'Memories' Recalled in Recent Talk

Memories of early days were recalled for members of the Jackson County Retired Teachers recently when Mrs. Gertrude Parker Holmes told of teaching days in Medford. She began at the old junior high school on Bartlett street mentioning Walter Keese, mathematics teacher, and Mrs. Maybelle Klemme. At McLoughlin Junior High school she remembered Miss Marvel Yung, who taught herself to play the harmonica in order to have a harmonica band.

In those days, Mrs. Holmes said, there was not a teacher for each and every activity. Teachers would take over and create their own desired programs. Mrs. Ruth McCollister wrote the plays, Miss Annette Gray produced them, and costumes were borrowed from many people. All of this was over and above that which was required of them, the speaker said.

One thing she did not mention was her own contribution. Mrs. Bernice Kunzman supplied the information that Mrs. Holmes had a "good manners" class with as many as 120 attending, for an extra curricular activity.

Following the "memories" program Mrs. Holmes conducted a "baseball" history game. It had been a device to make history fun for her pupils.

Miss Elizabeth Burr was in charge of the tea which followed. The table setting included a small marble bust of Lincoln, a miniature framed portrait of Washington, and a bouquet of little flags. Miss Burr's heirloom silver service was used.

Later the heart was taken to Mann's Department store and displayed with a sign which read "Help the beauticians help the heart fund."

Installation of new officers was held during the evening. The retiring president, Mrs. Ruth Hagoes, was presented an orchid corsage. Installed were Mrs. Peggy Lewellyn, president; Mrs. Myrtle Stock-
