Basketball champion ship issue in the Southern Oregon conference is far from settled. And, there's no assurance of any easy path to the diadem for the eventual title. But, the position of the Medford High school Black Tornado as top contender for the 1960 Laurels could not be denied Saturday night after the rip-roaring Big Breeze throttled the Grants Pass Cavemen at Hedrick court here.

That it was the Black Tornado's fourth victory in as many conference games was not the only significance in the verdict. For the Medfordites now have triumphs over each of their circuit foes. They have, of course, three more meetings with each of the league opponents.

Some of the fatigue of playing three conflicts in the previous seven days was in evidence Saturday for Medford after the tipoff against the Cavemen. Yet, the Tornado caught stride and utilized its hustle, better shooting from the field, a torrid 482, and control of the backboards to pull away to a comfortable margin against the Climate city boys. That it was another real team triumph was revealed in the statistics of the game.

Klamath Next
Medford draws a welcome rest on Monday after the grueling four games in eight days. On Tuesday the Tornado opens preparation for its only game this week. It will be host to Klamath Falls on Saturday.

Jerry Anderson, with 11 field goals, totaled 24 points for Medford against the GP team. Lowell Dean and Bob Quinney each put in 11 markers and Dick Ragsdale got 10. Rex Benner contributed 19 for the Cavemen and Larry Jansen collected nine.

Benner's jump shot and free toss and Janssen's long push gave GP a starting 5 to 0 lead. But Anderson's gift have, Dean's bucket from the side of the slot and Dean's fast break score off an Anderson pass tied up the tussle with six minutes played. Dean added a free cast after his second bucket for 6 to 5 Medford edge.

Benner's base line drive made it 7 to 6 for the Cavemen and his long pusher took it to 8 to 6. Dean came through with his third basket for Medford and a Jim Purkett free toss for GP brought a 10 to 8 score. Jerry Shults went in for a tying Medford layup and Anderson's layup off a base line drive gave Medford its first lead at 12 to 10.

All-Star Games May Be Checked
New York - (UPI) - The first step toward banning "under the table" payoffs to competitors in college all-star football and basketball games Saturday wound up official business of the annual convention of the National Collegiate Athletic Association (NCAA).

The NCAA's executive council concluded its work by setting up a special committee to study the possibility of "certifying" all-star games.

Free shots by Benner deadlocked the play once more but a hook-in by Anderson established a 14 to 12 score and put Medford on top for keeps. First quarter score was 16 to 13. At the half Medford was in front 41 to 28. Third quarter score was 53 to 39. The Tornado had a 22-point biggest bulge at 67 to 45.

Grants Pass gave Medford little trouble in the fourth quarter with just nine points to the Tornado's 16. There were Caveman bids of sorts in the second and third stanzas. While not real serious, they pushed the home club to go to work and shake them off.

The Cavemen worked neatly at times with a screening, rolling, driving offense that the Medfordites had trouble checking without fouling.

Free Shots Offset
GP accumulated seven free shots in the second quarter that made it a threat for a time. But Medford, itself eventually plunked nine gifters to counteract the Caveman points. The visitors actually never got closer than within three points of the Medforders in the period but saw a nine-point spread slip to six and
