Pros Open Road Show In Tennis

San Francisco —(UPI)— Jack Kramer's tennis troupe opens its annual United States road show tonight in a program that finds the "no bounce" rule getting a tryout.

The innovation, which Kramer thinks will encourage players to develop their ground strokes, provides that the ball has to bounce once before it is returned over the net. Thus a player cannot rush the ball and seek to put the ball away with a sharp volley after he has served. Presumably, the accent will be on base line play and longer rallies.

"It will make for a tremendous difference in spectator interest," Kramer says while Pancho Gonzales, an exponent of the "big game," opposes the switch.

The "no bounce" regulation will be in effect when Tony Trabert and Alex Olmedo, the newest pro in the caravan, meet in a preliminary match.

The old style net game will go in force when Gonzales meets Ken Rosewall in the feature. And things will be main normal when the pair team up against Trabert and Pancho Segura in the doubles.

Koch Does Well For Pilot Frosh

Portland — High-jumping George Koch of Medford ranks as the No. 5 scorer for the University of Portland freshman team after 13 games with 91 points.

A member of the Medford high school varsity last year, Koch has started nearly every game in a forward position for the Pilots.

He has scored 31 field goals and made 29 of 45 free throw shots. The Pilots have won 8 of 13 games. They face Clark college Thursday in Portland.

Although only 6-3, Koch has demonstrated great potential. His rebounding and blocking of shots is sensational and he passes with tremendous accuracy. His scoring is coming along. In his last three games, for example, he's scored 33 points. Koch has been in double figures five times this year.

Tornado To Travel To GP for Scuffle

An undefeated record for the first half of the Southern Oregon conference basketball slate is the immediate aim of the Medford high team this week.

Black Tornado hoopsters take to the maple court just once on the weekend. They travel to Grants Pass on Friday evening. The tangle will be the eighth for Medford in its 16-game league schedule.

The evening will find the GP Cavemen making an all-out bid to stay in the conference running. They now stand third in the circuit with a 3-3 status compared to Medford's 7-0. On the following night Grants Pass journeys for a contest with second spot Klamath Falls (4-2).

Medford, because of its 69 to 48 verdict in the first 1960 conference mix with the Cavemen, will be favored tomorrow. But past Medford experience with GP teams has alerted the Black Tornado not to expect a pushover. For, the Cavemen frequently have risen to occasion with high spirited play.

Grants Pass showed a rolling, weaving offense here earlier this month. It gave Medford defense a real workout although the Tornado managed to hold the GP gunning down. If the Cavemen

SOTA Will Hold Awards Dinner

Southern Oregon Timing association's annual awards banquet will be held Saturday, Jan. 30, in the Jackson hotel Pioneer room. Time will be 6:30 p.m.

Dr. Leonard Mayfield, superintendent of Medford schools, will be principal speaker. He will talk about his recent trip to Russia. Awards will be presented to numerous SOTA members for outstanding service during the past year.

M. C. Deller, Roseburg, superintendent of schools, will present a plaque to SOTA in recognition of some \$600 for new library books given to the Roseburg school system from proceeds of a special drag race held last August. The books are being purchased to help restock the shelves of Roseburg's North Junior High school which was seriously damaged by the blast of a truck loaded with explosives.

Entertainment Saturday will include two movies concerning major national races. A dance will top off the evening. SOTA officials said a few reservations are still available. Anyone desiring these should telephone SP 2-5470 or SP 2-2148 this evening.

Hawkinson Cage Quintet Busts SOIBL Point Mark

Glendale and National Guard will meet at 8:30 o'clock this evening at McLoughlin gym in a Southern Oregon Independent basketball league game.

A Southern Oregon Independent Basketball league scoring record established by the unmarred Hawkinson Tire Tread team lasted just over a week. The Tirenmen, who piled up 103 tallies against Butte Falls on Jan. 19, drubbed Big Y markets 117 to 65 last night to run their loop victory string to seven games.

Southern Oregon college junior varsity won the other part of last night's doublebill at McLoughlin gym here. The Junior Raiders clubbed Andy's Jewelers 82 to 58 to strengthen their grip on second place.

Hawkinson's, which had 47 field goals and 23 free shots for the 40-minute span, did most of its tallying in the second half. The Big Y had only five players on hand who had to go the route. They made a battle of it in a see-saw first half in which the Tirenmen emerged 41 to 35.

