GRAB FOR BALL—Oregon State college guard Bill Wold, left, and forward Steve Flynn, make a grab for a free ball during game with Stanford Friday night at Stanford. The OSC Beavers overcame a first half cold streak to overcome the Indians 45-40. (UPI Telephoto)

Bill Bowerman, University of Oregon track mentor and ex-Medford high athlete and coach, is called "America's top distance-running coach" in the current issue of "Sports Illustrated" magazine. The article discusses the performances of UO distance men, Daryl Burslen, Jim Grelle and George Larson, in the Los Angeles indoor invitational and gives some insight on Bowerman's training techniques.

Bill is described as "An intense man" who "works his athletes hard in spurts and rests them hard in between."

INDIANS NAME AIKEN
Jim Aiken, ex-University of Oregon football coach, has been named Roseburg High school athletic director. He succeeds Lorne (Dutch) Simons, who re-

signed to take a post with a San Jose insurance and brokerage firm. Aiken has been on the Roseburg faculty full time this year after substitute teaching last school year. He was with Umpqua a Plywood company for several years. Aiken's 1947 Oregon grid team was voted out of the Rose Bowl but the Ducks accepted a Cotton Bowl invitation.

ROSEBURG UNHAPPY
When playing basketball at Grants Pass, win by a large margin. That's what Bill Gould, sports editor of the Roseburg News-Review, has advised high school teams which invade the Climate city. Bill refers to the December game which Roseburg high claims ended in a 52-all tie and Grants Pass says was won by the Cavemen 52 to 51. Oregon School Activities association, after recent investigation, designated GP the winner.

Gould recalls that in 1957 the Roseburg Indians "won" a one-point decision over GP in regulation time only to learn that a scoring error had been found, making a tie. Grants Pass took the tussle in overtime.

The OSAA in rendering judgment this season reportedly went by the running score and the total which was on the scoreboard rather than on individual point tabulations. However, Gould still hotly contends that "the circumstances surrounding the hassle left no doubt that the game should have been left at the correct 52-52 tie." He charged "admitted" error by the official scorer, "admitted" failure of the referee to sign the book as correct right after the game and "admitted" doctoring of the score-book.

INADVERTENT TRANSFER
A prep football star inadvertently was transferred in this department's 1959 roundup last week. Jack Hoffbuh, who gained all four grid awards at his school belongs to Phoenix, not Eagle Point.

Foul Claim In Santa Anita Race
Arcadia, Calif. — (UPI) — First Landing yesterday survived a claim of foul to capture the \$166,490 Santa Anita Maternity by a half length in his biggest victory since capturing the Garden State stakes two years ago.

The claim of foul was lodged by jockey Donald Pierce whose mount, Linfold, finished third, 2 1/2 lengths behind Bagdad, which was second. But Pierce claimed he suffered interference on the final turn and had to slow up with Linfold.

The stewards delayed announcing the outcome of the race nearly 70 minutes while viewing motion pictures of the event. They decided there was not sufficient trouble to change the outcome of the race.

The mile and a quarter race ended in a brilliant riding exhibition by Eddie Arcano, on First Landing, and Willie Shoemaker on Bagdad.

The pair fought it out all the way down the stretch with whips flashing. At the finish, it was First Landing in front by a half length.

ENGLISH TAUGHT HERE
New York — (UPI) — American English is going to be taught in the schools of Guinea, the tiny French-speaking independent country in West Africa. L. L. Bruggeman, head of the international division of the American Book Co., said American English will be compulsory in Guinea's elementary and high schools. This brings to 79 the number of countries teaching English in their public school systems.

Anne Quast On Curtis Cup Team

New York — (UPI) — The United States, which has won the Curtis Cup women's amateur golf competition against Britain only once in the last four tries, Saturday named a seven-girl squad to attempt to regain the cup on May 20-21 this year at Worksop, England.

Heading the squad was Barbara McIntire, U.S. women's amateur champion from Lake Park, Fla., who was a member of the last U.S. Curtis Cup team in 1958 which played to a 4 1/2-4 1/2 tie against Britain at West Newton, Mass.

The last U.S. triumph was in 1954. Britain, having won the cup in 1956 by a 5-4 score, retained possession of it by the tie in 1958.

