Southern Oregon Edges OTI 74-70

Asland — Brad Flanary's field bucket on a pass from Gordon Carrigan with 17 seconds left to play enabled Southern Oregon college to scalp Oregon Technical institute here last night in Oregon Collegiate conference basketball. Two free shots by Captain Carrigan after the final buzzer put frosting on the victory cake and the Red Raiders of the Rogue had a final margin of 74 to 70.

Outcome moved Coach Ted Schopf's Southern Oregon crew into second place alone in the OCC with a 3-2 record. OTI is 2-3. Portland State, 2-0 in the circuit was snowed out of its tussle scheduled for Portland with Oregon college.

SOC entertains Portland State on Friday and Saturday nights.

Contention here last night had its ragged portions but the close ending gave the staunch supporters of each team something to hoop, holler and scream about. The fracas was tied no less than six times in the last 7 1/2 minutes. Jack Horton of the visiting Owls missed an opportunity to tie the game.

Warriors Trip Knicks 114-93

United Press International

Wilt Chamberlain can stay out of a game for a full quarter and still make his presence felt in the National Basketball association.

Chamberlain, the league's leading scorer, tallied 30 points and nabbed 24 rebounds in the first three-quarters Tuesday night as the Philadelphia Warriors ripped the New York Knickerbockers, 114-93, in the only loop action.

Snow Hampers Cage Schedule

Much Housing Still Open at Squaw Valley

Squaw Valley — (UPI) — Advance ticket sales for the Winter Olympics topped the million dollar mark Tuesday—but Squaw Valley will be far from crowded during the 11 days of sports competition.

Clive Becker, committee ticket director, estimated an attendance of about 11,000 fans per day, but pointed out that the valley could accommodate 35,000 persons daily.

Tom James, president of the Tahoe-Sierra Chamber of Commerce, said many accommodations still were available in the Lake Tahoe area. Housing and ticket information is available through the Olympic Winter Games, San Francisco, or Olympic Valley, Calif.

Braves Warned To Be on Toes

United Press International

Manager Chuck Dressen has sent up a warning to the Milwaukee Braves "to be on their toes because nobody's job is safe."

The effervescent new pilot did it Tuesday when he hinted that National league batting champion Hank Aaron might be asked to play second base. Aaron has played both second and third at various times in the last five years but always has expressed a preference for the outfield.

There are three second-base candidates in addition to Red Schoendienst ahead of Aaron so there really isn't much chance that Hammerin' Hank will show up at that position in the foreseeable future.

The obvious point Dressen is putting across is that if he's thinking of switching Aaron he could be thinking of switching anyone. Therefore, goes the supposed reasoning, the other Braves will report to spring training ready to give 100 per cent effort from the start.

Bout Won By Moyer

Seattle — (UPI) — Fourth ranked welterweight Denny Moyer scored a third round TKO over veteran Pat Lowry in a scheduled 10 - round main event here Tuesday night.

The win was the 23rd in 24 starts for the 20-year-old Moyer of Portland, Ore., and his third straight since losing a 15-round decision to welterweight king Don Jordan in a title match last summer.

Moyer was in command throughout the brief bout. He punished Lowry with snapping left jabs in the first two rounds and had the loser bleeding from the nose from the on.

Moyer began throwing right crosses in the third heat and had Lowry down twice before the referee halted the match in 2:53 of the round.

Moyer weighed 149 and Lowry scaled 150 1/4.

Continental Not To Operate in Season of 1960

Columbus, Ohio — (UPI) — An exchange of wires between Continental league President Branch Rickey and minor league President George M. Trautman apparently has dispelled any notions that the third major league will operate next season.

Rickey, in a telegram to Trautman Tuesday, said the Continental league "has never intended to operate in 1960." The answer was requested by Trautman to clear the air for minor league clubs to get their programs rolling for next season.

Lipscomb Bills Grappling Debut

San Francisco — (UPI) — Gene (Big Daddy) Lipscomb, a living legend at the age of 28 in professional football, turns his talents to wrestling here on Tuesday when he makes his pro debut in the art of grappling.

And the feature hold in Big Daddy's repertoire, appropriately enough, will be the "bear hug." "He has such strong legs and such powerful arms that he's just going to squeeze the wind out of a lot of our top wrestlers," says promoter Joe E. (Waffle Ear) Malczewicz, who also has been tutoring the 294-pound physical specimen.

Chargers Name Coach

Los Angeles — (UPI) — The Los Angeles Chargers of the American Football League have named Al Davis, former line coach at the University of Southern California, as an assistant coach.

Are you staking your safety on "WASHBOARD BRAKES?"

"Washboard Brakes" can rob you of 40% of your stopping power... cause you to kill or be killed in the "panic" stops that confront every driver. This dangerous condition is caused by normal uneven wear and deep scoring on brake drum surface which prevents 100% contact between lining and drum.

For your own safety and economy, let us check your brakes every 5000 miles. We can resurface "washboard" finish brake drums with our Amcco SAFE-TURN Brake Drum Lathe. You'll get 100% contact between brake lining and brake drum, for safer, smoother stops... more miles from your lining. Come in today for a safety brake check-up!
