Medford Hoopsters Scuffle Pels Here

Southern Oregon conference basketball here on Saturday night features a pair of the top rated prep teams in Oregon.

Medford high is host to the Klamath Union Pelicans. Game time is 8:15 p.m. at the Hedrick court. The Black Tornado bears the No. 2 and No. 3 rankings of press service pollsters while Klamath Falls rates No. 5 status in both polls.

Host Medford goes into Saturday night action undefeated in the conference and with the benefit of a week of rest from competition. Klamath Falls' standing tomorrow will depend on the outcome of its game tonight at Grants Pass. At present the Pelicans are 2-1 in the loop as compared to Medford's 4-0.

Only Loss To Medford
Only Klamath loss this season has been to Medford, making the Pels 8-1 for the full slate while Medford is 7-3.

Other action in the league this week end takes Crater to Ashland this evening and to Grants Pass on Saturday.

With the exception of Ken Durkee, who has had a bad cold, Coach Frank Roelandt has reported his Medford Tornado in good physical shape for the Pelican clash. Durkee "shot around" at practice yesterday and whether

'Showboat' Hall To Join Globetrotters Here on Thursday

Robert "Showboat" Hall, reputed to be one of the greatest comedians ever to wear the uniform of the Harlem Globetrotters, will rejoin the team when it appears in Medford on Jan. 21. It was announced today by Abe Saperstein, club owner. The Globetrotters play the San Francisco All-Nations at Hedrick junior high school gym, starting at 8 p.m.

Hall has a long history with the Negro quintet since joining the organization in 1948. He quickly adapted himself to the brand of ball

he will start Saturday night was to depend on whether he could go full speed in today's workout.

Medford's starting crew likely will be chosen from among Jerry Anderson, Jerry Shults, Lowell Dean, Bob Quinney, Dick Ragsdale and Durkee. It's possible that Roelandt will open with Durkee in his usual guard position but have him alternate in and out of the hassle.

KF Has 6-6 Players
With the play of Freddie Biehn apparently having earned him a starting slot, Coach Dean White may open with a different Klamath crew than that which began against Medford two week ends ago. The selection will be from among Bruce Bricker, Gary Patzke, Steve Biney, Bob Lewis, Paul Bishop, Dean Dunson, Don Eastman and Biehn.

A pair of 6-6 players, Lewis and Bricker, give Klamath the altitude edge on Medford but the Tornado is expected to make up for this deficit with its speed and aggressiveness.

Medford margin in the other game was 62 to 46. There will be junior varsity and sophomore games at 6:30 p.m. on Saturday with the jayvees playing at Hedrick and the soph at the senior high school.

Raider Hoopsters Travel To Monmouth for Series

Ashland-Southern Oregon college seeks to make up some of the ground it lost to Portland State when it ventures to Monmouth for a two-game basketball series with Oregon College Friday and Saturday. It will return for a single game with Oregon Tech Tuesday night in the Raider gym.

Coach Ted Schopf has been drilling the SOC club intensely since it split two games with Eastern Oregon to open Oregon Collegiate conference play. Schopf feels the Raiders must vastly improve their shooting and ball handling before they will be ready for OCE's Wolves.

"We have too many scoring droughts in games," Schopf stated. He remarked that this falling hurt even during pre-conference play and must be corrected. "Our rebounding has been satisfactory," Schopf said, "but our field shooting has not benefitted from it."

Four Game Streak
Oregon College, on the other hand, is riding on the brink of a four game win streak mainly on the scoring of forwards Dennis Spencer and Ron Jones coupled with the rebounding of Al Harter, the Wolves' mainstay center.

Since splitting with EOC, the Raiders have been trying various combinations as far as putting a starting lineup together is concerned. Schopf will probably go with Gordy Carrigan and Dick Puhl at the guards and John Payne at a forward.

The main switching problem has been at center and filling the other forward. Either 6-5 Glen Peterson or 6-4 Dick Smith will get the post call with choice among Don Vannice, 6-1, Tom Bernet, 6-1, and Dave Gardner, 6-0, to fill the remaining forward berth.

Carrigan continues to lead the team in scoring with a 14.7 game average while Payne is second with 10.9 points per game.

Last year the Raiders beat the Wolves four times during the OCC season on their way to second place in the conference cage race.

Against Oregon Tech the Raiders will have their problems no matter who starts, but the Owls will be having similar troubles. Owl Coach Wally Palmberg puts a team on the floor that affords the Raiders a good battle regardless of past performances of both ball clubs.

