

Deer Tangles With Car; He Wins

Harve, Mont.—A large buck deer with a distaste for sports cars sent Joseph Duignan to the hospital for treatment. Duignan stopped his convertible when he saw the animal. The deer charged the car without warning in a flying leap, tearing the fabric top, smashing the windshield and bending a door post. The driver was treated for cuts and bruises.

Autos, Donkeys Have Something in Common

Medicine Hat, Alta.—Automobiles and donkeys have at least one thing in common. Both depreciate in value from year to year.

Albert Holt purchased a donkey at an auction sale here in November 1958 for \$85.

A year later the donkey was auctioned off for \$50.

WINS PAROLE

White Plains, N. Y.—An internationally known jewel thief, who won himself a reduction of his jail sentence with legal knowledge acquired in prison, was eligible for parole today. Gerard Graham "Raffles" Dennis had his sentence reduced Tuesday from 18 years to life down to 15 to 20 years after gaining dismissal of three felony convictions. If paroled, Dennis will face other charges in California, Pennsylvania and Canada.

The world's largest salt water pier is Pier 91 in Seattle, Wash. It could moor two ships the size of the Queen Mary on either side and still have more than a city block left over.
