Feeding the Family

By ZOLA VINCENT
Food Editor

Date Coconut Party Tort is Dream Dessert

There's nothing like luscious amber-colored fresh California dates used as ingredients in luscious desserts. The full-flavored fruit, not sticky, easy to handle, available whole, pitted or sliced, gives desserts special interest. This is a party dessert for remembering, for repeating, for praising. Twelve servings.

1 1/2 cups fresh California dates
1 1/4 cups sifted all-purpose flour
3 teaspoons baking powder
2 cups graham cracker crumbs
3/4 cup shortening
1 1/2 cups sugar
1 teaspoon vanilla
1 1/4 cups (4 ounce can) shredded coconut
1 1/4 cups milk
4 egg whites

1 1/2 cups whipping cream
Pit and cut dates into thin slices. Sift together flour, baking powder and salt; combine with graham cracker crumbs. Cream shortening, sugar and vanilla until light and fluffy. Add dates and coconut to creamed mixture. Add dry ingredients alternately with milk and mix well. Fold in stiffly beaten egg whites. Spoon into two greased eight-inch square pans that have been lined with waxed paper.

Bake in moderately hot oven, 375 degrees, 30 to 35 minutes. Cool five minutes before turning out on wire rack. Cool completely. Whip cream until stiff. Flavor or sweeten, if desired. Spread cream between cake layers and on top. Decorate with additional date slices, if desired. Twelve delectable servings.

Chicken Gravy Uses

Canned chicken gravy, a comparative newcomer, actually has bits of tender chicken afloat in a glossy, smooth and light gravy. Nothing to add, just heat and stir. Chicken gravy enhances chicken parts and patties, leftover chicken or turkey, rice, hominy grits, potatoes, noodles, cornbread, rolls, muffins, dumplings, dressing, chicken or turkey hash, skillet dishes, hot sandwiches and casseroles.

Avocado Caliente On the Half-Shell

Everyone is familiar with avocados in sandwich spreads, salads, appetizers and desserts but to fully enjoy the semi-tropical fruit, serve it as an entree or main dish at lunch-entree or supper. The fruit, unlike any other, has satisfying qualities which make it suitable for serving hot or cold, as best serves your inclination.

3 avocados
Salt
1 cup tomato sauce
1 1/2 teaspoon chili
1 teaspoon celery salt

CANCER INCIDENCE

New York—While most cancer is found in older people, no age group is immune.

Brazil consists of 20 states, one federal district and seven divisions which are known as territories.

sablefish, salmon and shrimp. Canned tuna and sardines are bargains.

Vegetable bins are piled high with carrots, celery, lettuce, dry onions, mushrooms, Bell peppers, spinach, Brussels sprouts, cabbage, cauliflower, sweet potatoes, bunched vegetables, squash varieties. Turnips, rutabagas and parsnips, too.

Fruit displays offer fine quality apples, avocados, bananas, grapes, lemons, limes, winter pears, some tangerines and great heaps of new season oranges and grapefruit.

Pickup Truck Is Bought by County

The county court has awarded a contract to Crater Lake Motors for a 34-ton pickup truck for the county roads department, Judge Earl Miller has announced.

The bid was for a Ford 6-cylinder truck at \$1,830. The county court also rejected all bids received for new tires and tubes for county passenger cars and trucks.

Miller explained that the engineering department had reviewed the seven bids submitted. Only one, Burns Brothers, Portland, met the requirements of specifications and instructions as set forth by the county.

A bidder did not furnish a bidder's bond and the other five had altered the specifications to such an extent that it was not possible to arrive at a fair comparison of bids Miller said.

The county court official reported that they were reviewing the list of specifications which will be advertised for bids to be reopened Feb. 25 at 10 a.m.
