Plans to organize a contingent of 120 Boy Scouts, Explorers, and adult leaders to attend the fifth national jamboree at Colorado Springs, Colo., in July, 1960, were announced this week by the Crater Lake Council, Boy Scouts of America.

"The national jamboree will provide a wonderful opportunity for 55,000 boys and leaders," George C. Flanagan, council jamboree chairman, said, "to have an unforgettable experience in camping, group living, and learning to know and love our nation."

"Our jamboree contingent will visit San Francisco, Los Angeles, and Salt Lake City, as well as scenic spots in Arizona, New Mexico, and Colorado," Flanagan said.

## Building Materials Probe Scheduled

Washington - (UPI) - Senate investigators, who have looked into the cost of autos, steel and drugs, plan to launch a new inquiry into the "high prices" of building materials.

The investigation will be conducted by the Senate anti-trust and monopoly subcommittee headed by Sen. Estes Kefauver (D-Tenn.).

United Press International learned today that the inquiry will center on the pricing of such products as glass, plumbing fixtures, asbestos and gypsum.

Kefauver said a predicted decline in new housing starts "undoubtedly" could be traced in major part to the high prices of building materials.

assistant sectional director at the jamboree.

The jamboree camp will comprise 2,000 acres opposite the Air Force Academy near Colorado Springs, and the Scouts will be camping "a mile high" within sight of Pike's Peak.

Reservations for the "once-in-a-lifetime" trip are being made now, and over 40 Scouts have already made application for the 23-day trip, Flanagan said.

News and Notes From Camp White

**By WALTER TOWNSEND**  
Miss Enid Holmes, chief librarian, who has been confined to her home and later sent to Vancouver hospital, will return to her official duties this week.

Miss Grace M. Stuhr, chief nursing unit, attended the area conference for chief nursing service at San Francisco, Calif., Jan. 28 and 29.

Mrs. Myrtle Brown, nurse in the infirmary, has been on a vacation, visiting her son in San Diego, Calif. She will return in a few days.

Bonnie Lu Goehring, and her two sisters, Vonnie Lee, and Connie Rae, of Eagle Point, recently returned from New York. While visiting in the east, they entertained at the wedding reception of James Warren Edge of Bayonne, N.J.

They also went to Washington, D.C., and visited and viewed the Capitol grounds. Before returning to Eagle Point, they visited in Pensacola, Fla., for a few days.

At Muzzioli's Accordion program last night, the Goehring sisters performed on the theater stage with a number "Cruising Down the River" for the members of Camp White.

The three entertainers are considered the pride of Camp White, and give the members a "lift" when they walk on the stage.

Donnie Lu, 15, a high school sophomore, has been studying accordion nine years. She plans to make it her career and play professionally.

Vonnie Lee, 13, an eighth grader, likes horses as much as her accordion, she said. She has been playing four years.

Connie Rae, 12, is a typical out-door girl, her mother said. She is the youngest of three sisters, and is in the seventh grade, but has been playing her accordion five years.

The girls have lived in the valley all their lives, and go to the same school at Eagle Point. Each of them is an outstanding 4-H member. All having won championships and first places in sewing.

Bonnie Lu Goehring, the oldest, won the grand championship in a DAV talent contest recently. Also the three sisters as a group, have won many honors with their accordion playing.
