

St. Mary's-Santa Clara Game Could Decide Race

By United Press International
St. Mary's and Santa Clara collide tonight at San Jose in a cage contest which could go far in deciding the West Coast Athletic conference race.

The Gaels 5-0 are atop the WCAC ladder, but the Broncos 4-1 are close behind, have

a better remaining loop schedule, and hold a pre-season win over the Gaels.

Each team is built around a top player. Santa Clara's southpaw forward Frank Sobrero has been especially hot in recent weeks, while St. Mary's Tom Meschery plays with a mask guarding his in-

jured cheekbone, but has been as effective as ever since his return to the courts.

Other action around the West tonight finds San Jose State at COP in a battle between two WCAC all-stars; Oregon State at Portland, and San Fernando Valley at Nevada.

At least, that's the way the lean Texas summed things up at Monday's weekly kaffe klatsch of the Northern California Basketball Writers association.

"We closed out our season last week," Sweet said, while reviewing three straight losses that saw his Tigers fall into a tie for fifth place in the seven team loop.

"And now we're looking to next year."

COP had been the one-two rebounding team in the WCAC until Bryant flunked out and Wright, the top board man in the nation last year, fell out with an old knee injury.

Southern Oregon college junior varsity will conclude its regular Southern Oregon Independent Basketball league slate this evening as host to Butte Falls at Ashland.

The Junior Red Raiders hold down second place in the loop and are still in the running for the crown.

Another game set for this week has Andy's Jewelers facing the loop pacing Hawkinson Tire Tread team at McLoughlin Junior high here on Wednesday evening.

CLUB WILL MEET
Siskiyou Sports Car club will meet at 7:30 p.m. Friday, Feb. 12, at radio station KMED. Two motion pictures, "1953 Indianapolis" and "Cobb's World Speed Record Run," will be shown. Members are asked to bring along sports car enthusiasts and prospective new members. Radio voice tryouts were to be held by members this evening.

Ohio State Three Games In Front

Chicago - (UPI) - Ohio State pulled three games in front of what's left of the Big Ten basketball race today and Illinois joined a lengthening list of all-stars who have lost at least three games in conference play.

The unbeaten and apparently unstoppable Buckeyes improved their league record to 8-0 Monday night with a 106-69 romp over Wisconsin, which went down to its seventh loss of the year.

The victory left the Buckeyes with a three-game edge over Purdue which slipped into second place. The onrushing Bucs can now lose three of their remaining six games and still be assured of a tie, since ever challenger has lost at least three games.

Michigan State wins. Illinois was a 4-2 team until Monday night but Michigan State staged a last-minute charge to win, 78-77, and dump the Illini into third place.

Purdue took advantage of luckless Michigan for the second time in 10 days for its third straight victory, 79-65, and ease into second place.

Northwestern, which nosed out Minnesota in the final seconds with a 62-61 victory at Evanston, Ill., two weeks ago, turned in a repeat performance when a last-ditch rally in the final eight minutes produced a 66-64 triumph over the Gophers at Minneapolis.

Rodriguez Puts Record On Line

Miami Beach - (UPI) - Luis Manuel Rodriguez, top-ranked Cuban welterweight, puts his perfect boxing record of 26 victories on the line Wednesday night in a 10-round nationally televised fight against unbeaten Carl Hubbard of Philadelphia.

The busy-handed but light-punching Rodriguez is expected to be a solid 3-1 favorite over his heavier-hitting opponent, who has sent two recent foes to the hospital with his powerful, two-fisted attack.

Rodriguez, 22, has been tabbed as a junior-sized Hurricane Jackson because of his bewildering style and ability to take a punch.

Rose Bowl Pact Aired

Champaign, Ill. - (UPI) - The Big Ten has all but officially turned up its nose at renewing Rose Bowl competition on a contract basis.

Illinois, casting a key ballot on the issue, voted Monday against sending a Big Ten team to the Rose Bowl.

The formal vote on the bowl won't come until next month at the conference's winter meeting at Columbus, Ohio. But Illinois, which had been expected to favor renewal of the bowl pact, was the fourth to vote no.

Northwestern Opposed
Northwestern opposed the contract in earlier balloting and was expected to do so again, joining Illinois, Ohio State, Minnesota and Wisconsin in the anti-bowl faction.

Michigan State already has voted in favor of renewal and four others, Indiana, Purdue, Iowa and Michigan - were expected to align themselves as the pro-bowl schools, thus bringing the vote to a 5-5 deadlock at the Columbus meeting.

A tie vote would only authorize continuance of the current league rule on the bowl which permits a team to accept a Rose Bowl bid, but does not commit the conference to sending an annual representative.

