

City Firemen Douse Three Fires Here

Medford firemen were surprised at the velocity of a grass fire Saturday afternoon which leaped a ditch and burned three acres of grass on Oakmont lane, just off Coalmine rd.

The fire apparently started along the roadway and extended to a pasture owned by W. J. Wickman, they said. Winds caused the fire to spread rapidly before it was extinguished.

Medford firemen were called to two chimney flue fires Friday, but neither did any damage. One was at the home of John C. Preston, 1956 Roberts rd. The other was at the residence of Robert W. Clark, 2395 Sunset court, Medford. Both flue fires were allowed to burn out.

Boy Scouts

Dinner Planned

The annual blue and gold dinner for Griffin Creek Cub scouts will be held Tuesday, Feb. 9, at 6:30 p.m. in the Griffin Creek school cafeteria. All Cub scouts and their families in the vicinity are invited.

Those attending should take a dish for the potluck dinner and table service. Paper plates, hot rolls and butter, coffee and milk will be furnished.

Troop 121

The first Court of Honor for Boy Scout Troop 121 was held at the Deer Creek Grange hall. Awards were presented by Scoutleader William O. Burch, assisted by Assistant Scoutmaster Lex Riggan Jr. and Jim Burch.

Merit badges were awarded to Peter Hines and Mike Riggan for home repair and citizenship in the home, and to Rickey Peltier for wood carving.

Second class pins were presented to Courtney Hyde, Mike Riggan and Rickey Peltier.

Three service pins were awarded to Peter Hines and Larry Peltier.

Larry Peltier was selected senior patrol leader, with Rickey Peltier leader of the bear patrol and Mike Riggan leader of the rattlesnake patrol.

State Fire Warden Ralph McKinstry presented forestry awards to three members of Troop 121 who had rendered assistance beyond the call of duty to the forest service in combating the Thompson creek fire last summer.

The awards, consisting of a green guard pin and certificate and a pocket knife bearing the forestry service emblem, were presented to Peter Hines, Allan Pope and Mike Riggan.

FOR CLEANER AIR

Palo Alto, Calif. (UPI)—Stanford university engineers are testing a new auto engine designed to reduce air pollution and smog in big cities. Ralph Heintz, retired partner in Jack & Heintz, Inc., modified an ordinary eight-cylinder engine to produce the new motor by the addition of a precombustion chamber in each cylinder to destroy harmful gases.

GOD BLESS YOU, AMERICA!

"Thank you for keeping our hope for freedom alive with RADIO FREE EUROPE"

These quotes in a letter received from Poland are proof that RADIO FREE EUROPE is doing its job . . . fighting Communist lies with the truth. Proof that people listen and learn that freedom still exists in the world.

But you must help keep the truth alive to 76 million people in captive nations behind the Iron Curtain. Your dollars are needed to support RADIO FREE EUROPE. Strike a blow against Communism by giving the gift of free men and women . . . give the truth. Send your Truth Dollars for RADIO FREE EUROPE to:
