Snow Buries Dixie

FAMILIAR CLOUD—France's first atomic heart of the desolate area known as "the bomb forms the familiar mushroom cloud region of total thirst." The explosion made after being triggered Friday just south of France the world's fourth nuclear power. The Oasis of Reggane in the Sahara in the

Winter Storm to Hit New England, Northeast States

Sleet, Freezing Rain, Flooding Predicted

Washington—UPI—The U.S. Weather bureau warned that the winter storm sweeping from Dixie would dump six to 12 inches of snow Saturday night and Sunday on the northeastern states and New England.

World Fears Russia May Give Nuclear Weapons to Chinese

Washington—UPI—France's explosion of a World War II model A-bomb Saturday triggered a ripple of fear around the world that nuclear weap-

on production may spread to even more countries—including Red China.

American officials long have feared what they call the "fourth nation situation" which would be created by France joining the present atomic "Big Three"—Britain, Russia and the United States.

County Can't Up Funds, Says James

County Commissioner Ralph James said Saturday that right now he did not see how the county could increase its O and C fund allocations to the various school districts.

However, he emphasized that nothing definite would be decided until the regular county budget committee hearings start March 1.

A group of school superintendents and school board members had asked the county court to increase the allocation from timber receipts about 2 1/2 times what it is now.

Nixon Could Beat Kennedy -- Morse

Somerville, N.J.—UPI—Sen. Wayne Morse Saturday night listed a host of Democrats who he said could beat Vice President Richard M. Nixon in the coming presidential race.

Morse told an audience of 200 at the Jewish Community center here that he believed Nixon could be defeated by Adlai Stevenson, Sens. Hubert H. Humphrey and Stuart Symington.

Edmund Brown of California, Gaylord Nelson of Wisconsin and Robert B. Meyner of New Jersey, and Rep. Chester Bowles.

One Vet Wounded Another in Jail

An Eagle Point get-together of five veterans resulted in a shooting Saturday afternoon.

Jackson county sheriff's deputies said Carl Milton Holst, 56, Camp White domiciliary, is in good condition after being wounded in the arms, legs and body by fragments of a bullet shot from a 30-30 rifle which hit in front of him shattering and penetrating his body.

Deputies said the shooting apparently resulted from an argument at the home of Albert Milton Brown, 60, Eagle Point, who reportedly ordered Holst from his home and when he wouldn't stay away, fired a shot in his general direction.

Public to Hear Review of Law

Salem—The new Senior Worker Law, which prohibits discrimination in employment because of age, will be reviewed during a public hearing in Medford, Tuesday, Feb. 23.

The Medford hearing, one of a series sponsored by the state bureau of labor, will be held from 10 a.m. to 4 p.m. in the main floor conference room of the Medford city hall.

4-Year-Old Boy Hit by Car Here

Little Clyde Hartford Smith, 4, of 246 1/2 Beatty st., is in the Sacred Heart hospital today after being struck by a car operated by William Theodore Jennings, 820 Mosier lane, Saturday at 5:25 p.m.

City police said the accident occurred in front of the boy's home when he apparently ran into the street from between two parked cars and was struck by the Jennings auto.

Police do not know the extent of the injuries, if any, but do not believe them serious. Jennings was not cited, police said.

News Briefs

By United Press International Washington—Supreme Court Justice Hugo L. Black Saturday turned down a new bid for a stay of execution for convict-author Caryl Chessman who for 11 1/2 years has fought against death in California's gas chamber.

Honolulu—The 40-man crew of a sinking Japanese ship was rescued by an American oil tanker 950 miles southwest of here in the Pacific Saturday night.

Tokyo—Prime Minister Nobusuke Kishi declared Saturday that Japan will protest France's first nuclear test set off in the Sahara desert.

Chicago—Chicago's mushrooming police scandal reached "incorruptible" suburban Evanston Saturday with the arrest of Evanston chief of detectives Sigmund Wroblewski.

New York—Jack Paar said Saturday night he was through with his nightly television show and that the National Broadcasting company could either give him another assignment or go to court.

Albert Lea, Minn.—Several thousands union members from Minnesota and Iowa flocked to a huge rally here Saturday with food and moral support for 1,100 workers striking a Wilson & Co. plant.

Madrid—The Spanish government gave final approval Saturday to six American companies to begin oil explorations in Spain's African "Sahara" Province.

Washington—A management spokesman said Saturday he was "quite optimistic" that 257 strike-bound supermarkets—which sell 75 per cent of the retail food in the Metropolitan Washington area—will reopen next week.

Washington—Commissioner George A. Larrick said Saturday the food & drug administration "will welcome any help" that a White House study can provide in protecting consumers against possible perils from chemical and drug additives in food.

Raleigh, N.C.—Police arrested more Negro students on trespassing charges Saturday and nipped a new protest demonstration against segregated lunch counters.

London—Undiscouraged by reports that "it won't be this weekend," women knitted placidly in the rain outside Buckingham Palace Saturday waiting for the announcement that Queen Elizabeth's baby had been born.

New Delhi—Soviet Premier Nikita Khrushchev, looking tired and travel weary, returned to the Indian capital Saturday after visiting a Russian-supplied state farm at Suraigarh, 200 miles west of New Delhi.

Miami Beach—Teamsters President James P. Hoffa said Saturday trucking industry employers do not have the "guts" to adopt the strike insurance plan to check his bargaining power in major negotiations next year.

Tulsa, Okla.—Twenty-nine major U. S. oil companies were acquitted of price fixing charges late Saturday by U. S. District Judge Royce H. Savage, who ruled that the government failed to prove its charges that the firms conspired to raise prices during the Suez crisis.
