Enlivened Ashland Plays KF Tonight, Crater on Saturday

Ashland — There's new vitality on the Ashland high basketball squad this week and Coach Earl Iba says, "We just might give somebody some trouble."

The Grizzlies are hosts to Klamath Falls tonight and meet Crater at Central Point on Saturday evening to round out the first half of the Southern Oregon conference slate.

Iba says his Ashland charges have been working hard, hustling and looking good this week. Steve Gray and Paul Alley, who played junior varsity ball last season, have been added to the varsity roster. Gray, who played some varsity ball at the start of last campaign, could see quite a bit of duty. And, Alley could see some service, too, depending on his physical shape.

The two additions replace two hoopers dropped from the squad as the result of an occurrence of last Friday night.

A 92 to 32 humiliation at the hands of Medford last Saturday has provided incentive for the Grizzlies, who are still after their first league win.

Because of the way the Ashlanders have been working, Iba said he may platoon his cagers in the week end games. He was still at a loss this morning to name a definite starting lineup. It's among

Pilots Top Creighton

Portland — (UPI) — Portland's Pilots used an "iron-man" lineup to defeat Creighton 55-45 in a basketball game here Thursday night.

Coach Al Negratti substituted only in the final nine seconds of the game when Captain Jim Altenhofen drew his fifth personal foul.

The starters distributed the scoring evenly with Bill Garner getting 13 points, Frank Bosone 12, Mike Doherty 11, Chuck Rogers 10 and Altenhofen 9.

Portland hit on 21 of 61 shots for a .344 average while Creighton had 17 out of 60 for .283.

Dick Harvey, Creighton forward, took game scoring honors with 18 points in a contest that was marred by frequent vocal outbursts from Creighton Coach John McManus. McManus twice was called for technical fouls and a third technical was called against the Creighton bench late in the game.

Portland is now 9-6 for the season.

Roseburg American Legion baseball and Don Peterson, Franklin high basketball, Jack Hurley, colorful boxing manager and promoter, will be the principal speakers.

Reservations may be obtained from members of the association or by writing "Banquet of Champions" at 1620 SW Park Ave., Portland. Tickets are \$5 each for the 7 p.m. affair.

Jim Stewart, Phil Tucker and Bob Hardy at the two posts with Harley Dickerson, Jerry Hauck and Dave Jackson or Steve Harris to fill in the other places.

Iba reported that Doug Forrest, who has been sidelined by a football leg fracture, may join the squad shortly. He was a regular last season.

For Crater, which entertains the Grizzlies tomorrow night, Coach Lloyd Hoffine has indicated some shakeup in his crew. Change, however, may not be drastic. He said this morning that the starting selection may be among seven men, Richard Woods, Tom White and the usual five, Chuck Turner, Earl Cooper, Denny Edwards, Loyal Higginbotham and Dave Sharp.

Carol Heiss Has Lead In Skating

Seattle — (UPI) — David Jenkins, Colorado Springs, Colo., a three-time national figure skating champion, today opened his bid for a fourth crown in the 1960 National Figure Skating Championships.

Jenkins, along with six other skaters, will cut his school figures, the basic backbone of figure skating, on the ice at Seattle's Ice Arena. The school figures are good for 60 per cent of a contestant's final score.

Blonde Carol Heiss, New York City, also a three-time national champion, held a solid lead in the senior ladies' division and was a virtual clinch to wrap up her fourth crown in the free style skating tonight.

Miss Heiss turned in a near-perfect display of precision skating Thursday to walk away with the school figures in her division.

Bob Madden, 14, Tacoma, Wash., shook off the effects of an attack of tonsillitis to become the first champion crowned in the four-day tournament.

Madden, who won the school figures in the novice men's division Wednesday, came back in the free style Thursday night and outlasted a stern challenge by second-place Bobby Mear, St. Paul.

Carol Ann Noir, 12, New York City, gained a national title with a victory in the ladies' novice division.

The brother-sister duo of Laurie and William Hickox of San Francisco joined the title list with a close victory over Vivian and Ronald Joseph of Chicago.

Jack Hurley, colorful boxing manager and promoter, will be the principal speakers. Reservations may be obtained from members of the association or by writing "Banquet of Champions" at 1620 SW Park Ave., Portland. Tickets are \$5 each for the 7 p.m. affair.

Woods, Water, Wildlife

By Hank DeVoss

The new 1960 fishing regulations are expected to go into effect sometime around the first week in February. Those steelhead fishermen who prefer that stretch of the Rogue from the Applegate to Hellsgate had better keep their eyes peeled for the announcement. I expect there will be much hair-pulling and teeth-grashing when this favorite piece of water is closed to the local sports, but there should be some consolation in knowing that it's being done as an attempt to provide better fishing for all of us.

(Notice: I said better fishing, not more fish.)

