers of Oregon Veneer company are A. B. McQuire, president and general manager; Paul Doe, vice president; Alex Austin, office manager; and Carl Brophy, secretary.

It is anticipated here that the local company will be operated as the Oregon Veneer division under Russek's.

Russek's has been listed on the American Stock Exchange.

The postal money-order system was established Nov. 1, 1864.