Chessman Lawyers Prepare Appeal

San Francisco - (UPI) - Attorneys for Caryl Chessman today prepared a 14th appeal to the U.S. Supreme Court in an effort to stay the convict-author's execution, scheduled for Feb. 19.

The high court has rejected 13 previous appeals on behalf of the 38-year-old Chessman, who was convicted in Los Angeles in 1948 on 17 charges of robbery, kidnapping and rape.

Attorney George T. Davis said he planned to file a motion with the Supreme Court by Thursday for an original writ of habeas corpus and stay of execution.

He added that by Monday he would ask the California Supreme Court to exercise its pardoning power, which includes the power to commute a sentence.

MUSIC MANAGER DIES
New York - (UPI) - Andrew Schulhof, 65, a music manager who had managed such figures as Sir Thomas Beecham, Leopold Stokowski, and Ernest Ansermet, died Monday.

College Match Set

Grants Pass - A college intercollegiate wrestling match between the University of Oregon and Cal Poly will be sponsored by Grants Pass high school at 8 p.m., Feb. 18 in the Memorial gymnasium there, according to Jesse Loffer, Grants Pass athletic director.

A preliminary match will feature Grants Pass varsity grapplers vs. Medford starting at 7 p.m. This is probably the first intercollegiate wrestling match in southern Oregon involving schools of this size, Loffer said.

Grants Pass high school is contacting the various Jackson county schools to see if their pupils want tickets, Loffer added.

Pinson Now Highest Paid Soph

By United Press International
Vada Pinson, the rookie the experts forgot when Willie McCovey came along, has signed a 1960 contract that undoubtedly makes him the highest paid sophomore in the Cincinnati Reds' history.

The 21-year-old native of Memphis, Tenn., agreed to an estimated \$16,000 as a reward for a season in which he batted .316, hit 20 homers, drove in 84 runs and set team marks of 131 runs, 47 doubles and 21 stolen bases.

Under ordinary circumstances those figures would have made Pinson the National League's rookie of the year but the honor went instead to McCovey, sensational San Francisco Giant first baseman who hit .356 in 52 games.

Other Signings
Tom Acker, 6-foot, 4-inch, 220-pound righthanded pitcher, signed with the Kansas City Athletics.

Reserve infielder Mel Roach and relief pitcher Bob Hartman brought the Milwaukee Braves' satisfied list to 19.

Second-baseman Sparky Anderson, who hit .218 as a rookie, and outfielder Bobby Del Greco, .286 with Buffalo of the International League, signed with the Philadelphia Phillies.

Catcher Russ Nixon and first baseman Norm Cash agreed to terms with the Cleveland Indians leaving only home run slugger Rocky Colavito and pitcher Gary Bell unsigned.

Benton Considers Welfare Work Plan

Corvallis - (UPI) - The Benton County Welfare commission will be asked to consider a work program for employable men on county welfare rolls, the County Court has announced.

Commissioners Walter Schmidt and Melvin Hawkins said they would ask the commission to consider such a program at its Feb. 23 meeting. They said it would be similar to one recently started in Polk county. It would have all able bodied men drawing welfare funds work on public improvement projects.

London - (UPI) - Britain this year has 20,000 more residents of colored or Asian extraction than it did last year, the government announced Monday. More than 220,000 non-whites now live in Britain, which until recent years had no "racial problem." Net immigration to Britain in 1959 included 16,000 West Indians and 3,000 Indians and Pakistanis.

Nicosia, Cyprus - (UPI) - Cypriot independence was postponed Monday for the second time within a month after talks broke down on the crucial question of the size of British military bases here.