NICE SPOTS
How many fishermen are acquainted with the fine job Josephine county has been doing in their county parks department? The Alameda landing below Galice is a spot developed recently and would be a nice place to take the family for a picnic. Of course, the fact that the nearby rifle is a good bet for winter steelhead ought to have some weight in persuading Dad that it's worth a try.

RELEASE THE BRAKE!
Looking at the efforts of its poorer relation to the west ought to give Jackson county some cause for blushing. We have more potential and so far it looks as though most of it will remain potential. There is no good reason, either economic or otherwise, why this county shouldn't have a parks program which would rival those of Josephine, Douglas, and Lane counties. At this day and age, Prescott park can't be considered even a good start!

MORE PONDS
Josephine county is also in the process of beginning the development of two reservoirs for spiny-ray fishing. They will have ninety to a hundred surface acres and will be incorporated under the county park system. The game commission will manage and control the stocking of the fish and use will be limited to fishing, swimming, and row-boating. This will help alleviate one of the serious lacks in the recreation possibilities of Josephine county and it is hoped the good work will continue.

FROM TIME TO TIME THIS
New York — (UPI) — Slugger Charley Scott of Philadelphia and speedster Benny (Kid) Paret of Cuba fight tonight for a shot at the welterweight crown in their return TV 10-rounder at Madison Square Garden.

Betting on tonight's bout is at "even money" and the wagering is unusually brisk.

Paret, 22, won an upset, unanimous decision over the 23-year-old Philadelphia left-hander at the Garden, Dec. 18. Although Cuban Benny went into the ring a 3-1 underdog that night, he kept the pressure on Scott throughout the exciting fight and had him on the floor in the 10th round.

Smith River — The latest reports said the mud had moved the fishermen way up on the South fork. It should be good today and maybe Saturday.

THE OPTIMIST'S CORNER
The need for organizing the sportsmen and conservationists can be met by encouraging all interested individuals to find the organization which best fits their point of view and becoming members. The local Sportsmen club will hold its monthly meeting in the Girls Community club on Monday night. The program will be colored slides of a moose hunt in Canada presented by Jay Giese. The public is invited and the meeting begins at 8 p.m.

Drop in and see what's going on.
GOOD LUCK!

Cavemen Entertain Tornadoes Tonight

Grants Pass high's hoop squad has had a couple of players troubled with ailments this week but they are reinforced for their ruckus with Medford tonight with the return of a tall player.

Medford and Grants Pass varsities battle starting around 8:15 o'clock this evening at Grants Pass in their second meeting of the season. Skirmishes prior to the main fust are set between junior varsity and Wildcat crews.

Reports from Grants Pass said that scoring star Rex Benner missed Monday drill because of bruises and that Gary Hugoboom has been pestered by shin splints. Back with the Cavemen is Clyde Murray, 6-3. He broke a finger before Christmas. Murray played a little in the Ashland game last week end in his first action since that time.

Eighth Win Sought
Possible starters this evening for Coach Gordon Pehrm's Cavemen are Rex Benner, Larry Janssen, among Jim Purkett, Hugoboom and Murray for the two post positions and between Ron Erickson and Dan McIntire for the fifth spot.

For Medford, Coach Frank Roelandt likely will call on the usual combination of Jerry Anderson, Jerry Shults, Lowell Dean, Ken Durkee and Dick Ragsdale. He has indicated that Bob Quinney and Booth Deakins will see a good share of action.

The Black Tornado of Medford, undefeated in the conference, is shooting for its eighth league win. Tonight's mix is Medford's only scrape of the week and will complete the first half of its loop schedule. Grants Pass (3-3) goes to Klamath Falls (4-2) on Saturday. The Tornado's first place standing is safe this week but GP has the opportunity to tie or go ahead of the second place Klamath club.

Date for making up the game has not been set. National Guard will play at Butte Falls on Sunday at 2 p.m.

A Saturday game, set for 8 p.m. takes Big Y Markets to Butte Falls.

Grade School Hoop Outcomes Reported
West Side defeated Jacksonville 21 to 18. Lincoln won from Ruch 25 to 16 and Oak Grove trimmed Lone Pine 26 to 11 yesterday in Medford district grade school American league basketball games.

Washington downed Hoover 27 to 16 in the National circuit and Roosevelt beat Howard 34 to 14 in non-league play.

Dallas Gets Franchise; May Become Pro Alamo

By NORMAN MILLER
Miami Beach, Fla. — (UPI) — The National Football league set up a stand today in Dallas, where the infant American league had established one of its prize franchises, and immediately made Texas the battleground for a new pro football war.

Acting expansively for the first time since 1950, the 40-year-old NFL also announced it would have a franchise in Minneapolis-St. Paul in 1961 and planned eventually to enlarge to 16 teams within the next three years. St. Louis and Miami were possibilities.

Upon learning that the NFL planned to operate in Dallas next season, AFL Commissioner Joe Foss issued an anguished charge of "monopoly."

One-Team Market
Foss labeled Dallas as a "one-team market" and threatened "the AFL definitely will take action . . . through the courts, Congress or any other means."