In addition to Miss McIntire, also returning from the 1958 squad are Joanne Gunderson, former U.S. champion from Kirkland, Wash.; Mrs. Ann Casey Johnstone of Mason City, Iowa; and former U.S. champion Anne Quast of Marysville, Wash.

Joining the squad for the first time are Joanne Goodwin of Haverhill, Mass., runner-up in last year's national amateur championship; Judy Bell of Wichita, Kans.; and Judy Eller of Old Hickory, Tenn.

Squad alternates, in the order they would be added if one of the first seven drops out, are Barbara Williams of Richmond, Calif., Mrs. Paul Dye Jr. of Indianapolis, Ind., and Mrs. Mark A. Porter Jr. of Westmont, N.J.

The United States has won seven out of the previous 10 Curtis Cup competitions despite Britain's domination in recent years.

In the 1958 renewal, Miss Gunderson and Miss Quast scored victories in their singles matches while Miss McIntire was involved in the draw and Mrs. Johnstone was defeated. The competition consists of three foursome matches and six singles matches with one point allotted for victory in each and a half-point for a tie.

The Curtis Cup lineup was announced at the conclusion of the U.S. Golf association's annual meeting here.

Waterfowl Plentiful During 1959

Portland — A mass count of ducks and geese took place across Oregon recently as the Oregon game commission joined forces with the fish and wildlife service to assist in mid-winter waterfowl inventories conducted across the nation, Mexico and Canada.

According to the Oregon counts, waterfowl gunners will have to find some other alibi than lack of birds for the mediocre shooting during the 1959 season. Results of the Oregon inventory disclose wintering waterfowl of all species topped the 1,000,000 mark which is about 21,000 more birds than recorded last year.

Total duck count reached 908,816 compared to 883,748 last year, while the count on geese stood at 75,289 compared to 88,755 in 1958. Brant, coot, and swan made up the remainder of the total count.

Fewer Mallards
Gunners who insisted there was a lack of mallards were correct in their observations with the tally showing a drop of just over 100,000 in the wintering population. Last year more than 514,000 mallards were found in the state compared to just over 413,000 this year.

Big increase in the duck population took place in the pintails with a tally of more than 207,000 compared to 193,000 last year. Baldpate also increased from a count of 189,000 last year to almost 217,000 this year. Buffhead, ruddy duck, and green wing teal were up a year ago, while canvasback numbered only about half of last year's population. Six harlequins were recorded in the Nehalem area, the first time these birds have been found wintering in Oregon for several years.

Total goose population was down about 13,000 in number from last year. Main drop took place in the numbers of lesser Canadaes where the tallies showed about 28,000 birds compared to more than 39,000 last year.

SOLID CITIZEN
Batavia, N.Y. — (UPI) — Inspectors arriving to open a polling place for registration found Mrs. Hattie L. Smith already waiting for them because, she said, she wanted to be first. The inspectors had nothing but a admiration for Mrs. Smith, who, they learned by discreet inquiry, had just turned 96.

Pott Takes Open Lead

San Diego, Calif. — (UPI) — Johnny Pott, former Louisiana State collegian, shot a 6-under par 66 Saturday to grab the lead after three rounds of the 72-hole \$25,000 San Diego open with a score of 201.

Right on his heels was Mike Souchak, Grossinger, N. Y., who had a 67, and a total of 202 for 54 holes.

Pott, 24, Shreveport, La., was the lone survivor of a four-way tie which prevailed at the end of two rounds Friday with Mason R. Rudolph, Clarksville, Tenn., and Bob Goalby, Crystal River, Fla.

Red Raider Hoopsters Bill Gators

Ashland — Southern Oregon college's basketball team has to lead the Raider scoring end before playing host to San Francisco State's Gators in a non-conference engagement here Tuesday at 8:15 p.m. following the Raider

SOC's battle with the Gators will be a return engagement. The Bay area basketballers defeated the Raiders last season in a single game. A pair of 5-10 twins playing the starting guard spots for the Gators with Jim Caranica being the leading scorer over his brother Nick. Jim helped sink the Raiders last year with his deadly jump shots. His shooting has put him well over the 200 point mark this year.

Forward Bill Purcell is second in scoring for the Bay team with over 160 tallies. John Christgau is scheduled for the other forward.

Center and top rebounder is Mahlon Harmon who is tallest in the Gator lineup at 6-6. Gordy Carrigan continues to lead the Raider scoring with 239 points over 16 games. The men of SOC are back after a bout with the flu to tally 20 points against Oregon Tech Tuesday evening to push his game average to 14.9.

