SP Whips Red Raider Quint 81-60

Ashland - (UPI) - Southern Oregon College took an 81-60 drubbing at the hands of Seattle Pacific Wednesday night to split two-game basketball series with the Seattle club. SOC won Tuesday night 58-56.

Southern Oregon led 2-0 and 5-4, but after that couldn't keep up with the fast breaking Seattle five. The best it could do was narrow the gap 49-42 about midway in the second half.

Score at halftime was 37-20, Seattle Pacific. High point honors were shared by Seattle's Dick Mogg and Dave Wortman, both with 19. High for Southern Oregon was Gordy Carrigan with 14.

Southern Oregon had 47 to 46 edge on the backboards. SOC javees won the pre-lim 48 to 41 from Myrtle Point with Brad Flanary getting 16 points and Tom Manley 15 for the collegians.

10-Point Gain By Lewis-Allen Handicap Team

Clayton Lewis and Frank Allen made the biggest gain last week in the holiday handicap golf tournament at Rogue Valley Country club. They moved from a minus three-point standing to plus seven. Their total ties them for second in the competition.

Lewis and Allen won by two holes over Ed Milne and Bob Morris and took eight points from Dick Travis and Jack Eidswick.

Bob Fasel and Herman Duncan added their lead in the tourney with a two-hole verdict over John Moffat and Larry Butler. They broke even with Ranny Smith and Tom Teutsch. Fasel and Duncan now have 13 points for five matches.

Clyde Knight and Bud Parsons moved into the three-way share of second spot by bumping Darrell Miller and Bill Clark from that position with a two point win. Warren Bayless and Bob Elliott, other No. 2 spot shareholders, did not play in the week.

Galen Sanner and Ray Stewart took over low net best ball lead with a 62 in taking six points from Lloyd Pope and Glen Fabrick.

PORK CUTS
Chicago - An estimated 75 cents of every consumer dollar spent for pork goes for cuts that make up somewhat less than one-half the hog's live weight.

Wisconsin's bone-rattling Badgers are 6 1/2 point favorites over Washington in the Rose Bowl game, or "granddaddy of all bowl games," as it is sometimes called, at Pasadena, Calif. A crowd of 98,000 is expected for this one in which the Badgers will enter the game with a 7-2 record and the Huskies with a 9-1 mark.

Rebels Choice Over LSU
Mississippi is a seven-point choice over Louisiana State in the Sugar Bowl game at New Orleans.

National champion Syracuse, sporting an unblemished 10-0 record, ranks the most solid favorite of all the bowl teams. The Orange are a 12 1/2-point choice to beat Texas (9-1) in the Cotton Bowl before an anticipated turnout of 75,000 at Dallas.

Georgia is rated 11 points better than Missouri in their

Orange Bowl clash at Miami, Fla., where a crowd of 75,000 is expected to be on hand. Georgia brings a 9-1 record into the game and Missouri a 6-4 slate. Missouri is pinning most of its hopes for springing an upset on its powerful line.

Tangerine Bowl
The two other games to be played on New Year's Day will be in the Tangerine Bowl at Orlando, Fla., and the Prairie View Bowl at Houston, Tex. Middle Tennessee (9-0-1) was a slight favorite over larger Presbyterian (9-1) in the Tangerine and Prairie View A&M (8-2) was the choice over Wiley, Tex. (2-8) in the Prairie View.

Three more bowl games are scheduled for Jan. 2. Georgia Tech (6-4) meets Arkansas (8-2) in the Gator Bowl at Jacksonville, Fla.; the East All-Stars face the West All-Stars in the Shrine game at San Francisco, and the Major College All-Stars oppose the Small College All-Stars in the All-America Bowl at Tucson, Ariz. The East is a seven-point favorite and Georgia Tech is a one-point choice. Odds-makers listed no line on the game at Tucson.

Rose Bowl Starters Announced

By ALEX KAHN
Pasadena, Calif. - (UPI) - There were few surprises today when coaches Mill Bruhn of Wisconsin and Jim Owens of Washington released their lineups for the 46th annual Rose Bowl game here Friday.

The men who carried the mail all season got the starting calls, although both coaches reserved the right to make changes. Bruhn said if the Badgers kicked off, soph quarterback Jim Bakken might start in place of Wisconsin's big gun, Dale Hackbart.

Although the Badgers on arrival here had listed Lowell Jenkins as their starting right tackle, Jim Heineke was announced to start as he has done for three years in a majority of Wisconsin games.

That meant the Badgers would start with Allan Schoonover and Hank Derlath at the end spots; All-America Dan Lanphear and Heineke at the tackles; co-captain Jerry Stalcup and Ron Perkins at guards; Bob Nelson at center; Hackbart or Bakken at quarterback; Billy Hobbs and co-captain Boz Zeman at the half-back spots and Ed Hart at fullback.