The Hawkinson reserve strength and its pressuring game turned the tide heavily against the Market club in the second half, however. Of the

10 Tirenmen who played, seven tallied in double figures with Dave D'Olivio getting 22 and Dale Bates 20. Dave Reese put in 25 for the night for Big Y for the game's high.

The Tire team passed the previous scoring mark with somewhere around four minutes left to play.

SOC's jayvees broke away from an 11-all deadlock to lace the Jewelers. The Raiders headed 46 to 19 at halftime. Andy's came up with 14 points twice. Then SO gradually pulled away. The Jeweler team plunked in the first two buckets of the fray. SOC went on top for the first time at 7 to 6 and then made it 11 to 6. Andy's caught up but couldn't stay in contention. John Cook had 20 points for the jayvees. Derald Wootton's 13 were high for Andy's.

Crater High Preps For Ashland Scrap

Central Point—There may be some changes made. That's what Coach Lloyd Hoffine indicated today in discussing the Crater high basketball team's lone Southern Oregon conference engagement of the weekend.

The Comets will entertain Ashland on Saturday evening.

Hoffine said that there likely will be a shakeup in the Crater lineup but he wasn't ready to say just who the starters would be.

Crater cagers have scrimmaged a lot this week, the mentor said. Today's practice was to be the last before the Ashland mix since the gym will be occupied Friday by the Comet and Klamath Falls wrestling teams.

Both Ashland and Crater will attempt to bounce back from setbacks at the hands of loop pacers last weekend. Ashland, 92 to 32 losers to Medford, will have a Friday ruckus as host to Klamath Falls who downed Crater 97 to 61.

The Ashlanders are still seeking their first league triumph. They have had six loop tussles. Crater will go for a third victory in eight combats.

The last outing between Ashland and Crater ended 47 to 43 in Comet favor. Crater built up a 15 point lead in the third quarter but had to come from behind to win when Ashland caught up and went ahead in the fourth panel.

AFL Eyes Legal Fight

Miami Beach, Fla. —(UPI)— Dallas, a college football boomtown which was a bust as a professional site in 1952, was expected to be admitted today as the 13th team in the National Football league.

Dallas, Tex. —(UPI)— Officials of the American Football league, still split on who will get the new circuit's eighth franchise, faced new trouble today from the rival National Football league.

The NFL announced in Miami Beach Wednesday it was amending its constitution to pave the way for expansion to Dallas — the cradle of the AFL — and to Minneapolis-St. Paul, which it previously wooed away from the AFL.

AFL Commissioner Joe Foss said he "already has attorneys at work on the matter," indicating there was a strong possibility he would take legal action to block the move.

Meanwhile, the league officials had narrowed their candidates for the eighth franchise to Atlanta, Oakland and San Francisco.

Eddie McGrew Junior Rifle Club President

Eddie McGrew has been elected president of the Medford Junior Rifle club. Other officers are Eddie McGinty, vice-president; Connie King, secretary; Andree Bessonette, treasurer, and Leslie Little, executive officer.

The new senior advisory committee consists of D. J. Bolton, Lewis Conger, Chuck Taylor, Marvin Nelson and Clinton Charley. Harry Heinrich continues as instructor. The clubs activity on the new range began in March of last year. During the year there were three new groups enrolled. Each group completed a six-weeks training course in hunter safety, responsibility and rifle marksmanship, for a total of 58 boys and girls. Margaret Taylor qualified and received the distinguished rifleman award, highest presented by the National Rifle association. Leslie Little and Eddie McGrew each received the expert award, the next to highest to be won.

The United State Department of Justice was created in 1789.

Linksmen Knot In Senior Mix

Dundee, Fla. —(UPI)— The oldest of the oldtimers teed off for the second round of the PGA Seniors golf tournament today mindful of "age does make a difference."

The players from 55 past 80 resumed play today after the "youngsters" age 50-54 Wednesday produced seven better cards than the top scorers turned in by the older brackets on opening day Tuesday.

Al Watrous, 60, three-time winner of the Seniors, led the pack on opening day with a one-under-par 71. But he was with the field of players ranging in age from 55 past 80.

When the 50-54 bracket got its chance at the first round Wednesday, Charlie Sheppard of Highland Park, Ill., and Duke Gibson of Kansas City, Mo., scored 68s to take the lead. And five others topped Watrous' mark of 71.