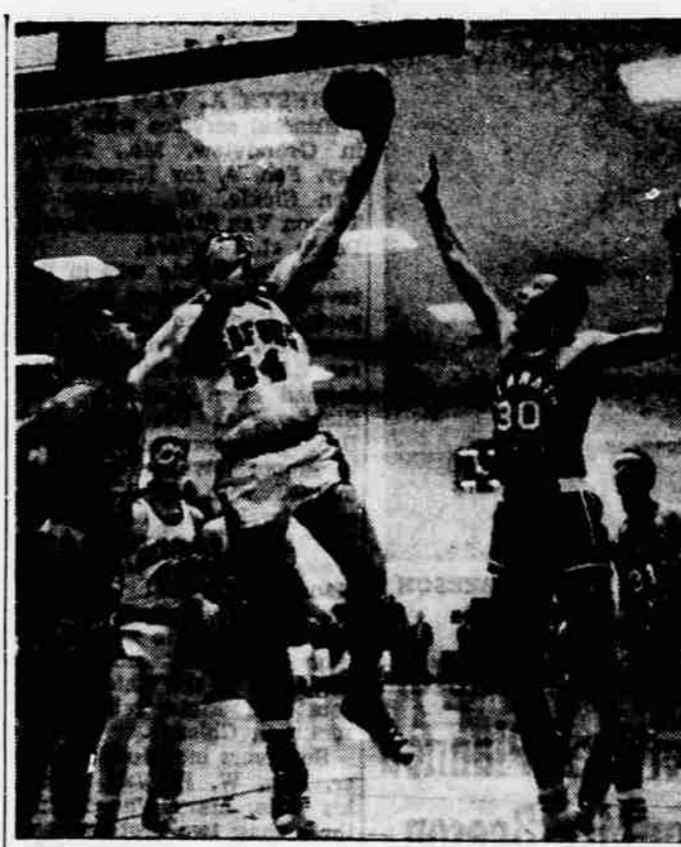

No new date was set for independence.

Argentina Looks For Submarine

Buenos Aires - (UPI) - Argentine ships and planes are maintaining a round-the-clock "death watch" over the Nuevo Gulf area, where an unidentified submarine was reported last week, it was announced today.

Navy Secretary Gaston Clement said targets tentatively identified as the submarine had been attacked "several times" with bombs and depth charges. He added, however, that there is no assurance that the submarine is still in the Gulf.

New Haven, Conn. - (UPI) - Sen. Jacob K. Javits (R-N.Y.) said Monday night that civil rights "may well emerge as the most decisive domestic issue" of this year's presidential campaign. Javits also told Yale University students he was "confident" a compromise on proposed civil rights legislation would be worked out and that "prospects are good" that Congress will strengthen civil rights laws during the current session.

TRIES FOR HOOP—Medford's Lowell Dean (54) tries to loop in a lefthanded shot under the hoop in last week ends basketball game with Klamath Union High school. Deaver Champs Go in Front in Trap Tournay

Deaver Tractor Champs took over the lead Sunday in the annual league trapshoot at Medford Gun Club.

The Champs picked up top points for attendance with 16 men on hand and for total score with 635. They took second with their 230 in the high five contention.

Charles Skeeters' and Louis Biden's Prospect Loggers are now second with 27 points. They got eight last Sunday. The Loggers tied for second in attendance with the Klock or Printers Devils. Each had 14 shooters. The Loggers were second high in total score with 557.

Printers Third
Jim Grigsby's Printer's Devils of the Klock firm are third with 15 points, gaining seven in the last shoot.

Milo Barnes' Century Sporting Goods team is fourth with five points and Max Weston's motel Longshots have yet to pick up a point.

The Printer's Devils had 547 total score, the Sportsmen 466 and the Longshots 372.

Barnes' team topped the list in the high five category with 231. The Longshots had 227, the Loggers 226 and the Devils 223.

Seattle U. Man Hits 20.5 Pace

Seattle - (UPI) - About the only thing that has slowed down Don Ogorek, Seattle University's handy-andy hoop star, is the flu.

Ogorek, a 6-5, 210-pound tiger on the boards, currently is ripping the nets at a 20.5 per game pace as the Chiefs have engineered a 10-7 slate so far.

A senior in the school of commerce and finance, Ogorek is the last link with the Elgin Baylor five that lost the NCAA title to Kentucky in the spring of 1958.

Tough on Boards
Ogorek is a workhorse rebounder who battles off the boards for keeps and currently has hauled in slightly better than 10 rebounds per game.

"Don is a fearless driver," says his coach Vince Cazzetta. When he soaks down the lane he means business and lots of times is good for the three-point play.

Ogorek got off to a great start this year with a 30-point night when the Chiefs lost their opener to Utah State 85-73.

Then he was hit with a flu bug and couldn't perform up to par.

However, he has hit his stride again and has averaged close to 30 points per game in the last five outings. For example, he dropped in 32 markers in Seattle's 85-67 triumph over St. Mary's.

Against Bradley, one of the nation's best, he managed 17 against a defense that was geared to stop him. Bradley won, 83-80.

GRIMM'S WIFE INJURED
Odell, Ill. - (UPI) - Mrs. Charley Grimm, wife of the Chicago Cubs' manager, escaped with a minor arm injury Monday after smashing up her new station wagon in an accident near here.

Mrs. Grimm was taken to St. James Hospital where she was treated and released. Her car, however, was demolished after leaving the road and overturning.

Garmisch - Partenkirchen, Germany - (UPI) - Sjoukje Dijkstra, a pert, 16-year-old miss from Holland, won the European figure skating women's championship Sunday.