Schloredt Starter
Although for purposes of the lineup, Hobbs and Zeman were listed as halfbacks actually Hobbs is the left half-back and Zeman the wing-back while Hart is the right halfback in the spread formation designations used by the Badgers.

From his Long Beach, Calif., training quarters, Owens disclosed he would not change the lineup that brought Washington the Rose Bowl bid and a 9-1 season, its best in more than 30 years.

Although quarterback Bob Hivner was fully recovered from the broken finger that gave him the underdog B o b Schloredt the chance to become the top man on the coast at the position, Schloredt will start.

A quick rather than exceptionally fast team, the Huskies will surround Schloredt with George Fleming and Don McKeta at the halfback spots and Ray Jackson at fullback.

In theline, Lee Folkins and John Meyers will open at the ends, with Kurt Geger and Barry Bullard at tackles; the guards will be Chuck Allen and Bill Kinnune while Roy McKasson starts at center.

Sugar Dropped To Third Place

New York - (UPI) - The Ring magazine has widened the split in the middleweight crown.

It proclaimed Gene Fullmer the world's "outstanding" middleweight and dropped Sugar Ray Robinson to third place in its annual ratings, but it conversely continued to recognize Robinson as world champion.

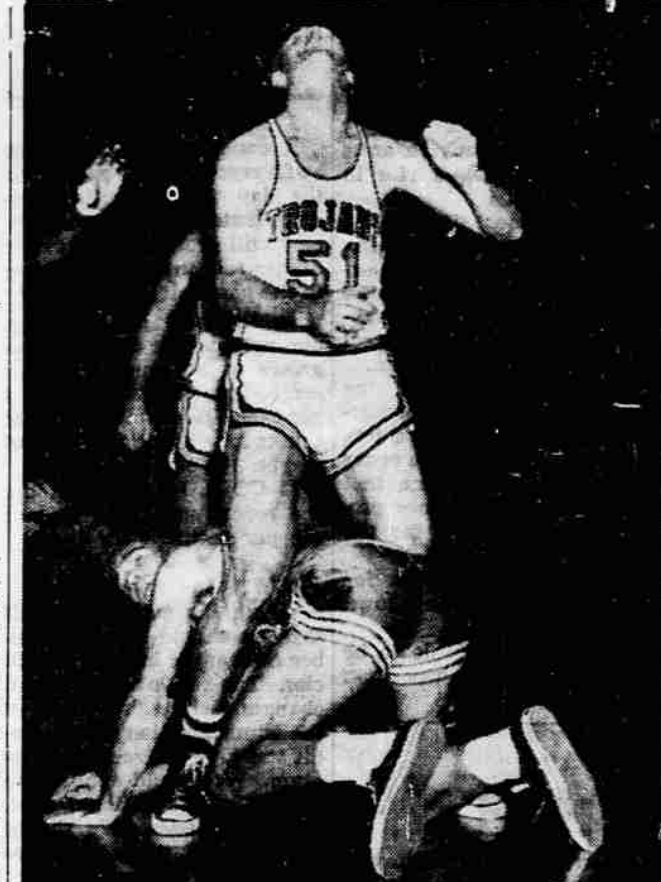

Officially, Fullmer of West Jordan, Utah, is recognized as champion by the National Boxing Association and Robinson still is billed as champion in New York state and Massachusetts.

The Ring today ranked Fullmer and Spider Webb of Chicago above Sugar Ray because of the once-great champion's inactivity. Robinson had but one bout - a non-title affair - in 21 months.

Heavyweight champion Ingemar Johansson of Sweden was named "Fighter of the Year."

MEDFORD TRIBUNE SPORTS

SO Conference Hoop Play To Open This Saturday

With pre-loop tune-up tangles behind them, Southern Oregon conference basketball teams get down to real business this Saturday evening and next Tuesday.

Contention gets into swing with two games each evening. Medford high travels to Klamath Falls, and Grants Pass opposes Crater at Central Point on Saturday.

Medford will make its 1960 conference debut at Grants Pass on Tuesday while Medford will entertain Crater's Comets.

Klamath Union high, the defending champion, will aim for a fourth straight Southern Oregon and District 6 A-1 championship. The Pelicans are expected to battle it out with Medford for the crown but any one of the other three loop members might surprise.

Klamath has the most impressive pre-conference record with six victories in as many games. There is no way, however, of comparing Whitebird performances with those so far of the other league teams. Crater (5-1), Medford (3-3) and Grants Pass (2-4 or 2-3-1) have encountered common foes while Klamath and Ashland have warmed up against different clubs.

Medford and Crater split with Roseburg while Grants Pass split or lost and tied with the Indians, depending on the version one accepts. The Black Tornado's loss, by four points, was the widest against Roseburg but its victory, by 31 markers, also was by far the most impressive.

