

Ford's Economy Twins

run on peanuts, too!

The big Economy Twin: Fairlane 500 Town Sedan

This new 1960 Fairlane 500 Town Sedan is the Value Leader of all big-size cars! It brings you the Thunderbird's elegance and matchless performance... plus true built-for-people room. There's new king-size comfort with generous increases (up to 4 inches) in shoulder, hip and leg room. And leave it to Ford to include at no extra cost fine-car touches like: Rear-seat arm rests, two sun visors, cigarette lighter, and color-keyed steering wheel!

Ford's other economy twin, the new-size Ford, the Falcon, brings you savings that only begin with its low price—up to \$124 less than other cars in its field*! Falcon delivers up to 30 mpg with regular fuel... 4,000 miles between oil changes... is easily maintained... can even save up to 15% on insurance! Inside a Falcon there's real stretch-out leg room... and no gearshift on the floor to displace the middle front-seat passenger. In the trunk, there's nearly 24 cubic feet of space, over twice as much as rear-engine cars offer!

Your proud Ford Dealer is holding visiting hours right now for these Economy Twins. Come pick the twin that saves and serves you best!
