

SPEAKER — Joseph Lingen Wood, Vancouver, B.C., will speak Thursday, Jan. 7, at the First Church of Christ, Scientist, 100 Windsor ave. His subject will be "Christian Science: The Science of Seeking and Finding Truth." The public is invited to the lecture.

Tail Winds Help Jet Airliners To Set Records

By United Press International
Jet airlines, helped along by tail winds of up to 120 miles per hour set four east-bound transcontinental speed records Sunday.

Vice President Richard M. Nixon was aboard an American Airlines Boeing 707 Sunday that raced 2,300 miles from Los Angeles to Washington-Baltimore Friendship Airport in three hours 39 minutes.

Broke Previous Mark
Nixon's flight with a capacity load of 112 passengers broke a previous American Airlines mark of four hours flat for the run.

Another American 707 jet set a Los Angeles-Boston record of four hours, 24 minutes, carrying 114 passengers and a crew of eight. The plane made the 2,790-mile flight at an average speed of 635 miles per hour, eclipsing a one-day-old record of four hours, 39 minutes also held by American.

Average 600 MPH
A Trans World Airlines 707 carrying 114 passengers averaged 600 miles an hour for a 2,451-mile Los Angeles-New York run. The three hours, 57 minutes flight trimmed six minutes from a mark that TWA set Saturday.

An Eastern Airlines Douglas DC8B flew 2,339 miles from Long Beach, Calif., to Miami in three hours, 58 minutes and 55 seconds, an average speed of 584 miles an hour, which Eastern said was a record for the southern transcontinental route.

L.A. Dock Workers Discuss Contract

Los Angeles — (UPI) — Dock workers at Los Angeles and Long Beach harbors held a 24-hour stop-work today to hold a membership meeting on provisions of a new work contract.

The stop-work began at 8 a.m. and will last until the same time Tuesday, according to officials of the International Longshoremen's Union, Local 13. Checkers will continue to handle truck deliveries and receiving during the stop-work as in the past, union officials said.

The new contract includes provisions covering guarantee of an eight-hour work day and the possible augmentation of the longshoremen work force.

Churchill Rests In Lap of Luxury

London — (UPI) — Winston Churchill, now vacationing on the Riviera, is living in the lap of luxury, a London newspaper said today.

His penthouse apartment at Monte Carlo's Hotel de Paris has three bathrooms in pink, gray ivory and marble, the Daily Sketch said.

The Sketch said that upon his arrival at the Riviera Sunday Churchill spent an hour in a bath and over the week end he dined on oysters, fish soup, roast duck, apple sauce and fruit.

There was champagne, of course.

IMPRESSED BY EAST
London — (UPI) — Whiskey salesman Charles Grant Gordon said Sunday that when he travels to the United States he is particularly impressed with the East. "You must remember," he said, "that one-tenth of the whiskey drunk in the world is consumed in or around New York."

About 13 per cent of forest fires are caused by lightning.
