Mom Replacing Sweetheart When It Comes to Valentines

By MARGARET RICHARDS
United Press International
Kansas City, Mo.—The romance of St. Valentine's Day may reach an all-time peak this year because, among other things, it again is Leap Year.

An estimated half-million women are expected to make their pitch to men with Leap Year cards on Feb. 14. But research shows that mothers will be three-to-one favorites over sweethearts when it comes to recipients of valentines from men.

Single women need not worry, however, because research also reveals that sweetheart cards outnumber Leap Year cards two-to-one.

The romantic angle between femme and fellow on Valentine's Day dates back to the Romans. But the idea of sending love and sentiment couldn't be limited for long to the boy-and-girl phase. Valentine's Day now is a time for expressing special regards as well as romantic sentiment—a day for every member

of the family. There is a wide variety of cards for everyone from baby, school children, and sweethearts to mothers, dads and grandparents.

Nostalgia plays an important part in valentines this year. Pangs of remembrance may be felt in the hearts of silver-haired sweethearts of yesterday as they view new heirloom valentines (by Hallmark). The valentines are reproductions of the ornate missives of the Victorian era.

Victorian era cards have cupids, coloring, embossing and cutouts similar to the missives popular in the 1890's. Accompanying these valentines are ornate table centerpieces, party invitations, talies, napkins, trays and nut cups.

Vying with the serious and sentimental valentines this year are the "contemporary" cards with their sometimes sharp humor.

One card, showing a disheveled woman, says, "If you

Coming Activities Planned by Group

Central Point—The Home Economics club of Central Point Grange met at the home of Mrs. Alma Mallery recently to consider coming activities and discuss the national and state Grange sewing contests.

A Grange visitation night February 5, an open house and potluck dinner February 12 and a mid-summer Jackson county Grange festival were among topics.

Mrs. Marshall Weidman gave a program of readings. Mrs. Cecil Keenan invited the club to her home for the February 24 meeting.

don't really, honestly sincerely love me... fake it... be my Valentine."

"You're the most darling, wonderful wife in the whole world," another contemporary card says, but "of course my experience is limited."

And another: "It's Leap Year so I'm going to come right out and ask you... would you fix me up with one of your good-looking friends?"

When cooking minute rice, put a paper towel under the lid after removing the pan from the stove and let the rice stand. The grains will become dry and separate.

Non-fat dry milk takes longer to whip than egg whites or cream, but it can't be over-whipped. However, it should be used within one hour after whipping.
