Los Angeles—UPI—Bob Waterfield, who signed a five year contract Tuesday night to sit on the Los Angeles Ram head coaches' hot seat, wants ex-Ram boss Hampton Pools as his offensive assistant.

Taking over one of the most second-guessed jobs in professional football, the soft-spoken Waterfield said he plans to contact Pools, in business in Montreal, in the next few days to ask him to return to Los Angeles.

Pool was head coach of the Rams for three years, getting the axe after the 1954 season in favor of Sid Gillman, who in turn was fired after a disastrous 2-10 record the past season.

Waterfield ranks with all-time glamour quarterbacks Sid Luckman, Sammy Baugh and Otto Graham.

"Waterfield was the only one we offered the job to," said Ram General Manager Pete Rozelle.

## Pepperdine Keeps Ahead In WCAC Basketball Race

United Press International—Pepperdine's basketball team is out to prove that you can throw away those warm-up game results once the conference season gets going.

The Waves won 16 out of 24 last year and welcomed back their three top scorers this season in addition to transfers Dick Buckelew from Seton Hall and Rex Hughes

from Baylor, who sat out last year to regain their eligibility.

The cage pundits liked what they saw and generally predicted Pepperdine or Santa Clara would top the West Coast Athletic Conference this year.

The Waves then proceeded to drop six out of their 12 practice tussles, including an Eastern swing about which the less said the better.

**Three Big Wins**

But the chips are on the table now, and the Waves are going for them all. They bopped Santa Clara and USF last week end and Tuesday night plowed under Loyola, 70-60, to stay ahead in what should be the closest WCAC race in the loop's history.

## Additional Pin Results Listed

Jan Bateman and Pauline Denyer gained girls single honors in the American Junior Bowling congress "Christmas" tourney activity last Saturday at Medford Bowling lanes.

Scores reported in a Mail Tribune story yesterday were for the Bantam division of the tourney.

Miss Bateman carded a 532 in the junior girls division and Miss Denyer a 500 to lead senior girls.

Girls doubles winners were Martha Gifford and Barbara Champion with 1014 in junior division rivalry and Sharon Laing and Marge Wonderly with 1017 among the senior division rollers.

Gordon Falk bowled 623 to win the senior boys singles and Frank Doty took junior grouping with 591. Doubles victors were Tom Bortis and Larry Jones with 1168 in seniors and Jerry Zemlicka and Larry Little with 1134 in juniors.

Scores will be compared with others throughout the nation and 300 trophies will be awarded among top scorers in three divisions.

**ROOKS VICTORS**

Centralia, Wash. — UPI — Second half backboard control and fine shooting by the outside men gave the Oregon State Rooks a come-from-behind, 64-61, victory over Centralia Junior College Tuesday night. The Rooks were down 32-21 at the half, but guards Dave Harway and Gary Rossi came through for 15 points between them in the second period to pace the visitors to victory.

**REDELEGS SIGN TWO**

Cincinnati — UPI — The Cincinnati Redlegs Tuesday announced the signing of Cal McLish, former Cleveland Indians pitching star, and veteran catcher Ed Bailey to 1960 contracts.

## Dolph Schayes Passes 15,000

United Press International—Dolph Schayes created a high-water mark in the National Basketball association Tuesday night when he became the first player to hit the 15,000 point plateau.

Schayes, in the league since 1949, poured in 34 points to raise his total to 15,013 as the Syracuse Nationals beat Boston, 127-120.

Schayes' performance was shaded slightly by teammate George Yardley, who scored a personal career high of 47 points.

**Five Records**

The New York Knickerbockers helped establish five records at Cincinnati Gardens with their 141-123 mauling of the Royals.

The Knicks' 141 points and the total of 264 for both clubs set new standards. Carl Braun's seven assists in a period and nine for the half created two more. The Knicks also set a record with 13 personal fouls in a single period.

The Philadelphia Warriors hit a club mark of nine straight victories with a 126-108 victory over the St. Louis Hawks.

## Gill Reported In Satisfactory Condition Today

Seattle — UPI — Amory T. (Slats) Gill, Oregon State College's head basketball coach, remained in Providence Hospital here today after suffering a possible heart attack Monday night.

Attendants at the hospital said he was in satisfactory condition today.

Gill, about 57, was taken to the hospital from his hotel room here Monday night. He had gone to the hotel after his team lost a basketball game to the University of Washington.

Dr. Gordon Logan, who attended Gill when he was taken to the hospital, said an electro-cardiogram had been taken but declined to say positively that the veteran coach had suffered a heart attack.

Gill's wife was here but attendants said he was not being allowed other visitors.

During his absence Paul Valenti, the assistant coach, will handle the Oregon State team.

## National Kegling Led By Smith

Omaha, Neb. — UPI — Hand some Harry Smith of St. Louis and three fellow townsmen led the way into the second day of the match game finals of the National All-Star Bowling tournament today.

The only other St. Louisian in the finals field, always dangerous Don Cater, lagged back in 12th position. But Carter, who has won the tournament four times — more than any other man — was still the bowler the leaders feared most.

He also trailed badly in the early stages of the qualifying games, but staged a dramatic rally which put him in seventh position at the final cut. 78 Points

Smith was in first place with 78 Petersen points and nine surplus pins. Andy Rogoznica of Chicago, the only "foreigner" among the top five, was second high with 77 points and an extra 44 pins.

