North Tops Hedrick 9th

North Grants Pass took two of three games from Hedrick Junior high basketball clubs yesterday.

North's ninth graders took their contest 63 to 50 and the Cavekid eighth won 37 to 35. Hedrick's seventh was 32 to 16 victor over North.

The Cavekid ninth, led by Lindquist's 20 markers, had 13 to 6, 29 to 26 and 45 to 40 advantages and pulled away midway in the final stanza.

Danny Miles had 22 points for Hedrick in game high. Absence of Gibb Mitchell because of an infected leg hurt the rebounding strength of the Medford team, although Harold Reid did a commendable job filling in for the Hornets.

The GP eighth graders had 6 to 3, 16 to 11 and 27 to 21 quarter gaps and Van Koten scored 14 counters for the Cavekids. Steve Moore and Larry Vowell shot eight each for Hedrick. Stanza edges were 4 to 2, 18 to 6 and 28 to 10 for the Hornet seventh and Tim Watrud put in 10 tallies.

In a seventh grade jayvee game yesterday Hedrick beat McLoughlin 16 to 9, leading by quarter scores of 6 to 0, 11 to 3 and 11 to 7.

Squaw Valley Peace, Serenity Shattered by Monumental Foul Up

By LEO H. PETERSEN UPI Sports Editor

Squaw Valley, Calif. (UPI)—The most monumental foul-up in Olympic history today shattered the peace and serenity of scenic Squaw Valley, site of the 1960 Winter Games opening Thursday.

If there was anything right, it was being kept secret and

criticism was being heaped on the U.S. organizers of the games in an increasing flow of complaints.

Nothing was being done about any of them either, was a further complaint.

It wasn't so serious that the actual games were in jeopardy, but it had reached the stage where most everyone

was unhappy about one thing or another.

Worse Not Better

"There's no excusing the poor conditions here," said a high member of the U.S. Olympic Committee, who asked that his name not be used.

"We figured the organizing committee would do a good job for they had the

California Still Tops UPI Poll

New York (UPI)—California and Cincinnati, two basketball teams with 19-1 records, remained 1-2 in United Press International's major college ratings but Ohio State replaced Bradley in third place. Bradley slipped to fourth.

There were no newcomers in the top 10, but several teams in the select group switched places in the latest balloting by the 35 leading coaches who rate the teams for UPI.

NYU Moves Up

West Virginia, beaten by St. John's last week, received less points in the voting but remained fifth. Utah and Utah State of the Skyline Conference continued their steady climb in the ratings. Utah moved from seventh to sixth and Utah State from ninth to seventh.

Georgia Tech remained eighth. Villanova slipped from sixth to ninth following its Saturday night loss to New York University. Texas A&M remained 10th.

North Carolina headed the second 10 for the sixth straight week. St. Louis was 12th, St. John's 13th, Dayton 14th and Kentucky 15th. New York University and St. Bonaventure tied for 16th. Wake Forest and Illinois tied for 18th and Kansas State was 20th. NYU, which failed to receive a vote last week, moved into the top 20 after upsetting Villanova.

California received 23 first-place votes and a total of 331 points while Cincinnati drew 10 first-place votes and 319 points. Ohio State received a first-place vote and 266 points. Bradley drew the other first-place vote and 258.

Allison Winner In Pistol Shoot

Joe Allison, Rogue River, was victor Sunday in the monthly pistol match of Medford Rifle and Pistol club.

He had an 842 score for the 90-shot contest. Allison also won last month's match. Don Dillingham, Grants Pass, fired an 837 count Sunday for high in expert class.

J. C. Anderson, Roseburg, took sharpshooter honors and Ed McGinty was marksman victor. Seventeen shooters took part.

Monthly smallbore rifle match will be held on Sunday, Feb. 28, instead of the earlier time previously announced.

A National Rifle association sectional pistol match will be held at the Medford club on March 5 and 6.

GRELLE WON'T RUN

New York (UPI)—The withdrawal of University of Oregon star Jim Grelle from Saturday's National AAU indoor track championships leaves Phil Coleman of Chicago and Ed Moran of the New York AC as the favorites. Grelle withdrew because of an injured Achilles tendon. Dan Ferris, honorary secretary of the AAU announced.

Indoor Net Event Set

New York (UPI)—Dick Savitt of New York, the top-seeded domestic player, and Australia's Neil Fraser, the top-seeded foreigner, both have easy pickings in the National Indoor Tennis championships opening round Friday.

