PTA Group Hears Panel Discuss 'Schools and You'

The Oak Grove Parent-Teacher association met last Monday evening with fathers being featured. Douglas Lamb asked the invocation, and Larry Tuttle and Barry Goodroad of Boy Scout Troop 4 presented the flag.

The room count was won by Mrs. Nancy Gustafson's first grade. The treasurer, Mrs. Donald Shores, reported 340 sacks of treats were distributed at the Christmas program.

Mrs. W. H. Howell called the members attention to an exhibit of pornographic material. Mrs. Leigh Gustison, president of the Oregon Congress of Parent-Teachers, encouraged the parents to report such materials received through the mails to the local postal authorities. She also suggested members write the local stations in an attempt to raise the level of television programming for children, and to contact local movie theatres regarding objectionable previews used in connection with movies aimed at children.

Membership Awards
The membership awards were announced with Mrs. Gustafson's first grade receiving first prize; James Hennebeck's sixth grade, second prize; and Mrs. Mary Carlson's second grade and Mrs.

Marjorie Gandee's first grade sharing third place. It was pointed out the Oak Grove PTA has a membership of 225 individuals with 156 families represented in the school.

Robert Phillips, principal, spoke on the duties of a sponsoring group for Cub and Boy Scouts, and the group voted to again sponsor Cub Pack 4 and Boy Scout Troop 4. He also said Troop 4 needs an assistant scoutmaster and reminded the PTA that one of their duties is to help provide leadership.

Mrs. George Bryant reported revisions are being made in the present by-laws and voting will be held at an announced date later in the year.

Mr. Howell asked all men and women interested in joining a First Aid class to contact him. This will be a six-week course, meeting once weekly.

Mrs. Douglas Lamb, president, made several announcements. They included the formation of a Great Decisions group from this area if enough are interested; Scout Week, February 7-13, with extra activities; reminded women of the Mothersingers group presently meeting; and of the school board curriculum meetings held at Hedrick Junior High school.

Founders' Day Meeting
The next PTA meeting will be Thursday, February 25, at 2:30 p.m. with a Founders' Day program honoring all past presidents.

A humorous impromptu skit was presented with Mr. Howell as announcer, Mrs. Robert Butler as Sgt. Saturday, Mrs. Robert Hubbard as Officer Will-Catchum, and Donald Collins, Truette Martin and Mr. Phillips playing the part of PTA ladies.

Mrs. Clayton Charley, program chairman, introduced Mrs. Paul Smith, president of the Oregon Education association; Mrs. Leigh Gustison, and Mrs. Butler, fourth grade teacher at Oak Grove, panel members, who spoke on "The Schools and You."

It was brought out that at present 36 million children are enrolled in secondary and elementary schools but by 1980 school facilities will have to be doubled to adequately care for enrollments. Many facets of education were discussed.

Refreshments were served by fathers of pupils in the fourth grade.

Parties Honor Miss Huskey

Dr. Dorothy Huskey, who left Tuesday morning by plane to return to Madras, India, after a visit here with friends, was honored at a number of parties during her brief stay. Grandmothers To Give Dinner

Central Point—A dinner will be given by the Crater chapter, Grandmother Clubs of America Monday, February 15 at 6:30 p.m. at the Central Point Grange hall. Husbands of the members will be guests.

Plans for the dinner were made at a luncheon January 18 when the group met at the home of Mrs. Homer Jeffries, Mrs. Mary Smith and Mrs. Alma Mallory were co-hostesses.

Mrs. Jeffries, who did the decorating for the luncheon, used a giant-size goblet in which were floating many colored blossoms from her collection of African violets. On either side were flat dishes of floating leaves and tiny candles. The candles were a conversation piece and were imported from Germany. They were made of a wick-like substance and although none of them were more than an inch long, they burned continuously through the afternoon.

Mrs. Carl Hover opened the business meeting with a prayer and Mrs. Arthur Foote, president, conducted the business. Mrs. Clifford Turvey became a new member and Mrs. May Korner received a mystery package.
