

### Junction City Man Free of Charges

Corvallis—(AP)—Jack Edward Williams, 22, Junction City, was freed of a charge of burglary not in a dwelling Monday when John B. Fenner, Benton county district attorney, explained that the only witness in the case had died. District Judge Robert Gilliland dismissed the charge.

Larue B. Garrick, 22, who was shot inside the Monroe tavern Dec. 23, died on Dec. 26. He had told sheriff's deputies that Williams was with him at the time of the burglary. Williams had admitted being with Garrick earlier in the evening but denied being with him at the time of the burglary.

Fenner said the case would be presented to a grand jury to determine if further action was warranted.

### Oregon Payroll Taxes To Go Up

Salem—(AP)—As of Friday—the first of the year—Oregon payroll taxes will go up and employers of only one person will come under the state unemployment compensation law.

The 1959 Legislature made the changes in the law. Employers pay payroll taxes now on the first \$3,800 of employee income but after Jan. 1 the first \$3,800 of income will apply.

The unemployment trust fund is expected to be increased by about \$1 million per year by the change. Also, 10,000 employers will come under the unemployment pay system with the advent of the one-employee statute.

### Burglars Ransack Home in Portland

Portland—(AP)—Two burglars wearing white masks broke into the home of Mr. and Mrs. John Noce here Tuesday night and made off with an undetermined amount of loot after locking the pair in a bathroom.

Noce, a clothier, and his wife returned home and discovered the burglars. The yeags first removed a \$2,000 diamond ring from Noce's hand. His wife hid her rings in a powder jar and thermos while the burglars worked.

A safe was broken open and papers valuable only to Noce were taken. Police said the burglars apparently entered the house by scaling a lattice work up the side of the structure.

Taken, besides the ring, was a 12-piece silver setting valued at \$1,000. The house was ransacked from top to bottom.

### New York Transit Lines Face Strike

New York—(AP)—Six million subway and bus riders depended today on a narrowing gap between transit negotiators to forestall a citywide New Year's day strike.

Both sides took a cautious step towards settlement Tuesday, but the threat of a paralyzing walkout was not averted.

The City Transit Authority made its first offer to the Transport Workers Union of a 9 1/2-cent an hour, two-year contract package which would cost \$12,500,000.

The union lowered its demands from a \$75 million package to \$30 million. It termed the transit authority offer "operation eyedropper," and rejected it.

### Aliens Must Report Addresses

Portland—(AP)—Some 20,000 aliens in Oregon must report their addresses to the Federal Immigration and Naturalization Service in January, according to the service.

The alien address law requires that all aliens must report each January, except for diplomats, those accredited to certain international organizations and those in the country temporarily as migratory workers.

### Albany Sports Figure Succumbs

Albany—(AP)—Funeral services were to be held today for Elmo George McReynolds, a local sports figure for many years. McReynolds died Sunday at his Alaska river cabin of a heart attack.

McReynolds managed Albany in the one-time State baseball league for several years and during World War II was chief of the Civilian Guard at Camp Adair.

Survivors include the widow, Grace, and three children.