Pete Rozelle, new commissioner of the NFL, replied that the older league had not complained when the AFL moved in. Rozelle said the NFL "welcomed the competition."

Oregon State, UO Fives Tussle California Foes

United Press International
West Coast teams are in for a busy schedule tonight and Saturday with the Big Five expected to make a clean sweep in the win columns.

California and Oregon will host Oregon and Oregon State respectively on their own home courts. They haven't been known to give away points there.

However, Stanford will not be helped by ace playmaker and captain, Johnny Arrillaga. The star guard is nursing a sprained ankle. The Cards have managed to rack up five wins out of six games with Northwest teams, but Arrillaga's absence could start the tide to turn.

Bears Picked
California, the NCAA champions with a 14-1 mark, should have no trouble with Oregon, though that won't be a pushover either. The Ducks carry a 13-4 record and they could be a tough team to beat.

The southern members of the Big Five, USC and UCLA, will lock horns with Hawaii and Denver respectively. The Trojans shouldn't have too much difficulty dumping Denver, but the Bruins might be in for a tough tussle with the Rainbows. The Islanders are known to be tenacious and a victory over UCLA might be upsetting, but not surprising to the Bruins.

In other games tonight, Washington moves onto Washington State's court for a traditional contest. Loyola moves to Nevada and San Diego State visits Fresno State.

St. Mary's Vies at BF
St. Mary's high's front position is safe for the present in the Jackson County B league maplecourt contention but the Crusaders will bid for added protection tonight.

They tussle Butte Falls at Butte Falls. The Medford team is undefeated (4-0) in the loop while Butte Falls (1-3) is tied for the cellar spot with Talent.

Their victory appetite sharpened by a win over Butte Falls on Tuesday, the Talent Bulldogs take on Prospect tonight in another league ruckus at Talent.

This evening's games take the clubs past the halfway point of the regular league schedule. The four member schools will conclude loop contention with a tourney.

HAIR SPECIALIST HERE SATURDAY

Will Show How To Save Hair and Prevent Baldness

Phoenix, Ariz. — New home treatment methods for saving hair and improving its growth will be demonstrated in Medford on Saturday, one day only.

Trichologist T. Donlon will be in charge, representing the dynamic KELLY HAIR EXPERTS organization. He will personally examine hair-worried men and women from 2:00 p.m. to 9 p.m. Saturday at the Medford Hotel.

This new treatment is neither "mail order" nor "cure-all." It is adapted to the individual after a personal examination and progress is checked personally at regular intervals by a Kelly expert.

WHO CAN BE HELPED?
For many years now KELLY HAIR EXPERTS have been checking the hair of thousands of people across the country. They have encountered and dealt with hundreds of cases of every kind of hair trouble. From this experience has grown the body of scientific knowledge, leading to the development of the new Kelly Home Treatment.

Will the new Kelly treatment cure baldness? "No." For we cannot help men and women who are slickbald after years of gradual hair-loss. But if you still have fuzz and your scalp is still creating hair you can at least save and thicken what you have. Some conditions, such as "spot baldness," usually have complete coverage if caught in time!

Other conditions that usually bring an excessive hair loss—dandruff, itching, over-oiliness or dryness, follicle clogged with sebum or seborrhea—can be corrected by the Kelly home treatment if caught before the "hair factories" are destroyed.

Evidence of the success of the Kelly method is that the organization has quickly expanded to serve hundreds of cities in 32 states and Canada.

The most important thing is: "DON'T WAIT UNTIL IT'S TOO LATE." Surveys among men and women in all walks of life show that the worst enemies of your hair are (1) skepticism and (2) procrastination. The average balding person justifies his condition with one or the other of these two statements:

"I don't think anybody can stop hair loss!" — or "Oh, I'm going to see an expert when I get around to it."

Baldness won't wait for doubters to be convinced or for procrastinators to take action later. You're going to keep right on losing hair until you're bald . . . unless you get your scalp in healthy, hair-growing condition again.

SATISFY 95%
"Actually, our biggest problem is not in doing what we claim," says Kelly. "For we satisfy at least 95% of our clients which, when you consider that almost every person is a 'doubter' or a 'putter-offer' where hair is concerned, is an excellent showing. Getting these doubters and putter-offers to come in for an examination is really the problem."

EXAMINE YOU FREE
We want to make it clear that you incur absolutely no charge or obligation by coming in for an examination.

Your only obligation is to yourself to ease your mind or hair worries by learning how to save and thicken your hair at home. We will tell you frankly and sincerely whether or not you can be helped, how long it will take, and how much it will cost. We do not accept cases that will not respond.

GUARANTEED SATISFACTION
The KELLY HAIR EXPERTS will give you a written guarantee that you must be satisfied within 30 days or it costs you nothing. For a free examination and discussion of your hair problems, ask the desk clerk at the Medford Hotel, Saturday only, between 2:00 p.m. and 9 p.m., for Mr. Donlon's room number. He does not make appointments so come in at your convenience.
