Softball Events Among Highlights; Recreation Program Grows in City

High school football provided the feature of the year—and a double-barreled one at that—in sports during 1959 in southern Oregon.

Medford high's championship in Class A-1 and St. Mary's co-title with Yoncalla in Class B were the noteworthy gridiron achievements. And, they had added significance. So far as can be determined, it was the first time that two high schools from the same Oregon city captured state diadems in the same sport in the same year.

For the Crusaders of St. Mary's, the grid laurels represented their second state crown in a banner year of sports. They garnered the state B mantle in track after having also claimed the Class C Hayward relays, tantamount to another Oregon title.

Among the years highlights, southern Oregon fans saw the world women's champion Raybestos Brackettes play at Camp White and Salem win the Oregon women's softball toga on the same field. The Crater Cubs of Central Point brought honor to their community with the Oregon Junior Baseball association crown. Oregon Bow Hunters held their state broadhead tourney at Camp White.

Bowling Expands
There was expansion of bowling with the opening of new Roxy Ann lanes and enlargement of Medford lanes. Southern Oregon Independent Basketball league completed its first season of operation and tennis took an upswing through the efforts of Rogue Valley Tennis club.

Rifle and pistol shooting and archery benefited by completion of Medford Rifle and Pistol club's indoor range.

A Medford city recreation department was formed and provided increased summer activities for youth in cooperation with the local school system. The summer baseball program was enlarged and all-comers track inaugurated. Similar meets were held in Ashland city-Southern Oregon college cooperation.

Drag racing had another big year, climaxed by the

ford tied with Klamath Falls for the Southern Oregon conference team toga. Gaining titles in bowling were Gertie Riggs, Medford, in Class A—all-events, and Lucy Turner and Helen Poulson in Class.
