Our Way of Saying "THANK YOU!"

Yes, to you, our friends throughout southern Oregon and north-
ern California, we say "Thanks a Million" for making 1959 such
a successful year for us, here at Weeks and Orr's. Under the owner-
ship of Mrs. Bert Orr and Eugene Orr, this pioneer furniture store
is embarking upon its 68th year . . . growing through the years
because of the friendly support of this expanding community.
Today, Weeks & Orr buy in combination with 90 of the West's
large furniture stores, assuring lower prices on finest home fur-
nishings. Liberal credit terms and friendly, personal service are
added reasons why Weeks & Orr, the leader in 1959, looks to
1960 as a record-breaking banner year!
