Oklahoma Sooners Placed On Indefinite Probation

New York –(UPI)– One man stood today between the University of Oklahoma's football team and a possible trip to the Orange Bowl next year.

The man is Arthur L. Wood, an Oklahoma City accountant and booster of the Sooners, whose alleged "recruiting fund" resulted in the National Collegiate Athletic association's indefinite probation of Oklahoma Wednesday.

That means Oklahoma, national football champion in three of the last nine years, will be ineligible to appear on NCAA television programs or in post-season bowl games for an indefinite period. The Sooners, who previously were placed on probation in 1955 for two years, have won the Big Eight championship the last 12 years.

They are favorites to win the title again this year and normally would win a trip to the Orange Bowl in Miami, Fla., next New Year's Day. But they will not be permitted to appear in any bowl game unless Wood makes a full disclosure of the operations of the funds under his administration from 1952 to 1954.

The University of Tulsa also was placed on probation for one year–without restriction of privileges–because a "representative of athletic interests of the university" offered a prospective athlete a "gift or loan of $400." That probation does not cost Tulsa anything, however, and was considered something of a slap on the wrist.

Oregon Slates Inland Games

Eugene –(UPI)– Oregon's basketball team invades the Inland Empire this weekend for games against Idaho at Moscow Friday and Washington State at Pullman Saturday.

Coach Steve Belko's Ducks have won 10 out of 12 so far this season, the last two without star sophomore center Glenn Moore. Moore, who suffered a sprained ankle, is expected to be back in action against Idaho Friday.

The Klamath Falls ace still leads the team in scoring with 164 points followed by another sophomore, Charlie Warren, with 137, and guard Chuck Rask with 136.

Tornado Plays Ashland; Crater Host To Pelicans

An unblemished record for the first time around in the Southern Oregon conference will be the aim of the Medford high basketball team which opposes two league rivals this week end.

Crater, bidding to shake off its doormat status in the loop in past seasons, faces the tallest club it has met on its 1959-60, while Grants Pass challenges the current leader and Ashland and Klamath Falls try for their first victories in 1960 conference contention.

Medford goes to Ashland on Friday night and entertains the Grants Pass Cavemen at Hedrick gym on Friday. Crater will be host to Klamath Falls at Central Point Friday night. Ashland is to go to Klamath on Saturday.

The Black Tornado of Medford paces the conference with a 2-0 standing and will have met each other member of the District 6 circuit once when it wraps up the week on Saturday. SO loop quints are playing 16-game schedules.

Medford and Ashland (0-1 in the loop) have met no common foes thus far but the Tornado has split with Roseburg and Grants Pass claims a divided series with that team. By a sort of round-about comparison, the Tornado holds a victory over Crater which beat Grants Pass (1-1).

Crater, which fell by 26 points to Medford, tussles against Klamath (0-1) a club which the Tornado licked by 16 markers – which shows that the Comets have their work cut out for them. However, the Central Point club has given away height in most of the conflicts it's played and on the majority of occasions has coped with it. How well the Comets do against the Pels may depend on how accurately their shooting eyes are focused.

A-2, B Schools To Open League Hoop Play Friday

Teams in two southern Oregon high school circuits begin their 1960 loop chases on Friday evening.

In the A-2 Rogue league, Phoenix will vie at Eagle Point and Illinois Valley at Rogue River. Jackson County B league contention will have Talent against St. Mary's at Medford and Prospect at Butte Falls.

St. Mary's is defending B conference titlist and in preloop action indicated that it will make a strong defense of its crown. Prospect, however, fared best in the league jamboree last month.

Glendale established itself as A-2 loop favorite with victory in the Rogue League classic in December. Eagle Point and Illinois Valley were 1959 co-champions. Phoenix looked like a contender until it did poorly in the pre-conference tourney.

Non-league scuffles Saturday are to take Phoenix to Riddle and Rogue River to Prospect. St. Mary's plays Sacred Heart at Klamath Falls on Sunday.

A high-spirited hassle is anticipated between St. Mary's and Talent on Friday. Rivalry between the two schools has been keen in recent seasons.

Globetrotter Game Tickets Now Being Sold

Basketball fans of the area are looking forward to the appearance of the world-famous Harlem Globetrotters basketball team at Hedrick junior high school gym in Medford on Thursday, Jan. 21. Game time is 8 p.m.

Tickets for the year's top maplecourt attraction are on sale at Lamport's Sporting Goods store, 226 East Main st., Medford.

The Globetrotters will play the San Francisco All-Nations, a team from the bay area made up of Chinese, Japanese, Hawaiian and Korean stars. The All-Nations aggregation is under the direction of Art Kim, prominent Honolulu basketball figure who has brought several traveling teams to the valley in the past. The last quintet Kim brought here was the Honolulu Surf Riders, who lost a close game to the Globetrotters at Central Point.