Defending champion Billy Welu was third with 77-33, blond Bill Lillard, who is competing in his 11th consecutive All-Star finals, was fourth with 76-23, and last year's runnerup Ray Bluth was fifth at 75-45.

Shirley Garm s, Chicago, who lost only one of her eight matches Tuesday, was far out in front of the women's field. But a trio of former champions were bunched behind her.

Mrs. Garm s spilled 1,581 pins through eight games and didn't taste defeat until the final outing when Sylvia Wene of Philadelphia topped her by three pins.

## SKATER INJURED

## Lady Mountbatten Marries Decorator

Romsey, England—UPI—Lady Pamela Mountbatten was married today in an old drafty abbey warmed by the year's most elite collection of fur-coated royalty.

A 9-year-old dressed in the unlikely combination of dainty organdy lined with rugged flannel caught as many eyes as the bride. She was blonde Princess Anne, daughter of Queen Elizabeth, making her first appearance as a bridesmaid.

Lady Pamela, 30, exchanged her wedding vows with interior decorator David Hicks of London before a party of guests that would have been any hostess' dream—the Queen Mother, the Duke of Edinburgh, Prince Charles, and dozens of lesser royal figures.

## MEMO TO ADVERTISERS

The Hallmark  
of Circulation Value

In the same way that STERLING on silver signifies a standard of known value, so is the A.B.C. emblem a symbol of integrity for the circulation of newspapers and periodicals. It means that circulation so identified is measured according to the rules and standards of the AUDIT BUREAU OF CIRCULATIONS

The A.B.C. is a cooperative and non-profit association of 3,450 publishers, advertisers and advertising agencies. Organized in 1914, these buyers and sellers of advertising brought order out of advertising chaos by setting up standards for paid circulation and establishing rules and methods for measuring, auditing and reporting circulations.

Therefore, the work of the A.B.C., of which this newspaper is proud to

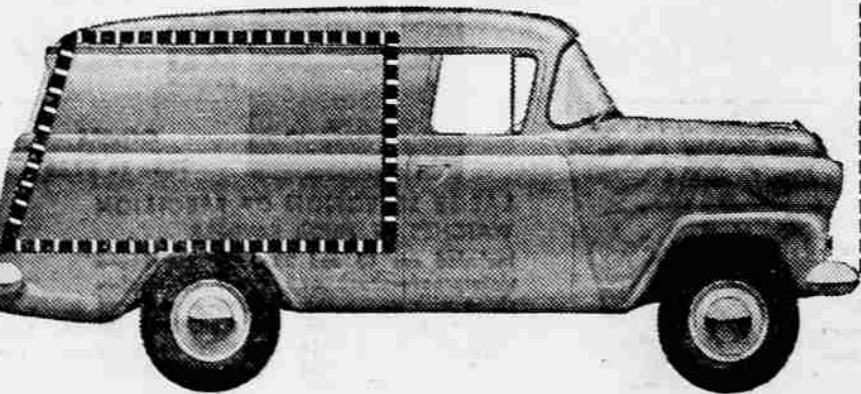

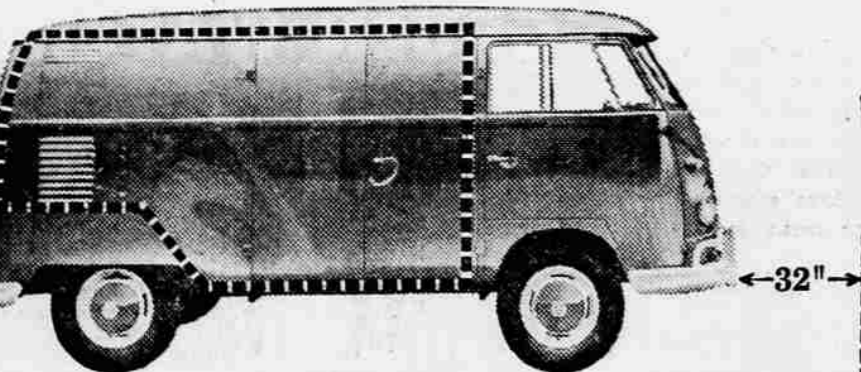

be a member, provides you with a direct and valuable service. You can buy advertising as you would make any other sound business investment — on the basis of well known standards, known values.

At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of our circulation records. The results of this exacting audit show; How much circulation we have; where our circulation goes; how it was obtained; and many other FACTS that you need in order to know just what you get for your advertising dollars. This audited information is published by the Bureau in easy-to-read A.B.C. reports which are available to our advertisers on request. Ask for a copy of our latest A.B.C. report.

## Which truck is really larger?

Answer:

The Volkswagen Panel Delivery (the one on top) is larger in cubic capacity than the usual 1/2-ton panel truck—170 cu. ft. for the VW, versus 145 cu. ft. for the usual panel truck.

The Volkswagen is also larger, of course, in weight capacity—1,830 lbs. versus 1,000 lbs.

However—The usual panel truck is larger in gas consumption, for it delivers nowhere near VW's average of 24 miles per gallon.

It is also larger in the amount of parking space it requires—larger by about 3 feet.

It is considerably larger than a Volkswagen when it comes to unladen weight—over 4,000 lbs. to VW's 2,249 lbs.

And naturally it is larger in tire wear.

If you'd like a few more comparisons between Volkswagen and the usual trucks, come in for a free copy of "We'll Let the Customer Do the Talking!"
