### Rumor on Cas Not Confirmed

Eugene — UPB — A report that Oregon Football Coach Len Casanova had received permission from Athletic Director Leo Harris to talk to California about the vacant coaching job there could not be confirmed here today.

Athletic Publicity Director Art Litchman said that Casanova, Harris and other members of the staff were attending NCAA meetings in New York.

The report was carried by the Oakland Tribune.

Casanova has indicated previously he has no plans to leave Oregon. The California job became vacant when Pete Elliott resigned to take over at Illinois.

**BOOM-SA-DAISY** — Charging toward each other for a rebound off the Medford backboard, Jerry Anderson of the Tornado (in white) who got the ball, and Chuck Turner of Crater, turned their backs to each other before this mid-air collision here last night. Other Medford players shown are Booth Deakins (50) and Jerry Shults (44). Loyal Higinbotham of Crater is No. 30. Medford high's cagers won 66 to 40.

### St. Mary's, Santa Clara Take Tilts

By CLIFF JOHNSON  
United Press International

West coast athletic conference play is off and running with Santa Clara and St. Mary's leading the pack.

But defending champion St. Mary's barely managed to protect its honor Tuesday night in squeezing a 67-62 overtime win from the University of San Francisco.

The Gaels — despite the loss of star center Tom Meschery, benched with a fractured jaw — raced off to an early lead. But the Dons hung on to their coat tails and managed to take a 27-26 halftime edge.

At the end of regulation play, the score was tied at 56-56. The Dons moved out in front, 62-59, in the overtime period — but the Gaels regained the lead and added six points insurance in the final 30 seconds.

Santa Clara also had a tough time with College of Pacific in the first half of play. But the Broncos got their second wind midway through the final period to defeat the Tigers, 68-57.

Jim Russi and Joe Sheaff hit their stride with 10 minutes left to play and ran up an 18 point margin for the Broncos. Ken Stanley, who chalked up 19 points for COP, was mainly responsible for keeping the Tigers alive in the game.

The San Jose State Spartans, in a non-conference game, battled down San Francisco State Tuesday night 68-57 at the Gator gymnasium.

### Crater Quint Frosh Victor

Central Point — Fast breaking in a 26-point third quarter, Crater high whipped Rogue River 69 to 37 in a freshman basketball conflict at Rogue River last night.

Picking up momentum as the fray progressed, the Comet frosh had 14 to 8, 31 to 22 and 57 to 28 quarter gaps.

Mike Glines and Louis Alvarez each had 18 points for Crater and Tomlinson totaled 14 for Rogue River.

### Searchers Locate Cougar Hunters

Newport — UPB — An extensive search party which included a helicopter and two planes located two cougar hunters in woods south of here Tuesday when the men were believed lost.

Gale Rolison, Toledo, and Edward Adams, Madras, told officers they were not lost, but had gone farther than they intended in chasing a cougar.

Wives of the men reported them missing.

Rolison and Adams left Sunday and said they expected to be back in a few hours.

State police, sheriff's officers and volunteers started pushing through the heavily wooded area near Table Mountain while a helicopter and two aircraft finally located the men.

Great Britain has 190,000 miles of public highways, more than two miles for each square mile of territory.

### Law Student Day Date Changed

Salem — UPB — Attorney General Robert Y. Thornton announced today a change in the date of the first annual law students day.

The date will be Feb. 3 here, instead of Feb. 1. Thornton said the change is to give law students from Oregon's three law schools an opportunity to be present when the Oregon Supreme Court hears arguments in a certain case.

## MEDFORD TRIBUNE SPORTS

### Grants Pass Drops Grizzly Five 66-54

Grants Pass — Grants Pass high's Cavemen, showing concerted scoring rather than the one-man punch of their loop debut, broke into the Southern Oregon conference win column in a hoop fracas here last night by downing Ashland 66 to 54.

Ashland headed 19 to 16 after the one quarter of play but GP tied up the contest at 22 in the second canto and went on top to stay. Halftime count was 38 to 30. The Grizzlies of Ashland went without a field goal in the third quarter although they shot 10 times and Grants Pass held 50 to 38 command at the end of that stanza.

Larry Janssen with 17, Gary Hugoboom with 16 and Rex Benner with 15 points topped the Caveman attack. Phil Tucker with a strong start from the field and with 12 of 16 from the free line was high scorer for the evening with 26.

Benner Held Down  
Benner, who put in 35 points against Crater last Saturday, was limited to just one free shot in the second half last night. Guarded by Harley Dickerson, he failed to connect on 11 field shots in the third and fourth quarters.

Grants Pass had hot team field shooting at .424 average. Ashland, which did not shoot as often as GP was 40% for the night on the strength of first half play.

The Cavemen also beat Ashland in the junior varsity hassle, 45 to 43 in double overtime.

### Hedrick Cagers Trip Eagle Club

Hedrick Junior high ninth grade basketball crew bounced Eagle Point freshmen 56 to 45 at Eagle Point last night.

The tussle was a make up for action postponed in December because of fog.

The Hornets of Medford had leads at quarter pauses 21 to 8, 26 to 17 and 45 to 31. Charles Pomeroy of the Eagles was high point man with 22. Roy Ross and Dan Miles sparked Hedrick with 15 each.

Hedrick was missing the services of Gib Mitchell, a regular, who was sidelined by flu.