A halftime show featuring professional entertainment will include a trampolinist, a batonist, juggling unicyclist, equilibrist and another unicyclist.

Bowl Officials Deny Under-Table Charge

United Press International

Officials of all-star bowl football games throughout the country all denied today a charge of making under-the-table payments to participating players.

Jim Pearre, founder of the Senior Bowl game in Mobile, Ala., charged that his game is the only one "open and above board" about paying players.

At its meeting in New York, the National Collegiate Athletic association said it is investigating the charges and is considering outlawing bowls found breaking the rules.

Pearre named the Blue-Gray game in Montgomery, Ala., the North-South in Miami, Fla., the Copper Bowl in Tucson, Ariz., and the Hula Bowl in Hawaii as "illegitimate" bowls and then included "all of them."

Get Expense Allowance

Replying to the charges, William C. Brown, chairman of the North-South game, said, "we don't have to pay anyone. They're tickled to death to come here."

Brown added, "we certainly have nothing to hide. And I'm sure the East-West Shrine game in San Francisco doesn't either. We give our players a jacket, a wrist watch and a $100 expense allowance, which amounts simply to per diem similar to that permitted in many other types of amateur competition."

Dave Rowe, director of the Copper Bowl's player procurement program, said all players in the game "receive $7.70 per diem for 10 days plus $25 terminal expense." Rowe said this is in accordance with NCAA regulations although the Copper Bowl is not under NCAA control.

Denies Shrine Payments

In Montgomery, Ala., Champ Pickens, founder of the Blue-Gray game, said the Blue-Gray presents competitors with "gold footballs and other trinkets given at a Christmas dinner" and also allows "each player $100 for a trip to any other bowl."

A spokesman for the East-West Shrine game in San Francisco denied any East-West player ever had been paid to appear.

The Senior Bowl pays members of the winning team $600 and members of the losing team $500, plus expenses. Senior Bowl players are penalized by the NCAA with loss of their eligibility for other college sports and forfeiture of their athletic scholarships.

Spiegelberg State Grid Tutor Again

Portland—Jefferson's Tom DeSylvia and Medford's Fred Spiegelberg will be the rival head coaches in the annual Shriners' hospital all-star football game again this summer, game officials announced Wednesday.

But this time it will be DeSylvia seeking to avenge a defeat. This year's Shrine classic will mark the fourth time Spiegelberg and DeSylvia have matched gridiron wits in an important contest. Their Jefferson and Medford teams met in the state prep championship in 1958 and 1959 and they opposed each other in the all-star game last summer.

DeSylvia's Democrats won the state title in 1958, but it was a different story last year as Medford eased past Jefferson, 7 to 6. In last summer's Shrine game, DeSylvia's Metropolitan all-stars, led by the brilliant Terry Baker, upset State, 19 to 13.

Heibert New

Spiegelberg will be assisted by Lee Gustafson of South Salem and Don Requa of Pendleton, both of whom are veterans of the all-star contest. DeSylvia's aides will be Bob Signer of Lincoln and Marv Heibert of David Douglas.

Heibert will be the only coach on either staff without previous experience as a Shrine coach.

The opposing coaching staffs will meet at the Multnomah Athletic club in Portland on Feb. 6 to select their 27-man squads from among hundreds of high school seniors nominated by coaches throughout the entire state.

Museum Visitors Exceed 40,000 During Past Year

Jacksonville–Attendance at the Jacksonville museum during 1959 totaled 49,027 visitors, the largest annual attendance since the museum opened July 10, 1950, Miss Mary Hanley, curator, has announced.

The December attendance of 1,016 brought the total since July 10, 1950, to 363,056. Last year was the third time that attendance has exceeded 40,000 in a year, Miss Hanley said. The other two years were 1952 and 1958.

During 1959, visitors registered from every state except Delaware, Miss Hanley said. Visitors also came from Washington, D.C., and 30 foreign countries.

Students From Classes

A total of 2,910 students from classes ranging from kindergarten groups to college level toured the museum last year. Students came from 48 schools in Jackson county, eight in Josephine county, three in Douglas county, one in Klamath county, two in Lake county, and three California schools.

Other groups included Boy and Girl Scouts, Cub Scouts, Brownies, and other organizations.

Paper Firm Sells Facilities to Copco

Weed – International Paper company of Weed has sold about $85,000 worth of its electrical circuits at its plant here to the California Oregon Power company.

Electrical facilities sold include about 32,000 feet of distribution circuits including poles, conductors, transformers, meters, street lighting equipment and related gear.

About 494 customers are served from the facilities, which were originally installed and operated by International Paper to serve company employees in residential and commercial areas. Primary purpose of the installation was to provide power for the manufacturing plant here.

The California Public Utilities commission, which approved the sale, said rates paid to Copco will not differ greatly from rates now paid to International Paper.

The company recently announced plans to expand its Weed operations, and sought to sell its outside electrical circuits in order to reserve output of its steam generator for increased manufacturing requirements.
