The Tornado worked to nine-point gaps of 48 to 39 and 50 to 41 in the closing session.

Klamath Falls, with only 13 points in the last half to Medford's 24, managed just four field goals in this time while the Tornado was getting seven. The home club outdid KF 10 to 5 from the foul stripe in the second half. For the contest, the Tornado had 17 baskets from the field and the Black Tornado a 16 to 9 margin from the gift line.

Choking Pelican defense kept Medford from racing off to the wide spread of the earlier meeting here. Klamath outdid the Tornado from the field in the initial half 13 to 10 and had six point leads four times. The Pels got several buckets in close but long range blasts by Bishop and Steve Binney were effective weapons.

Klamath was without the services of Fred Biehn, out with flu, and Bob Lewis, sidelined by a chipped ankle bone. Ken Durkee and Jerry Anderson played but were not up to physical par on the Medford team.

Medford Places 4 On All-Star Squad

Portland, Ore. — [UPI] — Medford, state A-1 football champs in 1959, Saturday placed the maximum of four men on the state Shrine All-Star Football Squad.

Marshfield was the only other state school to place the maximum number of men on the squad under this year's new rule which allows the coaches to select four men from any two schools for the August game here.

Jefferson, state runnerup to Medford last year, placed four men on the squad for the Metro team along with Lincoln, city runner up to Jeff last year.

The selections were announced after rival coaches spent the morning going over candidates. Medford's Fred Spiegelberg will head the state team and Tom De-

Comet Five Tips North

Central Point — Crater high freshmen bumped North Grants Pass ninth grade 53 to 49 Friday in basketball action here.

Fouls by the rough Cavekid club enabled Crater to collect 26 points on free throws. Six technical fouls were tumbled on the North team.

The Comets had 15 to 6, 25 to 22 and 38 to 31 quarter leads.

Central Point eighth grade won 38 to 36 over North Grants Pass after a 19 to 15 North bulge at half. Darrell Summerfield had 12 points for the Pointers and Vern Swanson 10 points and 26 rebounds. McCormick put in 13 and Sparlin 11 for the Cavekids.

North seventh grade was 17 to 13 victory.

Crater High Nips Grants Pass 56-55

Central Point — Rugged Dennis Edwards dumped in a rebound shot with five seconds left to play here Friday night and the hustling Crater high Comets nicked the Grants Pass Cavemen 56 to 55 in a Southern Oregon conference basketball game.

Edwards' basket, following a missed try by Chuck Turner, concluded a see saw final chucker in which the score switched hands on seven occasions.

Crater (4-5) broke a tie with Grants Pass (3-6 after Friday) for third place in the loop with the win.

After a 16-all first stanza, Grants Pass gained a 34 to 30 halfway advantage and went into the final panel leading 43 to 39. Tom White, with Dave Sharp on the assist, dunked two fielders for the Comets to knot the game. Rex Benner made it 45 to 43 with two free throws. Turner hit from the gift line and followed with a long set shot for Crater edge of 46 to 45. Earl Cooper's jump on another Sharp assist took it to 48 to 45.

Stanford Spills USC

United Press International Even the most loyal USC fans were about ready to admit today that Troy's basketball team could put away its championship dreams for another year.

USC was co-favorite in the Big Five along with California this year, but the hot-and-cold men of Forrest Twogood were lukewarm once too often Friday night as stubborn Stanford outlasted them 82-71 in a double-overtime thriller.

Meanwhile, California had a rough first half but cemented its Big Five lead with a 68-53 victory over Washington.

UCLA met New Mexico State as the curtain-raiser to the USC-Stanford tussle. It was UCLA 66, New Mexico State 56. John Berberich had 17 for the improving Bruins, who led 38-30 at half-time.

Meanwhile, the West Coast Athletic conference is shaping up as a battle between St. Mary's and Santa Clara. The Gaels won again Friday night, over Loyola, 60-51.

USF helped the front runners by bopping Pepperdine, 72-69.

Line Dropped From Column

A full line of Hank DeVoss's Woods, Water and Wildlife column in the Mail Tribune Friday was dropped inadvertently and has some anglers wondering.

