

MAY BE LIMITED—Ken Durkee, above, holds down a regular guard spot on the Medford high basketball squad this season. His action may be limited, however, in games here tonight with Klamath Falls and Saturday with Crater. Durkee, down in weight after a bout with flu, laid out of practices early in the week on the advice of a doctor. He's put in 92 points for the Black Tornado this season.

Southern Oregon Loop Clubs Mix; MHS To Face KF

Three fourths of the rivalry in Southern Oregon conference basketball this week end will be close at hand and Hedrick gymnasium here will be the scene of the top attraction.

League - pacing Medford high and Klamath Falls come together here tonight in the big game. Grants Pass and Crater will be foes at Central Point in the evening's other scuffle. Both battles will have their tip-offs around 8:15 p.m.

Saturday night engagements billed for around the same times will have Crater at Medford and Ashland at Grants Pass.

Medford's Black Tornado, sparkling with some of its finest basketball this season, whipped Klamath Union in both of the previous meetings of the two clubs this season. Crater and Grants Pass divided their conference sessions.

Key Game

Klamath, league champ for the past three years and 6-2 for this campaign provides key opposition for the 8-0 Tornado. For the Pels, despite losses by substantial margins in the loop, are still chief challengers of the Pear city team in the current chase. Another verdict for Medford would be a big step toward the league and District 6 A-1 laurels.

Endurance Pin Tourney Slated

Ogden, Utah - Pointing for the biggest entry list ever, the sixth annual Xavier Kosof World Endurance bowling classic will open March 26 on the Paramount Bowl lanes here with an anticipated \$150,000 jackpot.

The classic will again be the Mecca for bowlers of all averages shooting for large prizes, which include \$56,285 in guaranteed money.

The tourney spotlights the internationally known 20-game endurance singles for men and women. Men are guaranteed \$49,000, and the women \$7,285.

Kosof's liberal handicap system which computes scores on the basis of two-thirds against 220 for men and against 200 for women has proved a popular and successful format. This has been acclaimed as the fairest separation of amateurs and professionals yet devised.

Boxing Titles Kept By Becerra, Ortiz

By ALEX KAHN

Los Angeles - (UPI) - The old ring adage, stick with the champion until he's beaten, took on new meaning today to fight fans who Thursday night saw titleholders Jose Becerra and Carlos Ortiz retain their crowns.

Appearing on a double championship program in the Coliseum, bantamweight king Becerra knocked out former champion Alfonso Halimi of France in 48 seconds of the ninth round. And junior welterweight champion Ortiz knocked out Raymundo (Battling) Torres of Mexico in 2:56 of the 10th round.

A crowd of 31,830 paid a record California gate of \$363,890 to witness the two fights. The fans left the 105,000 seat Coliseum satisfied they had seen four top-notch ring performers giving their best.

LADIES TO COMPETE IN CLASSES IN CITY BOWLING TOURNAMENT

Medford Woman's Bowling association city tournament will be a classified event this year.

Action to set up classes was taken Jan. 31 at an association meeting. Tournament rules were amended. Decision to classify resulted from growth of the association. There are now 674 members compared to just 41 when the organization was formed in 1951.

For the tournament, which has first play on April 3, will be made of the handicap method of three-fourths of the difference between the member's average and the scratch mark of 180. For Class A participants will be teams with average of 700 pins and up. Doubles entries with averages of 280 and up and singles contestants with 140 marks and up also will be in Class A.

Class B span will be 600-799 pins for teams, 239-279 for doubles and 120-139 for singles. For Class C the pin averages are 599 and down for teams, 238 and down for doubles and 119 and down for singles.

March 12 Closing Date

Averages will be taken as of Feb. 27 and entry deadline is March 12. The team event is set for April 3 at Roxy Ann lanes and the singles for April 10 at Medford Bowling lanes.

Woman's International Bowling association high game pins were awarded at the meeting to Lois Leaming and Billie Davis. Lois had a 275 in the Classic league and

Red Raiders Tussle Eastern Oregonians

OCC STANDINGS:

Portland State	W.	L.	Pct.
Oregon Tech	5	3	.625
Southern Oregon	4	4	.500
Eastern Oregon	3	5	.375
Oregon College	2	6	.250

Ashland - "Do or Die" is theme for the Red Raiders of Southern Oregon college as they engage Eastern Oregon college in the first of a two-game basketball series at 8:15 o'clock tonight.

Play opens the second round of the Oregon Collegiate conference hoop action with the Raiders an even 4-4 record over the first eight games.

Portland State has tough grip on first place in the OCC and will be hosting second place Oregon Tech. Thus a pair of wins for the Raiders over EOC would put them even or a single game behind any victim of the PSC-OCI clashes.

SOC must cop both games this week end to stay in strong contention for the OCC crown and the NAIA playoff berth.