Two other Raiders, John Payne and Glen Peterson have reached the 100 point level and Dick Smith lacks only one before he tops that point. Payne has 163 for a 10.2 average while Peterson has 100 for a 6.3 average.

Payne also leads in rebounds with 150 while Peterson has pulled down 145 and Smith has 100.

Following the battle with San Francisco, the Raiders will host Eastern Oregon in Ashland for two games Feb. 5 and 6 to open the second round.

Grange News

Gold Hill Grange
A special meeting of the Gold Hill Grange has been called for Feb. 3 when candidates of the Grange will receive first and second degrees.

The candidates are Mr. and Mrs. Floyd Taylor, Mr. and Mrs. J. Thomas, Mr. and Mrs. Willard Taylor, Mr. and Mrs. Ralph Knepper, Frank Mapes, Ernest Joy, Mr. and Mrs. Jack Graves, Mr. and Mrs. Stanley Foley, and Mr. and Mrs. Hamilton Ecker.

The Phoenix Degree team will conduct the ceremonies. FFA students from Crater high school gave a program at the Jan. 21 meeting of the Grange when Dave Redmond was in charge of introductions. John Castor spoke on "Depreciation of Farm Land by Right of Eminent Domain."

Dennis Sample furnished musical entertainment and a games were played. The rural fire department was discussed and it is planned to have a speaker in the future who can explain details of the rural fire department. The Gold Hill district joins Central Point to the south and Rogue River to the north and takes in part of Kanes creek, Galls creek and Sardine creek.

Edwin Fargo has assumed duties as janitor. Members of the dance committee announced are Oia Locken, Grover Kelley and Chauncey Page.

Included in the agricultural report was information of beef and pork prices, said to be on an upward trend; hay was reported rather high and not too plentiful in this area. The Dakota states were reported to have the largest production of wheat in this country.

Skaters Set Competition For Games

Seattle — (UPI) — Four figure skating titles and some bids to the Winter Olympic games were at stake Saturday night in the final round here of the 1960 National Figure Skating Championships.

Senior men's defending champion David Jenkins, 23, of Colorado Springs, Colo., was counting on the free-style event to give him enough points to overcome the slim lead Tim Brown, 21, of Los Angeles compiled in cutting school figures Friday.

Karen Howland, 18, of Seattle, led a field of eight going into the title-deciding junior ladies free-style event. The other titles up for grabs were the Silver Dance and the Gold Dance.

A field of eleven pairs entered in the Silver Dance was trimmed to four couples in initial round competition this morning. Patricia and Robert Dineen, a husband-wife team from Lake Placid, N.Y., held the best score going into the Silver Dance finals, followed by Ila Ray Hadley and Ray Hadley Jr., Seattle; Dorothyann Nelson of Chicago and Pieter Kollen of Ann Arbor, Mich., and Wilma Piper and Stanley Urban of Buffalo, S.C.

Miss Nelson, 18, showed great courage and determination when she returned to the ice this morning after spending the night in Swedish hospital here. Miss Nelson was practicing with her partner about 12:30 a.m. Saturday when she collided with the Piper-Urban pair who also were on the ice to practice dance patterns.

The spill Miss Nelson suffered resulted in a pinched nerve, but she responded quickly to hospital treatment and showed good form in gaining the finals in competition only several hours after her fall.

Joe Marchiony of Manhattan college and Stu Thompson of the New York Athletic club retained their titles in the shot put and the 35-pound weight throw.

The two weight-heaving events were held in the afternoon at the Squadron A Armory. Marchiony took the shot put with a heave of 55 feet, 9 inches, some nine inches short of

Bragg Wins Vault At Millrose Meet; Misses 16 Feet

New York — (UPI) — Don Tarzan Bragg, former Villanova star who is one of Uncle Sam's chief Olympic pole vaulting hopefuls, captured the pole vault with a leap of 15 feet, 4 inches Saturday night and barely missed being the first man to vault 16 feet as he brushed off the bar on his last try at the Millrose A.M. track and field meet.

Bob Gutowski, the outdoor record holder, finished second with a leap of 15 feet and Jerry Welbourn was third at 14 feet, 6 inches.

Al Lawrence, the young Australian competing for the University of Houston, finished just one second off the world indoor mark as he won the three mile run in 13:38 for a new Millrose record. He broke the meet mark of 14:04 set by Willie Ritola in 1925 in a race put back on the program because of the approaching Olympics.

Poland's John Macy, Lawrence's Houston teammate, finished second 50 yards back with third to Max Truex of the Air Force and fourth to Bob Lowe of Brown university.

Joe Marchiony of Manhattan college and Stu Thompson of the New York Athletic club retained their titles in the shot put and the 35-pound weight throw.

The two weight-heaving events were held in the afternoon at the Squadron A Armory. Marchiony took the shot put with a heave of 55 feet, 9 inches, some nine inches short of

his own meet mark of 56 ft., 6 1/2 inches set last year. Bert Bragg of Seattle, Wash., a former University of Washington star en route to his army base, was second with 55 feet, 2 inches and favored Ken Bentum of the New York A.C., the only 6-footer in the field, was a surprise third with 54 ft., 8 1/2 inches.

ANTI-SMOG DEVICE
Los Angeles — (UPI) — California is moving ahead in its battle against the state's smog problem. According to the Automobile Manufacturers association, all autos sold in the state beginning next year will be equipped with a device reducing exhaust fumes. A pipe will carry the exhaust back into the engine to be burned up, keeping it out of the atmosphere.

WHEAT STAKES
Fargo — North Dakota usually ranks second to Kansas in its annual wheat crop.

Crusaders Avert Upset; Prospect Trips Talent

JACKSON COUNTY B LEAGUE STANDINGS

St. Mary's	5	0	1.000
Prospect	3	2	.600
Butte Falls	1	4	.200
Talent	1	4	.200

and hit 16 of 23 foul shots. The Bulldogs put in 15 fielders and 12 of 16 gifts.

Butte Falls-A 20-foot jump shot with around 10 seconds left to play gave loop pacing St. Mary's high basketball team a 46 to 45 nod and spoiled the upset ambitions of Butte Falls in the Jackson County B league on Friday.

St. Mary's had the lead in the game at 44 to 43 with three minutes remaining. The Crusaders managed to play keep away for a bit more than two minutes before BF's Raymond Abbott intercepted a pass. Abbott tallied with some 30 seconds to go for a 45 to 44 Butte Falls lead.

Loggers' hopes rose when they gained a held ball and controlled the jump. But a missed BF shot regained possession for the Crusaders and gave them opportunity for the winning bucket.

Bob Evans, held out of action the first half because he had been ill, spurred a second half comeback for the Medford team. His 12 points were high for SM. Butte Falls was in front 20 to 14 at the half but the Crusaders led 32 to 31 at the third intermission.

Laverne Baker of Butte Falls was high scorer for the mix with 15 markers. Abbott had 11 points and 21 rebounds. Roger Hout collected 11 tallies and Al Yates 10 for SM.

St. Mary's had 20 to 14 margin in field shooting but made only six free shots to Butte Falls' 17.

COUGARS 48, TALENT 42
Talent — Prospect High school fortified its position in second place in the Jackson County B league Friday when it downed Talent 48 to 42 on the Bulldog basketball court.

Quarter scores were 9 to 2, 19 to 15 and 35 to 22, all with the Cougars in front.

The Bulldogs, sparked by Mike Jacobs, outscored Prospect 13 to 10 in the second quarter but Floyd Scaife led the Cougars in a 16-point surge that gave them their wide third canto spread. Talent came back with 20 markers in the fourth quarter but the Cougars, continuing to score evenly as a team, added 13, themselves, more than enough to keep Talent from catching up.

Scaife took scoring honors with 14 points, while Ed Seaver tallied ten for the Bulldogs. Prospect had 16 field goals

California Lashes UO Club 70-45

Berkeley, Calif. — (UPI) — California came back from the final examination layoff without apparent effect Friday night as they swamped Oregon 70-45 and ran their season record to 15-1.

Scoring the first nine points of each half, the Bears were in trouble only once when Oregon pulled up to 10-7 early in the game.

Cal's six-foot-ten center Darrall Imhoff sank all eight of his floor attempts in the second half to annex game scoring honors with 23 points. Teammate Bill McClintock added 18 as he and Imhoff set up one another repeatedly.

It was Oregon's fifth defeat in 18 games, but the worst by far.

Soph forward Bill Simmons came off the bench to top the Ducks with 11 points.

California led at halftime 27-17.
