

A CLOSE SHAVE—Tom Anselmi, 16, left, checks the progress of "Operation Hermit" on Tom Henrion, 17, a fellow student at Abbey School in Canon City, Colo. Before Christmas the boys had bet each other that they wouldn't go through with the Yul Brenner type haircuts, but when the day came for the operation both had their heads shaved. Barber Cliff Hughes, right, said the hair will grow back at the rate of about a half-inch a month. —(UPI Telephoto)

Race Betting Record Topped

New York—(UPI)—Betting and attendance at the nation's Thoroughbred race tracks reached record highs in 1959, a United Press International survey showed today, with 30,922,431 persons betting \$2,392,379,486 during 3,515 racing days.

Complete statistics from the 24 states with legalized gambling easily topped the previous records set in 1958 with 30,378,002 persons bet \$2,274,691,166. There were 3,274 racing days a year ago.

RETAINS TITLE

Richmond, Calif.—(UPI)—Sixto Rodriguez of San Francisco retained his California light-heavyweight title Tuesday night with a 12-round decision over Orlando Depietro — but he had to come off the floor to do it. Depietro dropped Rodriguez in the second round with a smashing right to the jaw, but the San Francisco fighter came back strong and scored a knockdown in the eighth.

The nation's gold mines produced only 1,736,352 ounces in 1958, worth \$60,800,000 a drop of 3 per cent from 1957.

Braun Winner Over Old Buddy

United Press International
Carl Braun came out ahead of his old buddy Dick McGuire on two counts in their second meeting as rival coaches in the National Basketball association.

Braun, named New York coach two weeks ago, personally led his Knickerbockers to a 121-110 victory over the Detroit Pistons, coached by McGuire, in the windup game of a doubleheader at Madison Square Garden Tuesday night. Braun and McGuire, who took over as Detroit coach last week, played as teammates on the Knicks from the

1949-50 season through the 1954-55 campaign.

Wilt Chamberlain scored 52 points in leading the Philadelphia Warriors to a 126-111 victory over the Minneapolis Lakers in the opener of the twinbill, while the Syracuse Nats defeated the Boston Celtics for the second time in three days, 145-143, at Providence, R.I., in other games.

Under the boundary waters treaty of 1909 between the United States and Canada, both countries have free and equal navigation rights on the waters of the Great Lakes.

The pro-am will be held at the Fox Hills course and will have a full share of comedians including Bob Hope, Jack Benny, George Gobel and Phil Harris.

Royal Charges Syracuse With Name Calling

Austin, Tex.—(UPI)—Coach Darrell Royal of the University of Texas, angered over repeated charges that his team played dirty football and called a Syracuse player a "dirty nigger" in the Cotton Bowl game, countered Tuesday that one of his own players was called names during the game.

Royal said Syracuse won the game 23-14, retained its number one ranking and their coach, Ben Schwartzwalder, was named coach of the year. "Looks like they ought to be satisfied," Royal said. "I don't know what else they want."

Royal was angered by repeated charges, aired once again Monday on a television show, that one of his players precipitated a racial incident. The Longhorn coach claimed that Texas halfback Rene Ramirez had told him that Syracuse players had called Ramirez names during the New Year's Day contest. "So I guess it just depends—you have to be from the South I guess to be prejudiced," Royal did not say what Ramirez was called.

Coaches Seek Change of Rule On Substitution

New York—(UPI)—A recommendation for the return of college football's unlimited substitution rule may produce an interesting battle between Midwest and Far West delegates at next week's meeting of the National Collegiate Athletic association's rules committee.

The nation's college coaches Tuesday petitioned the NCAA once again to restore two-plateon football, voting by an overwhelming 3 to 1 margin for free substitutions.

However, Lou Little, chairman of the American Football Coaches association's rules committee, admitted the proposal may be ignored again when the NCAA committee meets next week at Miami Beach, Fla.

"What will happen this time I don't know," said the former Columbia University coach. "They've turned it down a number of times in the past. But the coaches want unlimited substitution and that's our recommendation."

Little disclosed that the Big Ten Conference is pushing for a revival of the two-plateon system over the objection of the West Coast Big Five.

George Zaharius Married Again

Las Vegas, Nev.—(UPI)—George Zaharius, widower of female track and golf star Babe Didrickson, was married Tuesday to Betty Burgess of Los Angeles.

Zaharius, a former wrestler, listed his home as Tampa, Fla. Mrs. Burgess, 42, said her previous marriage ended in divorce in 1949.