The column pointed out that the new state angling regulations went into effect Saturday, Feb. 6. The sentences in question should have read: "The Hellgate deadline will be in force and it means that the Rogue river will be closed upstream from the vicinity of Lookout point in Hellsbake canyon. The Applegate river will be open from its mouth up to the mouth of the little Applegate river."

Both the Rogue and the Applegate, with the foregoing limitations will be open for steelheading until Feb. 29.

MARVIN LEVY To Coach Bears

California Picks Levy As Mentor

Berkeley, Calif. — [UPI] — Marvin D. Levy, a Phi Beta Kappa who looks as if he might have stepped out of a wire-wheeled roadster, took over Saturday as the new head football coach at the University of California.

The 34-year-old Levy came to terms Friday with the Bears and ended their hunt for a coach which started 44 days ago when Pete Elliott quit to move on to Illinois.

The Bears signed Levy to a three-year contract which calls for an undisclosed boost over the \$11,200 he received during his past two seasons as head man at the University of New Mexico.

GROVERS WIN

Oak Grove defeated Howard Friday 24 to 23 in an overtime grade school basketball game. The Grover varsity was winner by 27 to 24 over Howard on Thursday.

FIGHTS

FRIDAY BOUT

New York — [UPI] — Roy C. Cahoun, 164½, White Plains, N.Y., outpointed Billy Ryan, 171, Lowell, Mass. (10). Bob Cleroux, 208½, Montreal, outpointed Willie Besmanoff, 205½, Milwaukee (10).

The earlier meeting on the Hedrick court saw the Tornado rush out to substantial first half leadership. Friday a better second half made the victory difference.

And, Medford reaped strong command in the Southern Oregon conference race with a 9-0 record putting them three games ahead of the Pelicans who at 6-3 are their nearest circuit foe.

Dick Ragsdale and Big Lowell Dean sparked the victory. The Tornado used fierce ballhawking, two-timing defense, better success from the field and more opportunities from the free line during the last two quarters to overcome the Pels. Ragsdale, who had a night of brilliant all-around play and Dean, who nabbed 14 rebounds, each had 13 points for the Black Tornado. Paul Bishop, whose uncanny long shots contributed to the Pel first half advantage, had 17 KF markers and 11 board retrieves.

Medford, lagging 12 to 16 at the quarter and 26 to 30 at the half, allowed the Pelicans only six points in the third period while scoring 14 themselves and went ahead to stay at 33 to 31 on a bucket by Dean. Jerry Anderson started out the stanza with a pair of Medford gifts. He added another after Bruce Brakner had free tossed for Klamath. The n Tornado's jumper tied the game. After Dean's jump, Ragsdale put in another jump. Shultz two free heaves and a fielder and Ragsdale a gift shot. Bishop swished two field baskets for KF and Gary Patzke fired a free point. Medford was on top 40 to 36 when the canto closed.

Crusaders Chosen for Star Squad

St. Mary's of Medford, state B co-champion, will have three linemen on the East squad for the East-West Shrine all-star football game at Pendleton next August.

The three Crusaders are George Lucas, Tom Tomback and Don Rausch. Bob Evans, St. Mary's back, was named an alternate.

Players from A-2 and B schools in the state will participate in the game. District 5B, in which St. Mary's competes, was included with the east area for the game and Bill McKibbin, Crusader coach, will be an assistant mentor for the game.

Skagit MODEL SJ-4-RT
MOBILE LOGGER

"You have to be mobile to make money"

Says ROY CRONK of Cronk and Son, contract loggers. "Most of our jobs consist of picking up small timber sales wherever we can get them. When we get a logging job, we move right in with our Cat and SJ-4-RT and we're ready to go to work."

Cronk and Sons operations sometimes require long moves over highways, and frequent moves in the woods. Above, their new SJ-4-RT is loading second-growth Douglas Fir near Horse Creek on the McKenzie River. Roy is especially pleased with the mobility of the SJ-4-RT, and the ease and speed with which it can be moved long distances and between loading sites. Its six-wheel drive takes it over steep grades and rough ground to wherever it's needed.

This pr-rigged, self-propelled unit is ideal for production jobs as a self-contained unit, or in conjunction with a tractor. Why not see for yourself how the SKAGIT SJ-4-RT can speed up your logging operations and help you make more profits.

For a demonstration on your job call collect to Ted Nugent, Roseburg Store Manager. ORchard 3-6621.
