

**Movie Ads Target Of House Probers**

Washington—UPI—House investigators trained their sights today on movie ads regarded as too sexy.

A House Post Office subcommittee headed by Rep. Kathryn E. Granahan (D-Pa.) will launch hearings Tuesday on the movie industry's "self-policing" program — and whether it needs to be beefed up.

Eric Johnston, president of the Motion Picture Association of America, will tell what the industry itself is doing to keep things clean in the movies, as well as in advertising of films.

**Siberia Scene of Forced Relocations**

Washington—UPI—The House committee on Un-American Activities reports that hundreds of thousands of men, women and children are being forcibly resettled in Siberia and Turkestan by the Communists.

The committee released Sunday the sixth in a series of reports of the "crimes of Soviet Premier Nikita S. Khrushchev." The report said the relocation was from the Baltic states, the Ukraine and Byelorussia.