Two years ago the two teams battled through four

overtimes before the Raiders finally won. Last year the two teams went into overtime at Klamath Falls before the Owls took command and spoiled the Raiders bid for a tie in the OCC crown race.

The game has much significance tied to it for it will be the Raiders first home conference game of the new year, the traditional Owl and Tomahawk will be at stake for the winner. These are now in the hands of the Techmen.

Spectators are urged to come early for seating in the Raider gym. In the past, capacity crowds have been on hand for the rivalry between the Raiders and Owls.

Jayvee Coach Jim McAbee will send his charges into battle against the Owl junior varsity as a preliminary game beginning at 6:30 p.m.

Raider JV Wins 65-60

Ashland-Ten players got into the scoring column for the Southern Oregon college Jayvees last night as they scored a come-from-behind victory over Glendale 65 to 60 in the SOC gym in the Southern Oregon Independent Basketball league.

Joe McNab copped top scoring honors for the Glendale club and the game at 18 but it was not enough to hang onto the 32 to 27 halftime lead Glendale held.

Teammate Jess Nunyon had 13 while Jayvee hoopsters' John Cook and Mert White had 12 each as did Morrie Jimenez of Glendale.

The junior Raiders came from behind midway in the second half to take a 61 to 50 lead. Glendale whittled away at the margin but could not quiet get back into contention.

Things had been directly opposite in the first stanza with the junior Redmen leading through most of the period before hitting a scoring drought and falling behind.

Next league action for the junior Raiders will be Saturday night when they venture to Butte Falls for a game with that team.

Strong National Boxing Control Need Expressed

New York - (UPI) - Strong national control of professional boxing and proper contributions from television to pay for a boxing "police force" were the principal proposals made at the annual dinner of the Boxing Writers' association.

Heavyweight champion Ingemar Johansson from Sweden, accepting the association's "Fighter of the Year" award, said the United States should have "national cooperation-like the cooperation among European countries."

Dimpled Ingemar, in tuxedo and black tie, spoke of the confusion in his negotiations for a return title fight with Floyd Patterson, and he won a roar of hilarious approval from the turn-away crowd of more than 550 at the Waldorf-Astoria when he said:

"I like it better at home, where you shake hands over a simple contract, have your fight and get paid the day after the fight."

He hasn't been paid since he won the title from Patterson on June 16.

Tacoma, Wash. - (UPI) - Directors of the Pacific Coast League ended their annual winter meeting with a dinner session here Thursday night.

The schedule change affected Vancouver and Sacramento. Their opening day game was moved up to April 14 from April 15.

The directors said each team will be allowed to carry 24 players the first 30 days of the season, but will have to trim their rosters to 20

Willie McCovey Gets Pay Boost

United Press International
Willie McCovey picked up a "World Series share" today, which is quite a trick considering the San Francisco Giants never got in it.

McCovey's "share" was in the form of a \$5,000 pay boost that will bring his salary in the neighborhood of \$12,000 for 1960.

"The Giants were very kind to me," said the 22-year-old first baseman. "They gave me a good deal."

LADIES TOUR STARTS

Sea Island, Ga. - (UPI) - Look for the new "reserve nine" to baffle the lady pros today in the first round of the \$6,000 Sea Island LPGA Open-first stop on the 1960 ladies' tour.

The new nine holes of the picturesque 18-hole Georgia course places a premium on accuracy of the tees. Its doglegs, numerous water hazards and jungle-like rough practically assure the title going to the golfer with the straightest game.

Presbyterians 2, Methodist Five Hoop Winners

First Presbyterian No. 2 and First Methodist won their second conflicts last night in the men's league of YMCA Church basketball.

Presbyterian with Bilbee Lane getting 14 points whipped First Christian 45 to 15. Methodist led by Bill Colley's 16 defeated First Nazarene 46 to 36.

First Baptist won by forfeit from Sacred Heart Catholic because of ineligible players but the clubs had a practice scrimmage. The default gave the Baptists also two wins.

Presbyterian No. 1 had a bye. No. 2 Presbyterian had a 26 to 7 midway margin but Methodist led Nazarene by a scant 19 to 17 at the half. Rolly Griffith put in 15 points for Nazarene.

Salem - (UPI) - State Rep. Joe Rogers (R-Independence) has filed for reelection from Polk county.

RESTS AFTER SURGERY
Boston - (UPI) - Jim Lostutoff of the Boston Celtics "rested comfortably" today after undergoing surgery to correct a slipped spinal disc. Doctors at St. Elizabeth's Hospital said the operation was a success but that it will be a few days before any definite statement about his playing future can be made.