### Manville Schedules Altar Trip Monday

New York — UPB — Playboy Tommy Manville is 65 but he hasn't been able to kick his old habit.

He and his 20-year-old fiancée, Christina Erdlen, will apply for a marriage license today.

"I'm afraid I'm headed for the altar again," said the silver-haired asbestos heir who has 10 marital misses. "I shouldn't be afraid after all my experience, but one gets cautious."

Tommy has been so cautious that he's been a bachelor for almost two years. But he plans to end all that next Monday when he makes brunette Christine his bride.

It will be the millionaire's thirteenth trip to the altar because he married two of his wives twice.

### Searchers Locate Cougar Hunters

Newport — UPB — An extensive search party which included a helicopter and two planes located two cougar hunters in woods south of here Tuesday when the men were believed lost.

Gale Rolison, Toledo, and Edward Adams, Madras, told officers they were not lost, but had gone farther than they intended in chasing a cougar.

Wives of the men reported them missing.

Rolison and Adams left Sunday and said they expected to be back in a few hours.

State police, sheriff's officers and volunteers started pushing through the heavily wooded area near Table Mountain while a helicopter and two aircraft finally located the men.

The date will be Feb. 3 here, instead of Feb. 1. Thornton said the change is to give law students from Oregon's three law schools an opportunity to be present when the Oregon Supreme Court hears arguments in a certain case.

## Black Tornado Tops Crater High 66-40

**SOUTHERN OREGON CONFERENCE STANDINGS**

Medford	W. L. Pct.	1 0 1.000
Crater	1 1 .500	
Grants Pass	0 1 .000	
Klamath Falls	0 1 .000	
Ashland	0 1 .000	

Hard-romping Medford became lone leader and only unmarred aggregation in Southern Oregon conference basketball by beating scrappy Crater high 66 to 40 here last night.

The Black Tornado, by whirling over the Comets of Central Point in a fired up scuffle, put its second loop victory in the record book. Crater suffered its first league defeat in two contests. Medford was left the only unbeaten club in the circuit when Grants Pass spoiled the 1960 conference start of Ashland, 66 to 54.

Hotter shooting, aided by the ability to break open for good opportunities at close or fairly close range, made a big difference for Medford last night. At the same time, the Big Twister permitted the Comets a limited number of close in chances and allowed the Central Point school fewer shots from the field than the Medfords took themselves.

**Tight Beginning**  
Start of the conflict gave the impression that the fracas might be a bitter battle all the way. Crater, itself, held down the Medford shooting efforts in the early minutes and the first five points by Crater and the first three by Medford were accumulated at the free hoop stripe. The first quarter had entered its last four minutes when Dick Raggsdale of the Tornado drove under the hoop and hooked in the initial field bucket of the evening.

Medford was never behind but Crater knotted up the action at 1-1, 3-3, and 5-5 before the Big Wind went ahead for good. The Black Tornado made its lead stick after Jerry Anderson's gifter for a 6 to 5 total with 3 1/2 minutes to play in the first period.

Ken Durkee caught the Comets napping with a driver and then put in a shot from back of the circle for 10 to 5. Loyal Higinbotham countered with Crater's first field goal but Durkee cashed in on a 12 foot push shot and Jerry Shults and Anderson got pairs of free tosses for Medford while Chuck Turner added a lone charity throw for Crater. Tornado margin was 16 to 8 at the end of the stanza.

**Anderson Gets 21**  
Medford outscored the Central Pointers also in each of the remaining chukkers, leading 29 to 18 at halftime and 44 to 26 after three quarters.

Anderson was the point and rebound leader of the game with 21 markers and 15 retrieves. Most of his points were at the free shot line where he put in 13 of 18 attempts. Field bucketing of the Tornado was well divided with Anderson and Darrell Miller potting four each and Lowell Dean, Durkee, Raggsdale and Quinney three apiece. Dean had nine rebounds for Medford.

Higinbotham, hitting mostly from long range had seven field goals and two gift tosses to head the Comets with 16 points.

Backboard domination also played a part in the Medford decision. The Tornadoes picked the ball off the boards 39 times to Crater's 23.

**Aggressive Ballhawking**  
Both clubs turned in spirited aggressive ballhawking and the times one club broke up the other's attack were frequent.

Medford gunners netted 22 of their 52 tries from the field for 42.3 average, picking up after a 4 for 11 first canto. The Comets hemped 13 of 38 for 34.2. Crater put in only one fielder in the first quarter.

**198 lbs.**  
(why Volkswagen's aluminum engine is still years ahead of its time)

Dead weight in an engine is the enemy of efficiency. That's why airplane engines are made of aluminum. And that's why Volkswagen's engine is cast of aluminum and magnesium alloys (even lighter than aluminum).

Volkswagen reduces dead weight in still other ways. The engine is air-cooled — no bulky radiator. (No water to freeze in winter, or boil over in summer.) And the rear engine gets rid of the conventional heavy drive shaft while giving direct power to the wheels. (In mud, sand, ice, snow, where other cars skid, you go.)

As a result, the Volkswagen engine weighs only 198 lbs. and every pound works. You get an honest 32 miles to the gallon (regular gas, regular driving). And the engine is so efficient, top and cruising speeds are the same. You can go 70 mph all day without strain.

Come in this week and drive one!