The Mounties and SOC split in the opening round of OCC play at LaGrande.

Raider coach Ted Schopf has indicated he will go with his usual lineup of Gordy Carigan and Brad Flanary at the guards, Glen Peterson at center, and John Payne will open at one forward and Don Vanice at the other.

Three-Man Punch

Eastern Oregon gets most of its scoring punch from center Pasco Arritola, forward Frank Chase and guard Mel Holmes. Arritola is the shortest center in the conference at 6-3 but his jump shots from the base line and key make up for his lack of height. Chase shoots a variety of shots from most anywhere on the floor. Holmes holds a field-goal record at EOC for the 30 points he scored against Whitman, mostly on the fast break.

New sparkplug to the Raider attack has been reserve center Dick (Hughie) Smith who brings the crowd to the edge of their seats with his twisting drives and weird shots. Smith is a 6-3, 200-pound end-footbal tackle who has really come into his own as a basketballer according to Raider coach Schopf.

Dave Gardner and Tom Bernet are the forwards in the second unit. Guards are Dick Lillebo and Dick Puhl.

Coach Jim McAbee's Jayvees will tangle with the Roseburg town team tonight at 6:30 o'clock in the preliminary game and tomorrow will host Siskiyou college.

California, Huskies Vie

United Press International

The rash of college basketball games on the Pacific Coast this weekend could drastically shake up the standings of both the Big Five and the West Coast Athletic conference.

California, the nation's number one team, tackles Washington in Big Five play at Berkeley tonight, while Stanford plays Southern California in Los Angeles.

The Bears lead the league with a 4-1 record and will be shooting for their 17th win of the season. Washington has dropped seven conference games—and is still looking for its first victory.

Stanford holds a slim lead over the Trojans in the standings. The Indians have won two of three games, and USC has won three of five.

Stanford vs. UCLA

In Big Five competition Saturday, Stanford plays UCLA and USC goes against Washington in Los Angeles.

In the WCAC, league-leading St. Mary's hosts Loyola and second place Pepperdine visits the University of San Francisco, College of Pacific plays at Fresno State in a non-conference game.

St. Mary's is 40 while Loyola has a 2-2 mark. Pepperdine is 4-1 and USF 0-3.

Saturday night, Santa Clara (3-1, plus an upset victory over ninth-ranked Texas A&M) plays San Jose State (0-3) and Loyola moves to USP.

VFW Rifle Club Continuing .22 Caliber Shoots

VFW Rifle and Pistol club is continuing winter season .22 caliber rifle shoots at the Medford armory.

Events are the second and fourth Fridays of each month at 8 p.m. Guests are welcome at the shoots and the club is seeking new members particularly while the season is in full swing. Persons over 18 years of age are eligible. It is not necessary to be a veteran.

Shooting awards for 1959 were given out Wednesday evening at a dinner at the Veterans of Foreign Wars Hall. Awards for high marks included W. O. Burnette, prone and sitting; Gene Thigpen, kneeling, high power score and average; Hugh McGinty, standing and average; and M. D. Childers, aggregate for six shoots and single score. Terry Burnette gained the trophy for most improvement.

Presbyterian, Lutheran Fives Claim Victories

Zion Lutheran and First Presbyterian won games last night in the junior church basketball league.

Presbyterian tallied its second win against no losses with a 45 to 32 verdict over First Nazarene. Frank Van Pelt put in 20 points for the Presbyterian club which led 19 to 14 at the half. Harold Sanner scored 12 for the Nazarenes.

The Lutheran club won 37 to 28 over Mt. Pitt Nazarene, leading 17 to 14 at halftime. Harold Reed had 16 markers for the Zion team and Steve Towles 14 for Mt. Pitt.

SPOON TO RUN

Arcadia, Calif. - (UPI) - Speedy Silver Spoon, pupil of the C. V. Whitney Stable, today appeared set to attempt a feat never achieved by a filly at Santa Anita, winning a stakes with 130 pounds.

The daughter of Citation was scheduled to make the try Saturday afternoon in the \$50,000 Santa Margarita Handicap over a mile and an eighth.

UO Hosts OSC Quint

Eugene - (UPI) - Oregon and Oregon State, their NCAA playoff hopes slipping after recent losses, tangle here tonight and at Corvallis Saturday night.

Oregon has lost three straight and now has a 13-6 season's record. Oregon State is 11-6.

Oregon State edged the Webfoots at Corvallis in the Far West Classic, and thus holds an edge toward retaining the Chancellor's Trophy it has won for seven straight years.

In the last 26 games, Oregon State has won 20.

However, with sophomores Charlie Warren and Glenn Moore bolstering a veteran lineup, the Webfoots are rated at least on a par with the Beavers this season.

Paul Valenti continues to handle Oregon State as Slats Gill recuperates from a heart attack suffered last month.