Medford appears to have the edge in experience with a few more veterans on hand than the other clubs. Klamath is best fixed in all around height with letterman Bob Lewis and Bruce Brickner, transfer from Merrill, topping the list at 6-6 each. The Pelicans against Medford are expected to start a five with the shortest man 6-1. For Medford, starting an all six foot team is possible but not probable.

Ashland has tall men in Bob Hardy and Phil Tucker. Crater is short on great height but makes up for it with an aggressive defense and is expected to do its best in three or four seasons.

California Shocks WV In LA Final

United Press International
California dumped West Virginia from the unbeaten ranks by holding vaulted Jerry West to one field goal - and the only reason the same fate didn't befall top-ranked Cincinnati was because no one could hold Oscar Robertson.

The Golden Bears, in a remarkable display of ball-hawking, shocked West Virginia, 65-45. Wednesday night in the final of the Los Angeles Classic to duplicate their victory over the Mountaineers in last season's NCAA title game.

West cuffed his lone basket against California with 4:25 left to play and wound up with only eight points as the Mountaineers suffered their first defeat in 11 games. Darrell Imhoff, Cal's 6-10 center, also was off in his shooting, scoring only five points, but his rebounding played a big part in the Bears' 25th straight victory.

In the second frame the Cougars put in 11 points, with Bob Tucker getting six on two long jumpers and a rebound. Doug Lewis aided the IV cause with two set shots and one free point. For Glendale Allen continued to hit but not at the same explosive rate, he put in a lay-in at the start of the period and then added four more points on a pair of jump shots. Jack Berlin jumped for two and then hit a gifter for three more points for the Pirates. This made the score 30 to 19 at the midway margin.

Burleson Victor in 1500 Run

New Orleans - (UPI) - Dyrrol Burleson of Oregon was hailed today as the outstanding performer in the annual Sugar Bowl track meet after a record shattering performance in the 1500 meter race.

Both Burleson and Jim Grelle shattered the record of 3:51.5 in finishing one-two. Burleson's time was 3:48.5 and Grelle, running under the colors of the Multnomah Athletic club, had 3:49.5.

Burleson stayed back in the pack until the third and final lap. Then he moved out and passed Ed Moran of the New York Athletic club, who finished fourth after setting the pace for the first two laps.

Burleson was a bout five strides in front of Grelle at the tape.

Tiger Awarded Split Decision

Chicago - (UPI) - Dick Tiger, British Empire 160-pound champion, today looked for a higher ranking among the middleweights and a possible crack at Gene Fulmer's title as a reward for his close victory over Holly Mims.

Tiger, a muscular Nigerian who enjoyed a No. 6 ranking before winning a split decision over the Baltimore veteran Wednesday night, agreed it was a close and "maybe even a dull" fight.

But he blamed Mims' flicking left jabs and bicycle style for making it that kind of fight.

POPULAR PAMPHLET

Washington - (UPI) - The U.S. Information Agency says "atomic power for peace" is its most popular overseas pamphlet. The agency, reviewing its pamphlet activity in 80 countries during 1959, said Wednesday that next on the popularity list is "facts about the U.S."

Glendale Trims Cougars In Rogue Classic Final; Chieftains Tip Phoenix

Phoenix - Glendale High school defeated Illinois Valley 50 to 37 to win the Rogue League classic on the Phoenix basketball court last night.

Rogue River downed Phoenix 40 to 36 in the consolation game.

Glendale's Pirates used torrid shooting and strong rebounding to down the Cougars in the final. The Pirates burned the nets for 20 points in the first eight minutes of play while the Cougars could produce only eight. Jim Allen and Glen Blevins were responsible for most of the scoring in the first quarter. Allen dropped in four points and Blevins poured through 12 points on short jump goals and two foul shots.

In the second frame the Cougars put in 11 points, with Bob Tucker getting six on two long jumpers and a rebound. Doug Lewis aided the IV cause with two set shots and one free point. For Glendale Allen continued to hit but not at the same explosive rate, he put in a lay-in at the start of the period and then added four more points on a pair of jump shots. Jack Berlin jumped for two and then hit a gifter for three more points for the Pirates. This made the score 30 to 19 at the midway margin.

Third stanza action saw the Cougars move to within four points of the Pirates but they were unable to complete the rally. Last moment points by Allen gave Glendale an eight point bulge at the three-quarters mark. IV's Mike Hanby and Tucker were responsible for keeping the Cougars in the game, hitting long set shots for 10 counters. However, Allen tallied four quick points in the last 25 seconds.

In the final chucker the Pirates scored only once from the field but added nine free throws. Blevins put in the lone fielder and also four gifters.

Glendale hit 17 field goals and 16 of 23 foul shots while the Cougars had 16 fielders and added five of 11 bonus tries. Overall height of the Pirates made it difficult for the Cougars to get good short shots or very many rebounds.