Savitt meets Bob Baker of Manhasset, N.Y., and Fraser faces John Wyde of New York.

Savitt, a former indoor title-holder who earned the top seeding by going all the way to the final in last year's tournament before losing to Alex Olmedo, may have trouble with his probable second round opponent, Mike Davies of England, whom he is scheduled to meet Friday night.

Davis Cupper Barry Mackay of Dayton, O., seeded second, also figures to have an easy time with his first round opponent, Gerald Alleyne of Brooklyn. Ron Holmberg of Brooklyn is seeded third among the domestic players and Earl Buchholz, Jr., of St. Louis fourth.

The championships, which will be held at the Seventh Regiment Armory, will have a distinct international flavor with seven different countries represented among the 32 players.

Indians Have Three Unsigned

United Press International Frank Lane signed one, sold one and sat tight with two, but those two can have a lot to do with whether Cleveland finishes one-two this year.

The player Lane signed was catcher John Romano, obtained this winter from the White Sox for whom he hit .294 last season.

Romano's signing left only three Cleveland players who still hadn't agreed to terms and Lane cut that list to two by selling second baseman Jim Baxes to San Diego of the Pacific Coast League.

Only unsigned Indian players now are outfielder Rocky Colavito and pitcher Gary Bell, a 16-game winner last season. Lane says he expects Bell to sign a contract any day but he's not so confident in the case of Colavito, who earned approximately \$28,000 in 1959 and is said to be asking \$45,000 this year.

The world champion Dodgers announced the signing of three pitchers and now have a total of 30 players under contract. Veteran reliever Johnny Klippstein was one of the three to sign and the other two were rookies Ford Young and Scott Breeden.

General Manager John Quinn of the Phillies managed to satisfy shortstop Joe Koppe over the telephone.

Hoop Arbiter Still Undecided

Salem (UPI)—Al Lightner said Tuesday night that he will not make up his mind whether to quit refereeing until the basketball season is over.

The story was circulating earlier that Lightner said he had definitely decided to give up refereeing. He said this was not true.

Lightner said he spoke to a group of Sportswriters at a luncheon in Spokane on Monday. He said he understood his talk was an off the record thing and told them he was "seriously considering giving up refereeing after this season."

Western Union To Serve Press

Western Union has planned the most elaborate and up-to-date telegraphic installation to serve the press covering the VIII Winter Olympics at Squaw Valley, since the first games were held at Chamamon, France in 1924, according to Claire Douglas Jr., Western Union's Medford manager.

Capable of transmitting over 100,000 words daily, the facilities will enable the 500-man press corps covering the Olympics to flash news of the competitions directly to their offices via Western Union's high-speed press network and nationwide system of automatic message centers.

The telegraph company has installed for the first time at a major sports event its "Wirefax" (public facsimile) service, making possible direct transmission of news by facsimile from Squaw Valley to the five-city wirefax network serving New York, San Francisco, Los Angeles, Chicago and Washington, D.C. The wirefax installation will enable writers covering the games to have sent, the push of a button, stories in the exact form in which they are written, or even diagrams illustrating the events and charts or box scores of results.

In addition to the wirefax facility, a special teleprinter network has been provided, directly connecting the three Olympics press centers with points throughout the United States.

RAIL MILEAGE

Chicago-Texas and Illinois lead in the number of miles of railway trackage. Texas has 15,355 miles and Illinois has 11,385.

Ohio State May End Season As Unbeaten Team In League

United Press International Those Ohio State "Whiz Kids" are slowly closing in on one of the Big Ten Conference's most notable records.

No Big Ten basketball team has gone unbeaten in conference play since the Illinois Whiz Kids galloped to the 1943 championship behind the sharpshooting of Andy Phillip and Art Mathiesen.

Indiana came close in 1953, losing only one of 18 league games and climaxing its season by winning the NCAA championship.

Ohio State, though, is given a better than even chance of achieving an unbeaten league record this season. The Buckeyes, with sophomore Jerry Lucas dropping in 21 points, recorded their 10th straight conference victory Monday night by whipping Illinois, 109-81.

Coach Fred Taylor's boys have only four league games remaining on their schedule—against Michigan State, Wisconsin, Indiana and Minnesota in that order. Their meeting with Indiana at Bloomington Feb. 29 should decide the conference championship—if the Buckeyes don't clinch matters before then.
